

# CHILDREN OF THE NEW AGE

Pat Holliday, Ph.D.

<http://www.patholliday.com/ebooks.php>

**Abigail Beau Seigneur is convinced that J.K. Rowling is a closet Christian, and that Rowling's fictional character, Harry Potter, is an archetype of none other than Jesus Christ. But can one be a Christian and promote occultism at the same time? Is Harry Potter an archetype of Jesus Christ? Is God's word, the Bible, sufficient for the believer, and to be used as the ultimate and final authority in faith and all matters of the Christian life?**

**Evangelization of Christian children by Disney and Time Warner fantasy movies is a part of Satan's plan that will produce a new generation of wizards and witches. Demonic-phantasm magical-filled of witchcraft-based books and movies, such as "Disney's The Chronicles of Narnia: the Lion, the Witch and the Wardrobe" and Time Warner's "Lord of the Rings" and Harry Potter movies will bring forth millions of children who will live in a delusory world, becoming dependent upon doctrines of devils. These devils are becoming their heroes, leading their lives to take them into the world of strong deceptions. While it is tragic when anyone is deceived, it is especially heart wrenching to see children drawn onto this path which leads to eternal damnation. There are perhaps five to seven million active witches in America today and other thirty-five million or so persons who have studied or dabbled in witchcraft. Satan wants to control children from the womb and cradle to the grave, in all organizations, destroy their faith in Jesus, take your children from you, abuse the children, give them an unholy childhood, rob their brains in the classrooms, and**

**guide the children into hard-core devil worship and witchcraft. Fantasy books have opened the doorway for millions to enter into the gateway of witchcraft. Parents support these fantasy books believing they will lead their children to read. Even Laura Bush encourages American Children to read the Potter books. Read why these witchcraft, oriented books could be eternally harmful for your children.**
