I am dedicated to warning people about current trends within Christianity which lead believers and non believers away from the truth of God's Word to warning people to preserve the integrity of the gospel in their churches and homes.

PREPARING FOR DELIVERANCE

The devil's battlefield is your mind. You either control and protect your mind, or the devil controls a part or all your mind.

The first step in preparing for deliverance is to come to Jesus with your entire heart, laying down all your idols and confessing all known sin in your life. "If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness," (I Jn. 1:9). "If we say that we have not sinned, we make him a liar, and his word is not in us," (Jn. 1:9-10). The Bible says that we are not to have other gods before Him. Also the Word says, that idolaters will not inherit the Kingdom of God, (Rev. 22:15; Eph. 5:5).

Idols are not just images and statues. It can be anything that you put before the Lord Jesus. Whatever you treasure more than Jesus and will not turn to Him in repentance, then it's wasting your time and the ministers' time, to try deliverance. Jesus said that where your treasure is, there

also, is your heart.

(Hos. 10:12), shows us that we must break up the fallow ground. This ground is wasted, hard and sows with a view to righteousness. A farmer plows the hardened soil, removes the rocks, roots and everything he that would hinder the soil from receiving good seed. He prepares the soil for sowing so that he can produce fruit good for the harvest. The Word of God is our seed. We must remove the strongholds (rocks and roots) from our lives so that we can be the good soil mentioned in Mark Chapter 4.

The Bible says in (I Cor. 3:9), that you are God's field and God's building. The children of Israel had to possess the land to obtain their inheritance. As a believer, you also must possess your land (your body) by reclaiming the redemption that Jesus won for you at Calvary. He has already won the battle by spoiling principalities and power but we must take what is rightfully ours. This is why the Bible teaches that we must work out our salvation with fear and trembling, (Phil. 2:12), "Wherefore, my beloved, as ye have always obeyed, not as in my presence only, but now much more in my absence, work out your own salvation with fear and trembling."

(I Thess. 4:4), says that we know how to possess our own vessels in sanctification and honor, (Isa. 5:1-7) (also Lk. 12:6), tells us that we are the vineyards of the Lord and gives the consequences when our lives produce worthless fruit (thorns and thistle) rather than the fruit of His Spirit (Gal. 22).

(1 Cor. 3:9-11), "For we are laborers together with God: ye are God's husbandry, ye are God's building. 10 According to the grace of God which is given unto me, as a wise master builder, I have laid the foundation, and another buildeth thereon. But let every man take heed how he buildeth thereupon. 11 For other foundation can no man lay than that is laid, which is Jesus Christ."

If for any reason you feel that you cannot meet the above requirements, please go no further. Deliverance is for those people who want to walk with the Lord with a pure heart. His promises are conditional. If experience the total freedom that is yours in Christ, sin must be dealt with (your sins and the sins of your fathers') Satan is a legalese and he knows his rights and will take advantage when we give him ground.

Many Christians are missing the abundant life that Jesus died for them to enjoy because they have a lack of knowledge of God's Word. God says, "My people are destroyed for lack of knowledge," (Hos. 4:6; Prov. 11:9).

"But strong meat belongeth to them that are of full age, even those who by reason of use have their senses exercised to discern both good and evil," (Heb. 5:14).

THE SOUL

Jesus zeroed in on the independence of the soul (the intellect, talent, emotions, and understanding of a man). He instructed that the soul life or fleshly aspects of a Christian by pointing it out as the great battlefield of our Christian experience. He taught the reality of the new birth in spirit. At the same time teaching the carnal, unsaved nature of our soul life. The Lord here links the losing, or repression, of our soul life here on earth with the aspect of His death on the Cross. He depicts the process as a grain of wheat which falls into the earth, but the outer hard shell (or soul) entrapping the fruit (or spirit) must be broken before the inner fruit of the Spirit can come forth. If this breaking can only be achieved by pressure, heart and enduring (trials and tribulations) does not occur, the real fruit of God does not come forth.

Satan's Kingdom remains entrapped within, and he abides alone. True, much is, accomplished in the soul-led life. Man can do many things in his own strength. Large ministries can come forth; missionary zeal, evangelistic crusades with many in great works for the Lord! But it is not that which is done FOR Him, but that which is done BY Him in the Christian that alone counts in the Kingdom of Heaven! ¹

Jesus said: "I can of mine own self do nothing: as I hear, I judge: and my judgment is just; because I seek not mine own will, but the will of the Father which hath sent me," (Jn. 5:30).

Yes, our Lord had an independent soul will have begun the absolute necessity of fearing that self-will, its deceptions, and the great dangers it posed of independent action from the Father. Thus, He early and gladly submitted to all the corrections and discipline of the Father.

