Chapter One

The Magical Portal

The Chronicles of Narnia, The Lion, the Witch and The Wardrobe - C. S. Lewis' fantasy-witchcraft-oriented movie will steal the hearts of Christians. Christian children are telling their parents that they no longer want to attend church. Most parents do not have a clue concerning the children's adventures down the highway of darkness. They do not realize that Satan enters through the open doors of the mind. Many believe that fantasy evil books can have no effect upon the spiritual lives of their children. When their children totally drop away from Jesus and their Christian values, then, in many cases, finding freedom, will be practically impossible. Once Satan has been invited in, he has to be kicked out! Free to explore the practices God calls evil, children and teens are flocking to pagan groups and web sites for practical lessons in spells and self-empowerment. Some start Wiccan covens in their high schools and God's wise warnings are all but forgotten: "Abhor what is evil. Cling to what is good." (Rom. 12:9).

CHRISTIAN LEADERS BLINDLY ENDORSING NARNIA

Sadly, some of the most famous Christian personalities are powerfully endorsing C. S. Lewis' fantasy-witchcraft oriented movie, The Chronicles of Narnia, The Lion, the Witch and The Wardrobe. Christian radio and television leaders such as James Dobson, Focus on the Family, Pat Robertson, 700 Club, Paul Crouch Jr., TBN, Pastor John Hagee, Cornerstone Church and others are touting this demonic Disney film as "a Christian movie." They are promoting the idea that every pastor should encourage parents to take their children to see this absolute witchcraft lie to seduce our children.

As the author was writing this book, I received a phone call. My Christian friend told me, "I went to the movie last night. I saw a pastor there. He had his young people from the church. They were going to see the Narnia movie. I was shocked because this movie is being promoted by some of the most respected Christians."

I replied, "I know. This movie is one of most powerful witchcraft products of this season. It is certainly equal to Harry Potter's witchcraft evangelization of the world's children."

These Christian leaders are supernaturally blinded to this mystical-magical new Jesus that promotes the blended pagan myths with distorted Christianity. This new Jesus is demon spirits that are masquerading as the Jesus Christ of the Bible. This sorceress Jesus is inclusive of all religions except Bible believing Christianity.

C. S. Lewis' fantasy books are being regarded by the liberal Christian world and the pagan world at the same time. Christian bookstores and many Christian people praise C. S. Lewis' message of embracing values and even some false form of the Messianic hope. The pagan world promotes it right in the middle of witchcraft and occult ideas. It is a perfect pattern for the "global spirituality" of the coming One World Government and One World Church.

The Apostle Paul warned of this invasion of magic. "For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ. 14. And no marvel; for Satan himself is transformed into an angel of light. Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works," (2 Cor. 11:13-15).

Both Tolkien and his close friend C. S. Lewis were drinking buddies and explorers of the occult. They were victims of a religious system that failed to keep truth and error clearly separated. As it is today, many pagan ideas had invaded the church world. Instead of the church rooting out superstition and paranormal experiences, they have found it easier to accommodate the two opposing themes. There is no doubt but that the political mix of church and state of Tolkien-Lewis' period lay at the heart of this problem. The world in which Tolkien-Lewis found themselves certainly affected their thinking and writing. Both were devout Catholics and made statements that their literary works were extensions of their faith. Tolkien said, "The Lord of the Rings was "a fundamentally religious and Catholic work." However, it is a pagan oriented work.

When you add paranormal (Satan's supernatural) activities to a watered down theology and then add the biggest names in religious circles endorsing the project,

you've got phenomenal power to convince people of the lie. Are we entertaining a time of deception unparalleled in church history?

“Hereby know ye the Spirit of God: Every spirit that confesseth that Jesus Christ is come in the flesh is of God: And every spirit that confesseth not that Jesus Christ is come in the flesh is not of God: and this is that spirit of antichrist, whereof ye have heard that it should come; and even now already is it in the world,” (1 Jn, 4:2-3.)

STEPPING THROUGH THE WITCHCRAFT MAGICAL PORTAL

First, I was shocked when the children stepped through the witchcraft portal, (a magical door to the paranormal world) and entered into the “magical fantasy” illusionary deceptive world. The first delusory creature that the children met was a half man and animal with cloven feet. In witchcraft this demonic creature is called a satyr, a forest god. I wept when I saw a scene showing the lion standing on the edge of a cliff receiving the worship from the young children who were serenely bowing before this animal. I was outraged when the lion supposedly to represent “Jesus Christ” was sacrificed on an altar. This blood sacrifice is a poor substitute for the holy blood of Jesus. The real Jesus Who is God in the flesh, came as a man to die in our place for our sins, was crucified. This demonic movie is a diabolical mockery of Jesus Christ and his life, His death, His Godhood and purpose. This Satanic movie is truly another Gospel - another Jesus and a charade of THE REAL Jesus Christ. It is being preached to children eight years and up. Jesus is not a fantasy lion. He is God in the flesh! May Jesus have mercy and open eyes before it is too late. “I marvel that ye are so soon removed from him that called you into the grace of Christ unto another gospel: 7

