

Article Five - Children

JESUS IS THE DELIVERER

Children Marked for the New Age!

The below article comes from Pat Holliday at www.patholliday.com.

You are free to put this article on your web site. You may also copy and distribute it. I suggest you give it to your pastor, Love in Jesus, Pat Holliday, Ph.D.

EVERYTHING IS SPIRITUAL

Parents of Christian children must also be interested in Christian spiritual associations. Satan is now infiltrating the Christian circles with his tactics to destroy from within. A parent must be vigilant. Satan's aim is the mind of your child. The family of the Christian Church is not immune from these Antichrist attacks upon its youth. It is coming in many forms such as Christian Rock groups that are singing about Jesus but who have not changed their lifestyles of free sex and drugs. This author has ministered to young people that got "hooked" on "hard Christian rock" music. They became extremely rebellious to their parents. Evil spirits come through the air. When the young people open their spirit to what's in the "Christian rock group," they pick up their spirits. Christian children are also being targeted to accept Witchcraft, Sorcery and Demonology!

Satan have already drawn many young Children of the world into his world of darkness. They use **Dungeons and Dragons** and now we can expect a major assault on Christian children through games and rock music and Karate. The books and movie stories of **Movies. Star Wars, Dark Cauldrons, The Lord of the Rings and The Chronicles of, Star Wars, Harry Potter, etc., aim to frighten, to deceive, to familiarize children with hideous characters, to entice children to accept evil as**

good, etc.”

“Woe to those who call evil good and good evil,” (Isa. 5). For instance, consider E.T. He could heal, raise the dead, etc. ; a mockery of Jesus and a horrible creature.

These New Age methods idealizes witchcraft and its supernatural orientation and the world's pagan cultures. They exalt pagan practices by depicting good verses evil Characters. Satan’s powerful agenda seduces its fans into an imaginary world that pits “white” or benevolent magic against dark, evil black magic. Both sides of this imagined “battle between good and evil” use cabalistic practices that God forbids and says, it is an abomination to God.” Fantasy movies are now being targeted to the Christian Church by powerful Evangelical leaders. The Bible says, "Woe to those who call evil good, and good evil; Who put darkness for light, and light for darkness . . . Woe to those who are wise in their own eyes and clever in their own sight," (Isa. 5:20-21). Parents, beware!

Children are perishing for the lack of knowledge of Christian parents.

Jesus Christ believed in, dealt with, and referred to the devil at least 15 times and the Bible refers to him 114 times. The Lord was not talking about an imagination or a mythological being but a real supernatural being who is described by the Bible as the arch deceiver of all mankind. The Scriptures warn us there is such a being as the devil and there are such entities as evils spirits which are set against God and His creation. Most parent are ignorant of the role toys and cartoons play in a child’s life. One toy manufacturer has announced some new toys that will interact with the television cartoons. The news media announced that the human ear would not be able to hear the commands given to the toys from the cartoons but the toys would be triggered to interact with the TV action. This proves that cartoonists are probably already embedding subliminal messages to the minds of our children!

SUBLIMINAL PROJECTION

This technology is called subliminal projection by New Age prophet, Aldous Leonard Huxley in his utopian book, **Brave New World & Brave New World Revisited**. According to Huxley, subliminal projection means that an image is presented to the sight or words to the hearing for a matter of microseconds and superimposed upon visual or auditory entertainment. What is seen or heard in that lightning-like interval lodges in the subconscious and tends to be a powerful influence on subsequent behavior.

It is author’s contention that children are being programed for the New Age

through mind manipulation by the hunters of their souls. They are agents of Satan who know they are now dealing with mostly a powerless, sleeping Church. Satan wants you children while in many instances, some ministers just want your money.

How does subliminal manipulation work? The author ministered to a young girl, seven-years-old. Her mother brought her to me because she was having the odd activity of taking off her clothes in front of her older brothers.

At first, her parents warned her to stop doing it. Then, they began to spank her. Nothing seemed to help. (The devils love you to abuse your children. If a problem is being caused by mind manipulation or a demon, the child is helpless to stop without deliverance).