To truly aspire to sonship with the Lord: One absolute requirement is that we do no less than our Lord Jesus. We must completely allow our Father's dealings, chastisements and total guidance in our lives, totally accepting, and not despising, every situation in our lives as from His hand. How quickly we bind Satan in every negative situation that brings pain, anguish, sickness, loss or distress in our lives for self-justification or self-preservation is always the soul's immediate response. We fail to realize that even Satan is an instrument in God's hands, and that absolutely nothing can happen to us without the Father's permission. Indeed know the answer that is to bring forth praises for the operation of His marvelous grace daily in our lives, which is altogether sufficient for us.

SCHIZOPHRENIC MIND IS BOUND BY EVIL SPIRITS

Schizophrenic Double-Minded has a psychological, spiritual, emotional and cognitive impact upon the mind. Psychiatrists and Psychologists see it as a mental disorder. Deliverance ministers see it as a spiritual disorder that needs to be resolved through deliverance of demons. It can come in from spiritual family generational curses, demons, drugs, and physical injuries.

Looking at the mind from a viewpoint that its problems can be spiritual than merely a mental problem, will give a person a chance of recovery if the problem is demonic. To put it simply, a person has circuits in the brain that simply are not working. These circuits tell what's right and what's wrong. They show a person what's real and what's not real. These people live in a world of

fantasy. The person is double minded and unstable and fantasy. They hear voices on the inside of their head.

Demons can block the mind's electric circuits causing blurring or reality. These communications channels express an idea of right and wrong. The persons' world is split into breaking fragments to cause the complete wreckage of personality. If you were to compare this fragmentation to a fragmented computer, the files are scattered and causes the computer to malfunction or slow down. The fragmented mind causes mental confusion.

They live in different worlds than other people. For them demons are as much a part of reality as trees in the real world. The victims' imagination is unrestricted by reality. It is a world of illusion of deception or erroneous mental distortions and representations. This causes the victim to live in a world of illusions.

Many refuse to try to understand the eternal struggle between cosmic good and evil, darkness and light, that has progressed throughout the ages. Many Christians are dogmatic in their outlook toward devils and demonic entities that they will say, "demons are not real; they're simply a medieval figments of imagination or superstition. Psychiatrists and Psychologist believe that Satan and his demonic legions are simply the imagination's fantasies of theologians."

Meanwhile the psychiatrist and psychologist simply try to diagnose a person through their experiences and sometimes the only answer is to drug them with powerful drugs that turn them into docile zombies. If the problem is a spiritual one, and is treated from a spiritual aspect, then there can be a possibility of a complete recovery. Demons must flee in the name of Jesus. This minister has witnessed any people healed from this terrible curse of being double-minded.

A diagnostic psychiatrist would say, "neurotic people may live a difficult life, yet they are able to function in society. A psychotic person should be hospitalized before he vents his rages on in innocent victims."

The psychiatrist explained, that a psychotic personality lives in a hallucinatory world, a dream-state of delusions and exaggerated emotional states. Often, their speech and behavior are garbled. The personality is fragmented into "split" or multiple parts. A schizoid personality doesn't live by rational rules. They are usually unable to focus on a single thought, and speech and behavioral patterns become senseless and irrational." Sometimes they act like aliens from another world. For instance, a patient could spend the entire day in an institution, picking imaginary cobwebs out of the air, and holding a conversation with the devil.

It manifests itself by a person acting out two or more personalities. The Bible does reveal that it is a real spiritual problem of having two minds. *"I hate double-minded men, but I love your law,"* (Ps. 119:113.)

The apostle James ties the condition of a double-minded person to his/her thinking that divides his/her mind that switches between two positions. Neither one of these positions holds a firm particular standing in the persons mind. The Bible brings out that this condition concerns a person that exists in a state of confusion resulting in being unstable in every part of his/her life. This state can cause a person to become variable in character or condition highly or violently reactive. This

condition can cause an unsound mind. "But if he asks, he must believe and not doubt, because he who doubts is like a wave of the sea, blown and tossed by the wind. That man should not think he will receive anything from the Lord; he is a double-minded man, unstable in all he does," (Jam. 1:6-8).

The above Scripture says, "*That person is unstable in all his ways.*" Author William Menzies Alexander gives the following characteristic of demon possession. Automatic representation and persistent and consistent acting out a "New Personality." Evidence of a knowledge and intellectual power not possessed by the subject nor explicable on the pathological hypothesis. Change of personality, involving complete change of moral character. These are but the misapprehensions of an uninstructed mind and may be briefly dismissed. The passage from sanity to insanity implies change of personality. The change follows a recognized pathological order. There is sometimes a morbid exaltation of certain faculties; but never any real augmentation of intellectual power. The dictum of esquirol . . . has in view the fact that moral deterioration is an integral part of the morbid process. ²

Schizophrenia from a mental position which things are viewed of a demonic problem occurs when two or more demons (in a person) get so strong that they attract their own cluster of demons and thus a personality in the person is developed by a demon cluster. Most of these clusters are headed by rebellion in one group and rejection of other. This is a severe mental disorder in which contact with reality is lost or highly distorted. This psychosis causes a disintegration of the development of the victims personality. It creates distortions and mental disturbances. This mental disorder can also be developed by living or desiring a secret life.

