

# OBAMA ~ BLACK PHAROAH

On Sat, Aug 30, 2008 at 1:40 PM, pat holliday <[holliday.pat@gmail.com](mailto:holliday.pat@gmail.com)> wrote:  
Dear Friends:

My articles reveal how magical thinking is mind controlling the church and world. I revealed Christians opening star gates and soul scalping. At the same time, we showed you the power of the magical portals which is just the old religion of witchcraft. I only mention this to say, did you notice the magical portal that was set up for Obama and then the magical circle that he stood in during his acceptance speech and the circle was surrounded by stars. I believe he is one of the designated gods by the powers that be of the New Age religion. See below.

Apollo Rising? Obama Has Stage For Thursday's Speech Built To Resemble Ancient Greek Temple

Democratic presidential candidate Barack Obama's big speech on Thursday night will be delivered from an elaborate columned stage resembling a Greek temple. Some 80,000 supporters will see Obama appear from between columns painted off-white, reminiscent of Washington's Capitol building or even the White House, to accept the party's nomination for president. He will stride like a god out to a raised platform to a podium that can be raised from beneath the floor. The show should provide a striking image for the millions of Americans watching on television as Obama delivers a speech accepting the Democratic presidential nomination. Politicians in past elections have typically spoken from the convention site itself, but the Obama campaign liked the idea of having their man speak to a larger, stadium-sized crowd not far from where the Democratic National Convention is being held, at the Denver pro basketball arena. Obama was taking a page from the campaign book of John Kennedy in 1960 when the future president delivered his

acceptance speech to 80,000 people in the Los Angeles Coliseum. Once Obama speaks, confetti will rain down on him and fireworks will be fired off from locations around the stadium wall. Democratic convention organizers said the theme for the evening is "Change We Can Believe In," which has been a consistent message of Obama's presidential campaign [http://www.newsmax.com/headlines/temple\\_of\\_obama/2008/08/28/125847.html?s=al&promo\\_code=68B1-1](http://www.newsmax.com/headlines/temple_of_obama/2008/08/28/125847.html?s=al&promo_code=68B1-1)

WOW pat,

And it was only a week ago, I was looking at a cover of Time Mag..and it had a full portrait of Obama.

When I looked, I did a double take.

Asking the Lord, "what are you showin me in this man's face, t here was more to that face ..and the word ..DEATH MASK and PHAROAH!!!! ...came strong.

I did a google check, and all the death masks of pharoahs I saw had the cold hard structured features. I keep seeing with this man's face, the mummied features of a pharoah in Obama's face.

I did post the observation on Crazy Lamb..I am not sure if its still there. Doesnt matter, ALL THE GLORY GOES BACK TO GOD, and I aint goin nuts! not sure if I sent you my observations. Now I see here is the confirmation.

One thing for sure, I was just telling my son today, the man is RANK evil. Once he get into power, we will see another face that was soo carefully and superbly hidden from the world.

Jesus is definitely AT the door to return.

Am glad for that. Praise God.

love and peace and much blessings in Jesus Christ

Sarah