One day the older brothers came home and told their mom that they knew why their sister was taking off her clothes. As it turned out, they showed their mom **subliminal messages on one of the Disney films**. The subliminal messages were telling the children to take off their clothes! The author did deliverance on the child and she was instantly set free from tormenting devils. She became obedient and stopped taking her clothes off. These powers are real and ignoring them do not make them go away!

NEW AGE TAPES

New Age tapes call tapes, **Acquatron**, that are being played in public schools. All the children will hear on these tapes is the sound of ocean waves. There is also a beep and after that, more waves, music and the hidden counseling that are embedded on the tapes. One counselor called his tape, “a trip to the Beach.” He also used his tape to reduce his students’ stress. He had brought the tapes from home and said he had several others he had played for the kids. These tapes had the children count down from 10 to 1. Then the tape says in a calming voice, “now you cannot open your eyelids.” This called hypnosis. The counselor also had no intention of telling the parents that he was using subliminal tapes hypnotizing their children! Hypnosis is a way of opening the door to the sub conscience mind, giving an open door for demons to enter the spirit of the person.

Another school, the parent of a third grader found that her daughter had been participating in a relaxation exercise down by the music teacher. **He was playing a New Age music tape and doing the talking himself**. He told the children that they would be taking tests the next thing he told them, they would be feeling stress and this was how to deal with it. All the kids lay on the floor, he turned out the lights and closed the shades. Afterwards, he took them under (hypnotized them) he told them to

create their own special room in their mind. They could always go there and nothing bad would ever happen to them. The mother was shocked and told him this was hypnosis, which he denied. This teacher also refused to inform the other parents that subliminal techniques were being used on their children without their knowledge or consent! Visual subliminal are also being used in children's school books.

Sadly, as the author writes this book, some Christians' ministries have already made Christian subliminal tapes with "good messages for the Body of Christ."

These Christian tapes are going to be distributed by a nationally known independent ministry that claims to have a deliverance ministry! What an abomination to God that Christians feel the great need to copy the things of the world instead of depending on God's Word and His power to attract people to Faith.

Seducing demons are not reserved solely for adults. Children can also fall under their spell also. They can be possessed too. Many books are beginning to be written concerning the sexually-oriented, witchcraft and violent cartoons, movies, books, games, and television. We must be aware that these are avenues that Satan has built for the entrapment of the children of this generation. However, parents must know one of the most important issues of family life. Your children's relationship to God is as important as your relationship to God. They cannot know Him a part from you. God has a vital interest in your child. He wants your child to grow spiritually, just as He wants you to grow spiritually. It does not happen automatically. It takes planting the seed of the Word into their young heart and watering that ground. Your child needs the same spiritual nourishment as well as he or she receive from your training and example. My father told me the story of his mother's death. He was 13-years-old when she sat him down and told him that she was going to be Jesus. He did not believe her. She said, "Son, Jesus gave me a vision today. I am going to heaven to be with Him today. He showed me that all my children will be with Him but you." She pleaded with him to stay close to Jesus. My father ran from Jesus all his life. He hated Jesus because He took his mother away. However, after I found the Lord, I was blessed to see Jesus save him.

DOCTRINES OF THE NEW AGE

Ignorance of God's Word is a primary and essential condition for deception by evil spirits. The devil has always quoted and misquoted the Bible to bring captives into his kingdom. Children, and especially Christian children, are prime targets for Satan's craftiness. We must be alert as Satan disguises himself as "an angel of light" (2 Cor. 11; 14), appearing as a messenger which is good and wholesome to pretend he

comes from God. **Bad theology is a cruel taskmaster which causes tragic consequences that spiritually cripples those who receive it,** (1 Tim. 4:1), tells us, “Now the Spirit speaketh expressly that in the latter times some shall depart from the faith, giving heed to seducing Spirits and Doctrines of devils.”

The children of the future will serve a One World (Planetary Government and live in a One World Culture. Patriotism to one's country must be abolished and all national barriers destroyed in order to build a New One World Order.

Children will accept that Eastern mystical religion is to be married to the Christianity of the West to forge a new, unified social and religious order of Universal Truths. Teenagers and youth will rebel and revolt against their parents and against authority to help usher in the New Age World Order.