DOUBLE-MINDED

The schizoid-afflicted personality is divided into four classifications. They are:

- ✓ **Simple Schizophrenia:** These are dull, listless people with very little interest in the people or events around them. The afflicted person lives in an emotionally insulated world, aware of the outside world but indifferent to it. Frequently, these people withdraw until they are not able to do any work. "The simple schizoid personality can be found on the rim of society. They're outside the norm. They may be some small time hoodlums, hobos, prostitutes, or bums or living on welfare."
- ✓ **Catatonic Schizophrenia:** The catatonic may be immobile for days, weeks, or even months, with absolutely no interest in his immediate environment. In this state the patient exhibits certain suggestive traits and will repeat sentences, follow orders, or repeat a childish nursery rhyme endlessly. Abruptly, the immobility may cease and the patient becomes agitated, exploding into violent demonic fury.
- ✓ **Hebephrenia Schizophrenia:** These mentally afflicted individuals regress back to their childhood. They talk with infantile words, often gurgling like a one-year-old baby. Their behavior is silly, pointless, with exaggerated actions; they may suddenly burst into wild, uncontrolled laughter for no apparent reason.
- ✓ **Hebephrenia Schizophrenia:** These are the dangerous people who contain the classic

symptom of madness. They believe they are being persecuted, suffering from hallucinations of grandeur, or even feel that every person they meet is a killer who hopes is to murder them.

- ✓ **Paranoids** can be totally withdrawn and without warning, attack a complete stranger or shoot down a dozen people with out remorse.

The psychiatrists ask this basic question, What causes this illness? What are the reasons for schizophrenia? What causes a seemingly normal person to suddenly explode into a homicidal maniac?

However, another group of scientists believes schizophrenia may be biological in origin and related to genetic heritage but, what about the possibility of demonic possession? Most scientists leave this question to the ancient Christians and to the witch doctors.

TESTIMONY OF A SCHIZOPHRENIC

"Let us say that when you awake tomorrow, you find standing at your bedside a man with purple skin who tells you that he has just arrived from Mars, that he is studying the human species, and that he has selected you fro the on-the-spot examination he wants to make." This is the opening sentence in a remarkable book entitled, (*Operators and Things*), which was written by the pseudonymous Barbara O'Brien. ³

Miss O'Brien, one of the few people who has ever recovered from acute schizophrenia, retained a memory of her frightening experience. She outlined her ghastly recollection in her book. She explained that the Man from Mars would undoubtedly transfix you with his three eyes, and warn that his presence is to remain a secret. He announces that if his presence is disclosed, you will be instantly murdered.

As you consider your sanity, you will be staring directly at the purple-skinned Man from Mars. His image will be very distinct. His appearance will be very real. He will speak in a calm, clear voice. Like Miss O'Brien, you will finally accept the stranger for what he says he is.

Perhaps you don't believe in Martians, Little Green Men or purple-scaled beings, or other unusual creatures. In that event, the figures before you may be the fiery-eyed devil, complete with forked tail and horns. Religious zealots who plunge over the edge into schizophrenia may find themselves before an angry God.

Miss O'Brien and other schizophrenics have reported that the entity remained with them al of the time. If your entity is the devil, he will stand quietly by your bedside when you wake up each morning. He will ridicule you while you're freshening up in the bathroom and he'll sit near you at breakfast. Wrapping his tail around his arm, he will follow you to the office and, depending on the acuteness of your illness, he will threaten, humor, amuse or engage you.

"You do not have to talk and loud for me to understand you," the devil will explain. "You merely think a thought and I can read your mind. After a time you become accustomed to this unusual form of communication."

There is a slender chance that the entity may grow tired of his game and disappear after a short

time. You will return to normal behavior and once again, assume your rightful place in the world. As Mis O'Brien pointed out, in more than 99 percent of schizophrenic cases, the entity is still for months—or years. Once you are in a mental institution, there is a slender possibility that electric shock treatments or insulin shock will dislodge the demon that has been conjured up.

Your companion will begin to direct your life. "Do you see your wife acting as she's preparing your breakfast? He asks, slyly. "You didn't know she was stepping out with your friend. Right this instant, she is thinking about poisoning you."

As you drive to work, the devil sits in the automobile beside you. "See that car behind you? The red sedan dummy . . . yes, that one," he sneers. "It's filled with your best friend's friends. They planned to kill you this morning. Fortunately, I'm with you and my wisdom allowed me to put a protective electro-galvanic shield around your car. You're safe now, but what about tomorrow?"

As you work at your job, the devil assists you with his helpful hints. "Don't spend your time adding those figures," he whispers. "The answer is #3,796.97." You check his answer and, sure enough, old Lucifer is correct.

After an interval of this insidious brainwashing, you gain confidence in the devil. He appears to be a warm, friendly little creature who never lies. You wonder what you would do without him and, once or twice, you may want to tell someone about him. You remember his rule about secrecy and you and the devil share your secret.