Which is not another; but there be some that trouble you, and would pervert the gospel of Christ. 8 But though we, or an angel from heaven, preach any other gospel unto you than that which we have preached unto you, let him be accursed. 9/ As we said before, so say I now again, If any man preach any other gospel unto you than that ye have received, let him be accursed,” (Gal 1:6-9).

It was said in the promotion of this movie “could not have been made five years ago.” I can tell you. It would not have been received by the Church five years ago either! More than five thousand horrible demonic figures were designed to fight on the side of evil and fifteen hundred frightful, demonic creatures to war

on the side of good. This movie is packed full of scary, fearsome scenes of murder and bloody violence. In addition, let's not forget the witch.

The meaning and implication of witch and witchcraft have changed with the centuries. To many, it still means an old crone with molds and straggly hair casting evil spells on children and silhouetted in front of a full moon on her broomstick. But a more realistic image shows feminist or environmental activists (men or women) who seek wisdom and self empowerment from a contemporary blend of the world's earth-centered religions -- Hinduism, Native American Spirituality, European witchcraft, etc. Whether they join groups such as the Bay Area Pagan Assemblies in California or the Pagan Federation in England, they are proud to be called Pagan, Witch or Wiccan. They share a common interest in spells, magic ("white" not black) and full moon rituals -- all set in a framework of a new cosmology based on a personal or impersonal pantheistic goddess.

The Scriptures warn, "And the soul that turneth after such as have familiar spirits, and after wizards, to go a whoring after them, I will even set my face against that soul, and will cut him off from among his people. Sanctify yourselves therefore, and be ye holy: for I am the LORD your God" (Lev. 20:6- 7).

SATAN'S TOY STORE

How can a child be influenced to readily accept demons? "Although they claimed to be wise, they became fools and exchanged the glory of the immortal God for images made to look like mortal man and birds and animals and reptiles." (Rom. 1:22.)

Movies such as, C. S. Lewis' fantasy-witchcraft oriented movie, The Chronicles of Narnia, The Lion, the Witch and The Wardrobe, Harry Potter, Star Wars, Dark Cauldrons, etc., aim to frighten, to deceive, to familiarize children with hideous satanic characters, to entice children to accept evil as good, etc." "Woe to those who call evil good and good evil," (Isa. 5.) For instance, consider E.T. He could heal, raise the dead, etc. and is a horrible creature. Cartoons draw on Egyptology, Iris, mythology, witchcraft, occult Smurfs, Dungeons & Dragons, Little People and Gremlins. The most violent block of T.V. time is Saturday morning. Fairy Tales and Walt Disney movies are full of occult practices. New Age Children's music is to incite rebellion and self elevation. Rock music leads young people into sexual perversions and violence.

Webster's defines fantasy as imagination or fancy, especially wild, visionary fancy; unreal mental images; illusions; phantasms; whim; queer notions; caprice; an imaginative poem, play, etc.; in psychology, a mental image as in a day dream.

The dictionary defines a doll as a small carved or molded figure which served as a cult object or representation of a nursery story, cartoon or puppet character. Demons' activity can occur in a house due to objects of idolatry. "And thou shalt take the anointing oil, and anoint the tabernacle, and all that is therein, and shalt it, and all the vessels thereof: and it shall be holy," (Ex. 40:9).

The anorexic looking Barbie doll is being promoted by one of our biggest Christian ministries. They send Barbie dolls to Haiti, (a voodoo country) to its children. Just imagine what the voodoo priest will do to the children through these dumb Barbie dolls! The "most radiant Barbie" is, Barbie a goddess of the Sun. She wears a Bob Mackie sheath dress adorned with dazzling yellow and gold sequins. Turban head piece and sun shaped earrings. Barbie is bisexual. Last year Barbie was given a lesbian girl friend. This year Barbie has a new boy friend!

Another area of concern is the doll figure for boys. The super heroes, such as, Bat Man, Superman, etc., and also the monster toys like ET, Star Trek, etc. should be eliminated from a young boy's toys. Now we'll have this Narnia, outlandish supernatural images made to give to Christian children – Toys having either occult linkage or actions or excessive violence. To this day multitude of Idol (demon) worshipers use dolls in pagan religious ceremonies. "You should not bring an abomination (an idol) into yourselves lest you be ensnared by it; for it is an abomination to the Lord your God." (Deut. 7:25, 26).