Youth and all of humanity must accept that the time will inevitably come when grown-ups who refuse to become part of the New Age will have to be killed. They are to be considered as lowly germs, an infection or blot on humanity that must be stamped out and eradicated.

The traditional family unit is not desirable for the Aquarian, or New Age. Children belong to the government, to the world and the community--the human group--not to their parents. A new kind of family unit must inevitably come into existence.

Young people must be taught to believe in reincarnation and karma (the Law of Rebirth) rather than the resurrection and judgment teaching of the Bible. This belief must guide behavior, especially the sexual conduct. Absurd and immature notions of sin and guilt must not be imparted to children by parents, teachers, pastors and other adults. A more permissive and worldly attitude must be adopted. Children are to be taught that all religions--Christianity, Witchcraft, Hinduism, Buddhism, Islam, Judaism, Paganism, etc.--are equally worthwhile and that it doesn't matter in which god one believes.

The new generation of youth must recognize that Jesus did not come to save or convert anyone; because no one is lost. Christian doctrines, such as that of heaven, hell, and judgment, must be discarded and the theology of the Old Testament must be repudiated. A New Age World Religion must be established without Jesus Christ as Lord and Savior. The Christian Church is dead and must be replaced. The coming New Age World Religion will emphasize the unity of all religions while rejecting Jesus Christ's profound Biblical statement, I am the way, the truth and the life.

They plot to decompose and destroy the family unit, subvert Bible doctrine, and

promote a One World New Age Religion and Government. The roots of New Age occultism can be traced all the way back to ancient Babylon. The unholy trinity has three divinities: Father, Mother, Son. We see in these events the roots of several cardinal New Age doctrines: evolution, human divinity, spirit worship, reincarnation and sexual license.

Many other doctrines, rituals, practices and symbols have been revived from the past by the New Age movement. There is a gigantic conspiracy underway. Billions will join the Jesus-hating forces of the New Age Beast. Regrettably, most Christian leaders do not even understand the most basic rudiments of what the New Age is all about. The word occult simply means hidden or concealed, kept from view.

Here is just a partial list of ancient satanic teachings, practices and symbols now in vogue and being pushed on the children and teens: color therapy, heavy metal music, unisex dress, sadism, sorcery, incest and immorality, hypnotism, New Age mood music, palmistry, rebellion, astral travel, mystery teachings, ESP (psychic powers), God as Mother, astrology, nature worship, rhythmic breathing, visualization, psychedelic drugs, sodomy, feminism, necromancy, dragons, pyramids, chanting, yoga, demonic music, fortune telling, levitation, self-love, fire walking, body tattoos, numerology, pedophilia, mental imagery; the unicorn, Pegasus and other magical beasts; communication with the dead; mediation (other than on God's word); and satanic symbols (pentagram, triangle & circle, etc.).

FORBIDDEN PRACTICES

Forbidden practices in the Bible that are an abomination to God: Witchcraft (Witch, Wizard, Sorcerer, Clairvoyant, Physic) - practice of dealing with evil spirits, use of sorcery or magic, to whisper a spell, enchant or practice magic. Magic - sorcery or witchcraft. Enchantment (Song Spell or Augur) - act of influencing by charms and incantations, practice of magical arts, hypnosis, spell casting, soothsayer, sorcerer. Divination (Fortune Telling) -Divining, witchcraft, soothsayer. Charming (Serpent Charmer) - to put a spell upon someone, to affect by magic, enchantment, hypnosis. Consalter With Familiar Spirits (Medium) - familiar or family spirits. Sorcery (Pharmakia) - use of power gained from the assistance or control of evil spirits, especially for divining, magician. Necromancy (Seance) - Communication with the dead, conjuration of the spirits of the dead for purposes of magically revealing the future or influencing the course of events, familiar spirit, medium. Observing Times (Star Gazing, Astrology) divination of the supposed influence of the stars upon human affairs and terrestrial events by their positions and aspects, horoscopes,

prognostication. Soothsaying - act of foretelling events, prophesying by a spirit other than the Holy Spirit. Prognostication - foretell from signs or symptoms, prophesying without the Holy Spirit, soothsaying. Television And Other Programs - about witchcraft. Children To Pass Through The Fire (Abortion) - sacrifices to gods. These are all forms of witchcraft which is the thread that runs through occult and Satanism.