Finally, the devil outlines a plan. "Everyone is against you," he whispers. "You're lucky that your wife hasn't poisoned you by now. There's a hardware store down the street. Why not get her first? A little rat poison in here cereal would serve her right. She'll learn to play around with your best friend. He's a bad fellow, too. Why not pick up a pistol and a couple of rifles? While you're in the hardware store, be sure to buy a lot of ammunition . . . "And you start walking toward the hardware store. ⁴

TODAY'S EXPERIENCE

The Author went to pray a person in the state mental institution. Another woman met the author in the hallway.

"You're Pat Holliday." She asked.

I asked her how she knew me. She said that she had attended one of my meetings.

"Are you Christian. I asked her?"

"Yes ," she replied.

"Why are you here?"

She told me that a voice started talking to her mind. The voice told her that he was the Holy Spirit. She started following that voice and doing everything that it told her to do. One day, she walking and the voice told her to step in front of a car. "I am Jesus and want you to come home."

She stepped in front of the car and her relatives put her in the state mental hospital. I asked her if she wanted me to pray for her freedom. She said that she wants me to pray. I called the impersonating evil spirit out that called itself Jesus. She was instantly freed from the evil spirit. Her face became very bright and refreshed. The cloud of darkness was gone. Praise the Name of Jesus.

- Another woman came to our prayer meeting. As soon as I touched her, another personality appeared. "Who are you?" it said. "I'm Dr. Holliday, and who are you?" I replied. She gave a different name than the one that we knew her. This personality did not seem to know the other person that brought her. She came to the prayer meeting with a Bible in hand. She said, "Look at me. I would not be caught dead, dressed like this." She extended her arm forward. "Where am I? Give me a drink . . . I want a drink!" She threw the Bible on the floor and looked at it in disgust. I called the demonic spirit by its name that she called herself while under its power. This woman became healed. Her family was amazed at the change because she had been under psychiatric treatment since childhood. She became a very strong Christian and is still living for Jesus.
- A man came to our meeting. He gave his name as, let's say, John. One day, I was talking about John to another friend. She told me that he sounded like a person that she knew. However, the person that she knew had a different name. She came to the meeting and sure enough, John was the one that she knew. He was living a double life!
- A man called the author today. He said, "I read your book, *Be Free*. Those stories that you wrote about are happening to me. I have a demon that runs from my head to my feet. He feels very hot. The devil stole all my clothes. I can have only one suite. He has sent many demons to bind me and harass me . . . The man went on and on. Then he said, "my pastor told me that I am just crazy. However, when I read your book, I knew that what is happening to me, concerns those same things that you wrote. I need prayer.

REALITY OF MIND CONTROL

Some years ago, a young lady (I'll call her Nancy) twenty-five years old came to our ministry. She was a practicing witch to the level of killing animals in her kitchen sink to worship Satan.

Nancy was in bad physical, mental and spiritual shape when we first met her. Her story was, that both her mother and father had sexually abused her since age two. Nancy's father was a "Christian minister." The things that she talked about fit some of the information that I am going to share.

When she was four years old, she hid under her bed from her father. She was crying when suddenly, she heard a voice say. "Why are you crying, little girl?"

"I'm crying because no one loves me."

"We love you."

"Who are you?"

Then they appeared to her. They were in the form of her little pink stuffed animals! Actually these stuffed toy animals were demons. They became her spirit guides and gained total control of her mind and life. These demons led her life into deep rebellion and witchcraft. After her salvation and deliverance, Nancy became a dedicated Christian. She is working as a nurse in an AIDS Clinic, leading people to the Lord Jesus!

After discovering the reality of mind-control programming, the author believes that Nancy is a product of a mind control handler, which turned out to be her father.

The way it works is the mind control handler also known as programmers, hypnotizes the person and places **demons** into the victim's mind. The purpose of the handler is to create new personalities of a mind-controlled slave. Mind-control programming is a system that different personalities or also called personality parts named alters (demons) can be created and layered into the subjects' mind. Deliverance ministers call these alters demons. These alters (demons) who do not know each other can take control of

the body at different times. The handler will build blackout walls that separate these demonically created personalities.

Many handlers are simply people who usually live a double life. They do work their demonic powers over their children through the use of sexual, verbal and physical abuse. This of course, causes great trauma and fear over the children.

Satan has tremendous control over his captives, I thought. He can control them completely. The Bible says, "But if our gospel be hid, it is hid to them that are lost; In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them," (II Cor. 4:3-4).⁵

DIFFERENT PERSONALITIES

Satan's change agents and mind controllers can cause many different personalities to appear in the person or persons (mass hypnosis) that they have targeted to enslave.

"But I fear lest by any means, as the serpent beguiled Eve through his subtlety, so your minds should be corrupted from the simplicity that is in Christ. For it he that cometh preacheth another Jesus, whom, we have not preached, or if ye receive another spirit, which ye have not accepted, ye might well bear with him," (2 Cor. 11: 3-4).