Books, rock records, pornographic magazines and images of animals and people, ungodly cartoon tapes, witchcraft satanic computer games and children's toys. Scripture references: (Rev. 12:11; Rev. 22:3; Col. 2: 14,15; Gal. 3:13; Deut. 21:23; Deut. 32:5; Num. 23: 8,23; 11; Sam. 7:29).

BOARD AND COMPUTER GAMES

C. S. Lewis' fantasy-witchcraft oriented movie, The Chronicles of Narnia, The Lion, the Witch and The Wardrobe, has its board and computer games. These games open children to the influence of occult power, wizardry, violence, mind control and witchcraft: Thundar Barbarian, Pandemonium, Magic 8 Ball, Monster

Mansion, Krull (occult with sorcerer), Herself the Elf, Gremlins, Dragon Master, Mythical Cards, Dungeon, Ouija, Dark Towers, Magical Crystals, Dragon Lords, Towers of Night, Forest of Doom, Fires of Shadarr, Star Wars and Hyoda, Fantasy Card Games, Hell Pits of Night Fang, Rune Quest. Chivalry, Sorcery and Arduin-Grimoire.

Move over baby demonic angels in many Christian homes. Narnia is coming to take over your place of idolatry.

INDIGO CHILDREN

There is a new group of children in the world being touted as “indigo children.” These children are having visitations at night by “ghosts, dead people, monsters, demons and angels. They are being called “psychic sensitive.” Many of these children are being referred to psychiatrist, psychologist and counselors. They are being prescribed drugs to control their symptoms. Deplorably, these children are being tormented by demons. It is a spiritual problem. Only Jesus can deliver them.

Now we are faced with the probability that millions of Christian children are being led down the pathway of becoming “indigo children.” Because of the great darkness over the minds of ignorant leaders, these children may die without Jesus.

DEEP THINGS OF SATAN

There are critical results of being ensnared by the powers of darkness. Missionary I. W. Elford, writes his disturbing testimony. “After having spent twenty-seven years as a missionary among northern Indian tribes, I am aware that behind the unaccountable fear, the deep bondage, the inability to accept Jesus Christ, lies some deep things of Satan. I have been attacked by these malevolent spirits. Wild and frightening dreams have disturbed my sleep. I have heard supernatural noises, been palpably grasped in an encounter and my mind assaulted and endured diabolical temptation.” Elford, goes on to say, “Other missionaries have reported similar things. Some have smelled odors. Others have heard noises of activity when no human was around. Still, others have experienced palls of deep darkness moving toward them in the night. All who would bring Christ’s redeeming message of release to these souls encounter these things in varying degrees and things.

These oppositions all speak the same thing to us: i.e., evil beings of the unseen world are here who hate Christ and His gospel and they have gained a deep foothold in many lives.” Believe me. There will be millions of parents and children entrapped by the powers of darkness. The Church of Jesus Christ must wake up and spring to action to save our children.

WITCHCRAFT INFILTRATION

Most believers are woefully ignorant and living beneath their birthright. Millions of Christian Children are being captured by the devil while their parents sit in better homes and garden, entertainment or ritualistic churches. Here are just a few cases they we have seen recently in our Church.

DELIVERANCE MINISTRY

- A tormented, 13-year-old “Christian,” girl was recruited by another girl who was in her church. She was deep in witchcraft. “Look, I can change my eyes and hair a different color,” she said. “I can make my furniture levitate. My mother is the queen of the coven. I am here to recruit you!”

- An 8-year-old boy came to the ministry. He was so demon-possessed that it took about five grown men to hold him down to cast the demons out! Our ministry does not usually have to hold people down.

- A 15-year-old girl was recruited by a pimp.

- A 14- year- old “Christian” girl was slipping out of her home at night. She was taking all kinds of drugs and was dancing in a topless bar to support her habit.

- A boy, eight, was threatening to kill his brothers and sisters.

- A boy, nine, was showing condoms in his wallet to the other children in his church.

- A boy was working Harry Potter witchcraft in school and acting very strangely. He refused to go to church. He was placed under powerful drugs.

- A boy, ten, was into Karate spirits. They threw him around the room when we started to cast them out. He learned this martial art in a Christian Church!

- Another karate-demonized boy had a poltergeist that controlled the house.

- The author ministered mass deliverance to the youth. After she questioned them about their occult involvements, such as occult-based movies and televisions, cartoons, books, etc., the youth were easily delivered and became alive with the power of Jesus. They were singing, clapping and dancing.