Witchcraft powers can work against you even if you do not believe it. **For many years, I have ministered to people who came out of the world of Witchcraft and Satanism.** They told me the occultists use the Bible for their spells. One man I know became entrapped in a witch's coven because when he met them on the streets, they were carrying a Bible. He thought they were Christians. After this man discovered that he had tied into a witch's coven, he ran away from them and returned to Jacksonville. He was totally defeated when his wife brought him to us. She said, that every night, the witches in that coven would fly up (soul travel or astral project) from Miami to Jacksonville. They appeared in his bedroom and attacked him. One of the witches had put a spell on him because she wanted to take him from his wife! I delivered him from the powers of that coven and taught him how to defend himself by using the name of Jesus.

KNOWLEDGEABLE PARENTS

Parents have to learn to recognize what Satan wants to teach the children. They have to become knowledgeable in the occult teachings that the New Age wants to bring on the world. Parents, grandparents, educators and pastors need to discern the spirit of the times, walk in the light, repel the darkness and take a well-informed stand for God's truth in our day.

Any time the dark side of the supernatural world is presented as harmless or even imaginary, there is the danger that children will become curious and find too late that witchcraft is neither harmless nor imaginary. In a culture with an obvious trend toward witchcraft and New Age ideology, parents need to consider the effects that these ideas may have on young and impressionable minds. Christian parents, teachers, pastors and counter-cult ministry workers are critics of Harry Potter.

Studies report that children are less aggressive when raised in a warm, loving atmosphere. Parents who tend to be cold and stand-offish or rejecting with children will produce more hostile offspring. In the United States, television has become the major form of relaxation after a hard day at the office. But, Americans are being fooled! What they perceive as relaxation is actually stimulating some very unfavorable feelings with visible consequences.

Parental influence is the primary influence. Many parents are often too busy to spend a great deal of time with their children. As a result, children learn through other sources. Remember, the most important word in family board game is family. What your children need much more, than ten different games from which to choose, is a parent with whom to play. Give of you time to your children.

People are rewarded for putting aside their marriages, children, families, communities and churches in favor of the public worlds of work and success. Toys are a bulwark against the many forces of modern society that threaten to tear families apart. Thus, parents often use toys to remind family members of the togetherness they wish to preserve.

Although parents give toys to children to restore strained social bonds and to insure togetherness, the family rarely spends much time playing together. The parent who gets down on the floor to play with a child on Christmas is doing something that will seldom be repeated throughout the year. Giving toys should never be a substitute for yourself. If you give a child an excessive amount of toys without giving personal time, your child will know it. Children can easily become demanding and self-centered as a result of not getting what they really want - your undivided attention.

A child is happy to have a parent to play with, but the adult must refrain from structuring the child's play. If a parent can enter into the child's activity on his level, play can be enhanced. But, the child must lead the way with the toy. A parent must be there only to explain, elaborate or show the child things about the toy. Toy figures that are associated with the fantasy-magical movies must be avoided. A demon will certainly attach itself to these demonic figures and come into your home. Your child will have a supernatural companion that will torment him/her at night. Sometimes they will materialize and become the child's imagery friend. This spiritual playmate will take control of your child's life and control it. This will be a life time experience for the child. I have ministered to many people who describe receiving these playmates through their idolatrous toys. The Bible says, "You should not bring an abomination (an idol) into you're lest you be ensnared by it; for it is an abomination to the Lord your God," (Deut. 7:25, 26).

What is being created is an entire new future generation of adults gradually fed and hardened to the grossest types of pornography.

It is never easy to watch ungodly activity and unbiblical beliefs grow in

popularity, nor is it ever comfortable to take a stand against such problems. The most important thing to remember is that parents must be involved in this issue with their children.

We must totally depend on God and His divine protection and we can know that He is able. We must ask Him for guidance and we must do so continuously. Let us contend for the undefiled faith, not wavering, not growing weary without reservation or compromise. Persevere, but do not despair when people reject your message of Love and Salvation. Rejoice even when they revile and persecute you. The children should be encouraged to participate with us in spiritual warfare. Cleanse the home of rock music albums, demonic toys, Satanic posters, idols, and so forth.