THE SPIRIT OF AMNESIA

Amnesia walls are built in the mind of the victim by traumas and fear. This spirit causes **memory loss** and **blackouts**. **Traumas** causes deep fear. **Fear** opens the doorway for the **altar** (demon) to enter. The demon takes control of that part of the mind. The **trauma** spirit forms a **protective shield of secrecy** that protects the abusers from being found out. It prevents the front personalities (demons at the doorway of the mind) (can also be called gatekeepers) that control the body much of the time under its programmed order to know how their **system of alters** (demons) are being used. The demon called "**shield of secrecy**" allows cult members to live and work around other people and remain totally undetected. The **front alters** (demons) can be portraying the personality of a wonderful Christian, while the **deeper alters (demons)** can be the worst type of Satanic monster imaginable--a Dr. Jekyll/Mr. Hyde effect. A great deal is at stake in maintaining the secrecy of the intelligence agency or the occult group which is controlling the slave. The success rate of this type of programming is high but when it fails, the failures are discarded through death.⁶

The mind functions

TRAUMA

In recent times, the military and the science of psychology are paying attention to what they call PTSD (post-traumatic stress disorder). PTSD is the psychopathic debilitating effects of trauma and chronic nature of reactions to trauma. Intrusive flashbacks of the trauma will occur if the mind doesn't protect itself from reminders of the trauma. The mind creates avoidance patterns to protect itself from thinking about the trauma. Panic symptoms occur when the person undergoes physiological arousal to traumatic cues. A trauma will create a "breaking into pieces" within the victim. The victim will develop life assumptions about being vulnerable, about having little personal worth, and that life is not fair. They may develop phobias to constantly check their environment for safety and constantly monitor others to make sure they are not mistreated. For centuries warfare has taken place, and military men have experienced PTSD (post-traumatic stress disorder). However, a full description and investigation into the disorder has been done only in recent history.⁷

When the programming is complete, front alters (demons are layered into the mind) have been **created which can function with smiles and cheerful attitudes, while underneath, the mind is full of shattered hurting alters.** These demons, who are layered into mind while the slave (victim) is totally unaware that they are there. Self-punishment and social withdrawal are natural symptoms of PTSD, and the programmers have no trouble enhancing and programming these functions into their alter systems. Certain alters end up holding the anger, the fear, the social withdrawal, the guilt, and the desire for self-punishment. These are held in check by the programming, and take over the body when the slave steps outside of the programmed path. The bad memories in the minds of men who suffer from PTSD have been noted to be recycled and self-perpetuate themselves as they lie unresolved in the memory cells. Bad memories for the victims of programming are used to hold the MPD, the programming in place and also to keep the victim in compliance. ⁸

In 1954, Maslow published his *Hierarchy of Needs*, which when applied to Occult controllers and PTSD victims means that they cannot progress in therapy until their survival and safety needs are met. However, the Programmers/abusers know that it is important to keep the slave away from safety. To this end, the Programmers employ people externally to monitor slaves, and **internal alters** in the victim's mind to be **monitoring alters** and **reporting alters**. Reporting alters can always reach the Network of abusers via 1-800 telephone numbers which change every 2 weeks. They can also call their handler. Reporting alters are very unemotional and serve as tape recorders which mechanically report any developments that might threaten the programming to their handler. Alters programmed to commit suicide are also built into the Systems. For instance, for a system hacker--an outsider-- to work with the alters of an internal Grand Druid Council (aka Executive committee alters, or judge alters) or a System almost insures 99% of the time suicide of the occult slave. ⁹

CONTROLLED SLAVES

In at least 99% of the cases where Monarchs (government controlled slaves) who have come in for therapy or deliverance, they still lack safety, which is a higher need than trying to go against their programming. This is why so few people have really gotten free. To undo the programming, the victim needs safety. The programmers know this, and have set up almost fail safe methods where the victim is not even safe from their own system of alters, let alone Big Brother. Therapists call their Monarch victims "survivors" a misnomer, because in reality they are still in the middle of ongoing abuse. Some therapists may mistakenly think that it is helpful to tell the victim, "These fears you are having are from the past." Deliverance ministries may also try to stop the victim's fears, without understanding the reasons behind the ongoing fear. At this point, it is mentioned in the context to establish to the reader that the mental abuse and torture continue nonstop. Some of this would naturally occur anyway, but the Programmers enhance this naturally occurring phenomena many-fold to insure that the slave will continually abuse themselves. This means as time progresses, some Monarch systems are timed to **shatter certain levels & to create new levels.**

If the Programmers want, **they can shatter a front Christian alter (a demon pretending to be a Christian) level and create a new level of New Age believing alters to replace the original front.** The abuse can be done by the victim themselves to themselves, because programming alters are given the ability to pull up horrific memories **via codes.** Those **traumatic memories, which shattered the mind the first time, are still capable of doing it again when they are abreacted (that is relived by the body & mind).**

More and more people are experiencing working with someone with multiple personalities. However, very few multiples ever discover more than the front parts of their systems. Very few people, outside of the programmers, have much idea of what an entire system of alters is like, therefore some of the things that this book will describe will seem foreign to those people who have learned a little about **multiplicity. There are several models to describe what happens inside a multiple's brain as it develops**

multiple personalities.

