**SEXUAL MAGIC ~ SEX IN THE MINISTRY,” INCUBUS, SUCCUBE ~ ASMODEUS,  
OSMODEUS ~ BECOMING WILLING SLAVES TO SEXUAL DEMONS**

It is powerful, well written and a must read. The awakened part of the Church of today has now no doubt of the real existence of the spirit beings of evil that are attacking families while the sleeping church remains under the cover of the powers of darkness.

JACKSONVILLE, FL – April 22 2008 (PRWEB) --- Dr. Holliday asserts in her new book, “Due to wide-spread pornographic material, many force their spouses into sexual perversions, leading the mate into deviate sex. However, in our day due to powerful sexual brainwashing by some churches, schools, televisions, radios and Medias, women and men have, in many instances, become willing slaves to sexual demons. Her research uncovers the spiritual truth concerning ruling evil demons over marriages and sexual activities.

Dr. Holliday cautions, “In order to understand the working of the deceiver-prince of this power of the air, and become acute to discern his tactics and his methods of deceiving men and women, such believers should search the Scriptures thoroughly to obtain a knowledge of his character, and how spirits of evil are able to possess, and use the bodies of people.”

“These Marriage Breaking Spirits,” she goes on to inform, “are principalities called Asmodeus, Osmodeus, Abaddon, Apollyon and Beelzebub that cause rejection, divorce and overpowering tendencies to rage, lust, impetuosity, impurity and psychic activities.”

She warns that there are serious consequences concerning “playing” with sexual demons. Dr. Holliday says, “These ruler spirits cause rejection, divorce and overpowering tendencies to rage, lust, impetuosity, impurity, psychic activities and loss of faith. Due to wide- spread pornographic material, many force their spouses into sexual perversions, leading the mate into perverse, deviate sex. However, in our day,” she says, “due to powerful sexual brainwashing by some churches, schools, televisions, radio and media, women and men have, in many instances, become willing slaves to sexual demons.”

Dr. Holliday gives notice to the Church that the greatest threat today is the willing neglect of guarding against sexual sin. “Sadly, sexual evil is prevalent even among Christians leadership and perhaps no other area in the life of a believer where he or she is more vulnerable to spiritual attacks than the area of his or her sexuality.”

She believes that the Church must understand the power of deliverance. “Sadly, sexual evil is prevalent even among Christians leadership,” she asserts, “and perhaps no other area in the life of a believer where he or she is more vulnerable to spiritual attacks than the area of his or her sexuality.”

Dr. Holliday goes on to express her concern for Church leaders, “Standards are collapsing in the pulpits. Just before a former pastor of a Christian Church was arrested and charged with capital sexual battery in 2006, another associate pastor and counselor resigned or fired from the staff. The church leadership had been warned of the associate pastor's sordid past in North Carolina, but they hired him anyway! The Church critics consisting of former and present members want to know how the cavalier, even reckless, disregard for innocent youth can be justified by ministers of the Gospel. Church leaders are to protect the sheep from preying wolves not pay wolves to ravage the sheep. Sexual predators should be in prison, not the pulpit. She writes, “Today there is a special attack of deceiving spirits upon the Christian Church. She considers that this is a deliverance manual that will explain how demons that are engaged and operate.” She reveals that the awakened part of the Church of today must now have no doubt of the reality of the existence concerning evil spirit beings and that the Church has the spiritual keys to the power of solution.

“This is a book,” she says, “that challenges the church to awaken from its spiritual slumber that there is an organized realm of supernatural powers, set up in opposition to Christ, and His kingdom, bent upon the eternal ruin of every member of the human race; these believers also know that God is calling them to seek the fullest information for withstanding and resisting these enemies of Christ and His Church.”

Dr. Holliday believes that “Today there is a special onslaught of (Chaotic sexual) deceiving spirits released upon the Church which is the fulfillment of the prophecy the Holy Spirit expressly made known to the Church through the Apostle Paul, ‘that a great deceptive onslaught would take place in the “later times.” Since the utterance of the prophecy, more than two

thousand years have passed by but the special manifestation of evil spirits of deception today, points unmistakably to the fact that we are at the close of the age.”

Dr. Holliday demonstrates that Satan is sending his agents into the Church to cause ministers to fall into sexual sins. “Leaders must make special efforts to guard against “opportunities” , she cautions “while counseling people of the opposite sex or with sexual problems, could find themselves in compromising situations.” Dr. Holliday cites the following incident, “A pastor that I know received a hysterical call from a woman who was in his congregation. He agreed to make a “house call.” Fortunately for him, he took his wife along because when the woman opened the door, she flung her robe open and he was face to face with this Jezebel spirit. The pastor’s wife stepped in front of him and when the seductress woman saw the wife, she slammed the door shut. Satan will lay all kinds of traps to make you fall into sin. Be careful.”

“If you have fallen into sexual sin, you must submit to deliverance,” says Dr. Holliday. “You have subjected yourself to demonic powers and you must repent confront the demons through the power of Jesus Christ to deliver the demons and their control. When you invite a devil in, you have to kick him out.”

Dr. Holliday writes, “These demonic spirits are responsible for divorce and the source rejection of sexual genders and characteristics, such as – overpowering tendencies to rage, lust, impetuous, impurity and psychic activities. Asmodeus wars against all marriages, also keeps many from getting married. He is "king of the demons", and sometimes equated with Abaddon, Apollyon and Beelzebub. He is known as the "angel of the bottomless pit." And in the last days this spirit will take on the form of frogs and locusts.”

Remember this is not fiction but a true drama in the Christian Church. “Sexual Magic in the Ministry is real and it is on the rise and it is widespread and happening now!”