It was marvelous to see Jesus working with these young people.

- And on and on . . . The Scriptures warn, "And the soul that turneth after such as has familiar spirits, and after wizards, to go awhoring after them, I will even set my face against that soul, and will cut him off from among his people. Sanctify yourselves therefore, and be ye holy: for I am the LORD your God" (Lev. 20:6-7).

- The occult (hidden, secret) realm belongs to Satan and the demons. However, those who become involved are damaged by the contact.

The children will receive a curse from God to the Third and fourth generation. Occult dabbling will lead to all sorts of problems from physical sickness to moral and mental troubles. There is an outpouring of offensive activities of supernatural evil in our land related to Satanism, witchcraft, scientology, idolatrous practices etc. Influenced by various demonic agencies, these idolatrous makes up a call to engagement in spiritual warfare "in the heavenlies" as the church has never known before. "We are not contending with flesh and blood, but against evil authorities, against the world rulers of this present darkness, against the spiritual hosts of wickedness in the heaven lies," (Eph. 1:3,20; 2:6; 3:10; 6:12).

Yet for the most part, the Christian church is silent. Our young people are entertained by "Christian rock music." I must tell you, we've ministered to Christian children who were model Christians until they get hooked on "Christian Hard Rock" music. Be aware, if Satan is so brazen to attack the children through publically drawing the church's leadership to endorse Narnia witchcraft movies, what keeps the Christian rock music from being back masked with demonic messages?

The Christian should be separated from the wicked things of this world. We are commanded to, ". . . have no fellowship with the unfruitful works of darkness, but rather reprove them," (Eph. 5:11.) If Christians would obey this verse alone, there would be no question about fantasy books and movies such as The

Chronicles of Narnia. Our place is not to get mixed up in the darkness, but as the light of the world, we are to expose the darkness. Paul said, "Ye cannot drink the cup of the Lord, and the cup of devils," (1 Cor. 10:21).

There is no middle ground here. "Woe to those who call evil good, and good evil; Who put darkness for light, and light for darkness . . . Woe to those who are wise in their own eyes and clever in their own sight," (Isa. 5:20-21).

The Bible makes it clear in both the Old and New Testaments that occult practices is an abomination to the Lord. There shall not be found among you any . . . that useth divination, or an observer of times, or an enchanter, or a witch, 11/ Or a charmer, or a consulter with familiar spirits, or a wizard, or a necromancer. 12/ For all that do these things are an abomination unto the LORD," (Deut. 18:10-12).

Another scripture passage that points out just how seriously God views the occult and wizardry is Acts 13:10. The Apostle Paul indicts Elymas the sorcerer with these words -- O full of all subtlety (deceit) and all mischief (maliciousness), thou child of the devil, thou enemy of all righteousness, wilt thou not cease to pervert the right ways of the Lord?

RIGHTEOUS CHILDREN

God has designed that parents train their children in righteousness. Our young people need to be familiar with the Word of God - not the occult. "Hear, O Israel: The LORD our God is one LORD: And thou shalt love the LORD thy God with all thine heart, and with all thy soul, and with all thy might. And these words, which I command thee this day, shall be in thine heart: And thou shalt teach them diligently unto thy children, and shalt talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up" (Deut. 6:4-7). It is every parent's responsibility to raise their children for God. "Train up a child in the way he should go: and when he is old, he will not depart from it," (Prov. 22:6).

Parents many times prepare the way for deep-seated spirits of Fear, Rejection and Conditional Love to enter. God will turn the heart of the father (not the mothers) to the children (Mal. 4:6 and Col. 3:21). A child left to rear himself is a disaster going somewhere to happen, (Prov. 29:15.) Indwelling demons can be present because of inheritance, curses, habitual sin, or legal holds or grounds from other sources. The punishment should equal the offense. We provoke our

children's wrath when we punish more severely than the offence justifies. The offense should be explained. Other ways to behave should be explored. Then show love; give a hug, approval, complement on good behavior or improvement of conduct. Scripture warns us to have nothing to do with fairy tales, fables, enchantments, charmers or such like. (Titus 1:14), (fables turn one from truth) and (II Pet. 1:16), (declares importance of truth).

Children at a susceptible age may well be opened up to spirits of fear, error, perversity, lying and fantasy. God as fantasy causes most of our young people's problems . . . (Drugs, drink, sex, etc.) The ultimate truth and there is no fantasy in God or in His Word. The truth is important to God and many ignorant people cause children to believe a lie in the guise of a friendly, jolly, phony, called Satan Claus. This lie caused our daughter to doubt that her parents would tell her the truth. All lies come from the devil (Jn. 8:44.) (God taught us to tell her the truth in love)!