The brain is very complex and can be compared to a computer. Recent brain research confirms that the brain was far more complex than imagined. In an average brain there is 10,000,000,000 individual neuron (nerve cells). Each of these has 10 with 100 zeros following it worth of interconnections. In other words, an average brain has vastly more interconnections than the total number of atoms in the universe! Often about ½ million different chemical reaction takes place every minute in the average brain, and the number can be several times that during intense activity. An enslaved brain has been worked on to be even more active than a normal person's brain. The left & the right side of the enslaved brain both work simultaneously, and the various personalities are all busy working simultaneously on different tracks.¹⁰

To describe the complexity of what is happening with someone's mind which has been messed with so dramatically for years, means that at times only an approximate model is presentable. There are several terms which are used in speaking about multiples, which have developed several meanings. Unless these terms are correctly defined, misconceptions about them can cloud an understanding of what happens during programming.

First, researchers have discovered that deep within a person, the brain truly understands in a pure awareness all about itself. This is true for everyone. This pure awareness has been named various names, including **Hidden Observer**. If a man is obnoxious and seems to have a total lack of awareness that he irritates people; just know that deep down an awareness realizes exactly what he is and what he does. The multiple's brain at some deep awareness knows what has happened to it. The term **Hidden Observer is fraught with danger though.**

A demonic entity called the Hidden Observer works hand in glove with the programmer to program the individual. The Hidden Observer is able to see everything the System does. The people who control as slave frequently call up the Hidden Observer to ask questions. In this case, it is a demonic entity, and yet it is this Hidden Observer, which each System has, that some therapists are trying to access to understand the System. This Hidden Observer only tells the truth to its Master, because it is demonic.

Deliverance ministers can call the **Hidden Observer** to become confused and bind his powers so that he will loose his power over all the other demons. In fact you can chain all the other demons to this spirit and call them all out at once.

The next term which is misunderstood is the term "the core." The programmers set up various alters to pretend to be the core, and the core's protector. The real core is quite hidden, and not placed within the regular grid of the alter system's chart.

Deliverance minister can attach all the above mentioned spirits to the Hidden Observer calling out all its roots that are entangled around the mind of the person. If you cut the roots, the roots will easily come out.

Speak the Word of God over the newly delivered person. (2 Tim 1:7), "For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind."

THE TYPES OF TRAUMA

One thing discovered by research into the genetic transmission of learned knowledge by humans to their children was that people are born with certain fears. Snakes, blood, seeing internal body parts, and spiders are all things that people are born fearing. The phobias toward these things are passed down genetically from one generation to another.

Interestingly, the Bible agrees with these scientific researchers. Look at (Num 14:18) "**The LORD is longsuffering, and of great mercy, forgiving iniquity and transgression, and by no means clearing the guilty, visiting the iniquity of the fathers upon the children unto the third and fourth generation.**" Deliverance ministers call this generational curses whereby demons are passed down the

family lines.

In searching for traumas to apply to little children, the Programmers and handlers found that these natural phobias which occur in most people from birth will work "wonderful" to split the mind. Along this line, the following are samples of traumas done to program slaves:

- A being locked in a small confined spot, a pit or cage with spiders and snakes.
- A being forced to kill, and cut up and eat innocent victims.
- Immersion into feces, urine and containers of blood.
- Then being made to eat these things.
- These are standard traumas.

Often a slave will experience not only all of the above but many others before they reach 4 or 5 years of age. It is important to traumatize the child early before it has a chance to develop its ego states. By the way, when the child is placed into a small box with spiders or snakes, they will often be told that if they play dead the snake will not bite them. This carries out two things for the programmers, it lays the basis for suicide programs (i.e., "if-you-are-dead, then you-are-safe" thinking) and it teaches the child to dissociate.¹¹

Traumas to split the mind are not just high voltage, or natural phobias, but encompass the full range of the emotional and spiritual being of the victim. The victim is eventually stripped of every spiritual or emotional resource by a variety of traumas, such as "blood orgies" where male and female genitals are cut, torture sessions on all types of medieval torture machines, staged events where actors imitating God, Jesus Christ, police, and therapists curse the victim, reject the victim, and even "kill" the victim in simulated drug deaths.¹²

Mind control is simply witchcraft. The above shows some of the powers of darkness and their deep work organized by Satan. The mind manipulators are moving to overcome the Christian Church by conquest of the spirit of greed that is found in its leadership.

HOW DO WE BIND AND LOOSE?

We bind the evil spirits' powers and loose the ministering spirits of God on our loved ones, friends, country, business, etc.

For instance, we loose The Spirits of God, such as, Adoption, Grace and Supplication, Truth, Peace, love, joy, sound mind, praise, worship, prayer, holiness, obedience, mercy, conviction, repentance, deliverance and the seven spirits of God, wisdom, counsel, might, knowledge, understanding, fear of the Lord, Spirit of the Lord.