The Bible says, “...and **Believe not every spirit,**” (1 Jn. 4:1). So we are commanded to examine all spiritual matters with our discerning mental faculty to see if it is truly the Word of God that is being delivered. There are evil spirits that can produce false spiritual phenomena. Therefore we are exhorted by the Scripture to examine the spirits and to test the spirits; prove all things; hold fast only to that which is good. Proving all things requires the use of our reason and understanding but we can not rely only to our intellect. **We must not be swayed by our inward feelings.** Yet, we can trust the Word of God with illumination and guidance of the Holy Ghost. But the greatest principle of how to test the spirits is the Scriptures themselves. The Bible is the Truth.

HOW TO TEST THE SPIRITS

According to (1 Cor. 12:3), “Wherefore I give you to understand, that no man speaking by the Spirit God calleth Jesus accused: and that no man can say that Jesus is the Lord but by the Holy Ghost. This is the supreme test of discerning spiritual things. The Apostle, John, said the same thing when he wrote: “Hereby know ye the spirit of God: Every spirit that confesseth that Jesus Christ is come in the flesh is of God: and every spirit that confesseth not that Jesus Christ is come in the flesh is not of God,” (1 Jn. 4:23).

Therefore, the work of the Holy Spirit will always glorify Jesus Christ and point every believer to the Jesus.

The Lord says in (Matt. 24:23), “Then if any man shall say unto you, lo, here is Christ, or there; believe it not. For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect.” Furthermore, seducing spirits can even state part of the Truth to delude and confuse believers. In (Mk. 3:11), we read, “And unclean spirits, when

they saw Him, fell down before Him and cried, saying, thou art the Son of God.” This passage show that evil spirits may at times even confess and identify Jesus Christ as the Son of God.

Christians must never overrule their desire to test and to prove spiritual things by their feelings that this is wrong or they are judging.

The Bible says the believer must test all things that are being presented to them as being from God. Believe not every spirit: but test and prove and try the spirits as whether they be of God. You will not go astray by simply testing scripturally testing spiritual things. The Bible, from Genesis through Revelation, is very careful to explain the power and works of the devil.

CHRISTIAN PROMOTION

When an advertisement appears on Christian television or Christian magazine, it is surely directed to Christians. Please pass this information onto your youth ministers, pastors, clubs, Christian bookstores, and Christian Magazines. Insist on the Magazines that printed the full page ads to print a full page warning retraction for their support of these demonic movies such as, **The Lord of the Rings and The Chronicles of Narnia, Star Wars, Harry Potter.** Don't be surprised if you get no response. That is the tactic of today. Hardly anyone will stand up for Jesus. The parents whose children have been entrapped by this demonic movies have the right and obligation to express their opinions about any ungodly affairs that penetrates the walls of the Church. We must voice our concern. We are looking for our leaders to give us strong guidelines and act responsibly but we are seeing strong compromises being made instead. But, accountability comes with exposure. God alone is to judge those outside the Church (1 Cor. 5:13). Christians are to simply live and discern rightly in the Church and pray and be an example to those on the outside.

WHO NEEDS HELP?

The children's world is full of monsters, fantasies, demons, witches, wizards, robots, zombie- like creatures and devils of all shapes and forms. Parents buy their children anything that their little hearts desire. Many of these things will return in later times to possess and haunt them. Supernatural powers will arrive in their families that hardly anyone has been trained to handle in the American church. God wants Christians to return to Him in prayer and commitments and He will lead them out of the great darkness that has arrived in our nation!

Many children have become spiritually crippled. Do your children wrestle with

problems and out of control? Are your children Bipolar? Do your children suffer from nightmares? Hypertension? Confusion? Are your children depressed? Abused? Afraid? Tormented? Suicidal? Sick? Alcoholic? Addicted? Obese? Homosexual (gay, lesbian)? Witchcraft? Satanist? Brotherhood? Do want them out of the occult or a cult? Are they involved in the bondage of porno? OCD? MPD? DID? Molester? Self-Abuse? Etc.? Your children can be free! The only answer to receive help for all their personal problems is through deliverance in the Name of JESUS CHRIST. The solution is to cast these DEMONS out.