Thank You, Father, praise You, Father, in Jesus' mighty name! To much evidence points to the veracity that modern civilization is plagued by the infestation of evil spirits whose job it is to destroy humans.

"An it came to pass, as we went to prayer, a certain damsel possessed with a spirit of divination met us, which brought her master's much gain by soothsaying; The same followed Paul and us, and cried saying, These men are the servants of the most high God, which show unto us the way of salvation," (Acts 16: 16-17).

Certainly we realize that the Lord said that whatever we bind here on earth is bound in heaven. This we have judged only in terms of the workings of Satan.

We have not understood that this would also apply to the operation of the Lord's will in our lives as well? Thus if Satan's attack in our life is actually from the Hand of God, at His direction, then to bind that working is to do what?

“So will they fear the name of the Lord from the west and East. His glory from the rising of the sun; when the enemy comes in like a flood, the Spirit of the Lord will lift a standard against Him,” (Isa. 59:1).

THE DEVIL WORKS IN THE MIND

How to Get Control of Your Mind

The battlefield is your mind. You either control and protect your mind or the devil will control all or part of it. The Scriptures say that you can keep the devil out. You can:

- (1) Protect your mind (Eph. 6:17).
- (2) Protect your children's minds (1 Cor. 7:14; Jn. 17:12; Isa. 54:13; Eph. 6:11).
- (3) Protect the minds of the newly delivered, (Eph. 6:18; Rom. 8:26:27).

Work at taking authority by using these steps:

- (1) You must become a believer, for this is only valid for believers (Jn. 14:12; Matt. 16:17).
- (2) Break the bondage of Satan over the aware and unaware mind.

Command that all bonds of serpents, chains, cords, metal, etc. be cut off and removed in the name of the Lord Jesus Christ.

Call for the Heavenly Father to send angels with swords to do this (Heb 1:14; Lev 26:13, Isa. 28:22; Job 38:31).

- (3) Daily recite renunciation and warfare prayers and consistently break evil soul ties and curses. Daily break away from all mind-altering medicines such as Valium, Librium, tranquilizers, barbiturates, benzedrine, sleeping pills, etc.
- (4) Keep a right attitude toward deliverance; stay ready at all times to receive more. Any doubt, care, or worry could be a flaw in your protective armor, (Lk. 8:14).

STEPS FOR DELIVERANCE

Deliverance is a process.

- Confess it! (1 JN. 1:9).
- Renounce it! (II Cor. 4:2).
- Count yourself dead to it! (Rom. 6:11).
- Command it to go! (Jam. 4:5-9).
- Apply a fresh blood line of Jesus' blood! (Rev. 12:11).
- Acknowledge your freedom! (Hebr. 10:23).
- Be filled with God! (Eph. 3:19).

Keeping your deliverance

- Stay filled with Holy Spirit, (Rom. 8:13 Gal. 5:16).
- Renew your mind with the Word of God, (Col. 3:16; 11 Tim. 2:15).
- Put on the whole armor! (Eph. 6:10-20).
- Cover yourself the blood of Jesus, (Exo. 12:13).
- Confess the Word! (Rev. 12:11).
- Resist the Devil! (1 Pet. 5: 8,9).
- Submit to God, (Jam. 4:5-10).

- Sing praises to God! (11 Chron. 20:22).

Activity of demons

- Oppressed of the devil.
- (Acts10: 38;) vexed with unclean spirits, (Acts 5:16).

They can cause:

- Dumbness (Matthew 90:32-33),
- Blindness (Matt. 12:22)
- Insanity (Lk. 8:26-35).
- Suicidal Mania (Mk. 9:22).
- Personal injuries (Mk. 9:18).
- Inflict Physical defects and deformities. (Lk. 13:11-17).

- Once they get control over a human body they can come and go at will, (Lk. 11:24-26).

A SPIRIT OF DIVINATION:

Literally, a python Spirit. The priestess of Apollo at Delphi was called PYTHON SPIRIT was thought to be inspired by Apollo, who was associated with oracles. The girl was Demon-possessed, and her uncontrolled utterances were regarded as coming from a god.

Her owners made money for themselves by using her to tell fortunes.

Just as demons recognized Jesus as the Holy One (Mk. 1:24), so this demon knowledge or approval.

Consider Job. (Lk. 22:21 & 32). After doing your spiritual warfare and if you don't see results could we ask: "Father to what purpose is this calamity befallen me?" (Num. 10:9), " And if ye go to war in your land against the enemy that oppresseth you, then ye shall blow an alarm with the trumpets; and ye shall be remembered before the LORD your God, and ye shall be saved from your enemies."

"The Spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the brokenhearted, to preach deliverance to the captives and recovering of sight to the blind, to set at liberty them that are bruised," (Lk. 4:18).

Lord Jesus Christ, I believe that You died on the cross for my sins and rose again from dead and redeemed me by Your blood. I belong and want to live for You. I confess all my sins, know and unknown, to You. I'm sorry for them all. I renounce every sin that I have ever committed and the sins of my forefathers and cover them with Your blood. I Forgive all others as I want you to forgive me. I thank You for the blood of Jesus Christ which cleanses me now from every sin. I come to You Lord Jesus as my deliverer from every consequence of sin. You know my special needs. You see everything binding, and all the evil spirits that are sent by Satan to torment and defile me. I claim the promises of Your Word. I renounce all Satan's evil works. I loose myself from Satan and his devils, in the name of Jesus. I command you to leave me right now in Jesus Name. Amen!

Many Christians are missing the abundant life that Jesus died for them to enjoy because they have a lack of knowledge of God's Word. God says, "My people are destroyed for lack of knowledge," (Hos. 4:6; Prov. 11:9).

The New Testament church made devils tremble and they turned the world up-side-down.

They preached the Word of God. " For the word of God is quick, and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart. 13 Neither is there any creature that is not manifest in his sight: but all things are naked and opened unto the eyes of him with whom we have to do. 14 Seeing then that we have a great high priest, that is passed into the heavens, Jesus the Son of God, let us hold fast our profession. 15 For we have not an high priest which cannot be touched with the feeling of our infirmities; but was in all points tempted like as we are, yet without sin. 16 Let us therefore come boldly unto the throne of grace, that we may obtain mercy, and find grace to help in time of need." (Heb. 4:12). It drove legions of demons. It had faith and power to open prison doors. It healed the sick and converted the masses of pagans.

“Through mighty signs and wonders, by the power of the Spirit of God; so that from Jerusalem, and round about unto Illyricum, I have fully preached the gospel of Christ,” (Acts 19:19). If Paul preached and taught without signs and wonders following, his message would not have had its full impact.

THE NAME OF JESUS

(Acts 4:10-12). "Then all of you and all the people of Israel should know that it was in the name of Jesus Christ, the Nazarene whom you crucified, whom God raised from the dead; in His name this man stands before you healed. He is the 'stone rejected by you, the builders, which has become the cornerstone'. There is no salvation through anyone else, nor is there any other name under heaven given to the human race by which we are to be saved."

We have a commission to preach the Word, walking in agreement with the power of Jesus Christ! “His delegated power to usward who believe, To the praise of the glory of his grace, wherein he hath made us accepted in the beloved. In whom we have redemption through his blood, the forgiveness of sins, according to the riches of his grace; Wherein he hath abounded toward us in all wisdom and prudence; Having made known unto us the mystery of his will, according to his good pleasure which he hath purposed in himself: That in the dispensation of the fulness of times he might gather together in one all things in Christ, both which are in heaven, and which are on earth; even in him: In whom also we have obtained an inheritance, being predestinated according to the purpose of him who worketh all things after the counsel of his own will: That we should be to the praise of his glory, who first trusted in Christ. In whom ye also trusted, after that ye heard the word of truth, the gospel of your salvation: in whom also after that ye believed, ye were sealed with that holy Spirit of promise, Which is the earnest of our inheritance until the redemption of the purchased possession, unto the praise of his glory. Wherefore I also, after I heard of your faith in the Lord Jesus, and love unto all the saints,” (Eph. 1:6-15).

Jesus has been raised and seated at the right hand of Father God. He is ruling in power and distributing His power to the ones who believe.

HOW TO BE BORN AGAIN

ACCEPT GOD'S WORD: THAT HE LOVES YOU AND WANTS TO GIVE YOU AN ABUNDANT LIFE.

For God so loved the world that He gave His only begotten Son that whosoever believeth in Him should not perish; but have everlasting life." (Jn. 3:16). "I am come that they might have life and that they might have it more abundantly." (Jn. 10:10).

ACCEPT GOD'S WORD: THAT YOU ARE A SINNER; THAT THIS SEPARATES YOU FROM GOD--- THAT YOU MUST TRULY REPENT or "turn away" from sin. "For all have sinned and come short of the glory of God." (Rom. 3:23). "For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord." (Rom. 6; 23). "But God commendeth His love toward us, in that while we were yet sinners, Christ died for us." (Rom. 5:8).

ACCEPT GOD'S WORD: THAT JESUS CHRIST IS OUR ONLY CONTACT WITH GOD. "Jesus saith unto him, I am the way, the truth and the life: no man cometh unto the Father, but by

me." (Jn. 14:6). "For there is one God, and one mediator between God and man, the man Christ Jesus." (1 Tim. 2:5).

RECEIVE JESUS CHRIST AS SAVIOR AND LORD BY YOUR PERSONAL INVITATION. "But as many as received Him, to them gave he the power to become the sons of God."(Jn. 1:12). "Behold I stand at the door and knock; If any man hear my voice, and open the door, I WILL COME INTO HIM . . ." (Christ speaking in Rev. 3:20).

"Holy Father, I am a sinner. I am hell bound, I believe, and I am wholly convinced, that Jesus Christ died for my sins. I now confess with my mouth that Jesus is Lord. I confess in my heart that you have raised Him from the dead. I repent of all my sins, both of commission and omission. Jesus, come into my life and reign as my Lord and as my Savior. Thank you Father for saving my soul. Amen.
