PAGANISM

Festival ~ Fire Tunnels ~ Holy Ghost Parties ~ Gatekeepers ~ Portals, Wormholes Star Gates ~ Tribal Dancing ~ WELCOME TO OUR CHURCH LEADERS OF TODAY!

“For rebellion is as the sin of witchcraft, and stubbornness is as iniquity and idolatry. Because thou hast rejected the word of the LORD, he hath also rejected thee from being king.” (1Sam.15:23).

WHY DOES C. PATER WAGNER CONSTANTLY USE THE TERMINOLOGY “ALIGNMENT”?

In C. Peter Wagner’s July 11, 2008 Global Harvest Ministries newsletter, titled ‘Alignment! Looking toward the Future’ Wagner announced that, “our desire is that Chuck Pierce, our son in ministry, become the heir to GHM”.

COVER UP

I BELIEVE A GREAT MAGICAL COVER UP IS HAPPENING BEFORE THE EYES OF THE CHURCH, USING TODD BENTLEY’S SINS OF ADULTERY AND ALCOHOLISM TO HIDE THEIR TRUE SECRETED AGENDA.

Until Christian leadership see that these men are not practicing the Christian faith that was once delivered to Saints, there will be no correction within the Christian Church. Todd Bentley’s moral failures are not the blame for the bankruptcy of the Lakeland Revival, witchcraft broke its back.

The giant white tents are gone now, and so are the crowds of thousands. The evangelist, disgraced, is in hiding. The revival carries on as a bare remnant of its former glory.

SCOTT WHEELER | THE LEDGER

For four months, the Florida Outpouring was an international phenomenon. A 32-year-old Canadian evangelist and faith healer named Todd Bentley came to Ignited Church in Lakeland on April 2 for what everyone assumed would be several days of services. Fueled by live Internet streaming and TV broadcasts of the services, attendance swelled to anywhere from 3,000 to 10,000 per night, many of the people coming from far-flung states and other countries.

Now followers and observers are left to wonder what the legacy of the Florida Outpouring will be. Will it be remembered for its rapid growth and for its claims of spectacular miracles?

Will it be regarded as a spiritual circus, filled with outrageous sights but little substance and even dangerously misleading teachings? Or will it be an event in which there was good despite the flaws of its leader?

It has left the Charismatic and Pentecostal churches in crisis.

The New Apostolic Reformation

(The New Age Movement features the quest for the "Holy Grail" as a path to transcendental or higher consciousness.) "Because of today's broad acceptance of Eastern mysticism a worldwide There will be more and more spiritual emergencies as thousands of people become involved in the occult. Oblivious of the possibility of demonic possession, Marilyn Ferguson's "Brain/Mind" bulletin explains what might be a spiritual emergency: "A loss of body awareness, strange visions,...uncontrollable tingling or shaking of the body may be attributed to spontaneous release of "kundalini" energy from the base of the spine. One may feel a loss of personal boundaries, leaving one uncertain where the body ends and the rest of the world begin. Such experiences are common among people involved in yoga, meditation and other spiritual disciplines."¹

Are these so-called Christian men and women practicing New Age Cosmic Consciousness?

When Peter Wagner says, “We are going to open the portal to the nations” and “Todd you are the “portal to the future. . . We came to align Todd Bentley. . .” What does he mean? Do we ever see Jesus or His apostles opening witchcraft portals or aligning people into His ministry? These activities are DIFINATELY NOT BIBLICAL CHRISTIANITY MY FRIENDS. Look and see for yourselves that these men are simply practicing the Aquarian Gospel of the New Age.

The mysticism in the New Age is surely the common denominator. Although they talk about Jesus, it has really "another Jesus", unquestionably not the one of the Bible, born of a Virgin, Who died for our sins, was raised from the dead, ascended to the Father, and returning again in victory! Eastern Religion has many gods. Jesus is merely added to the end of their list of gods. They refer to their gods by many names such as, "infinite one, cosmic consciousness, the universal mind, Krishna, Buddha.

Is God a super duper light being that will open a gigantic stargate in year 2012 enter into the “cleansed earth” believed by these extremely fanatical men who think that Jesus will be received back into the Garden of Eden that they have prepared for Him?

Is He (God) a planet that sings and makes sounds that can heal our bodies and change our DNA? Is He God that sends created light beings called angels to lead revivals and spread ant biblical doctrines to His Church? Is He a God that has given His power that the Bible says only belongs to Jesus Christ to do miracles?

Or will He be the Sovereign God of the Bible. Jesus who will victorious return, capture their god the Antichrist, the false prophet and the Devil and cast them into the pit? The Divine One that we are looking for, preach about and know by our spirit connected to Him?

LET THE HEATHEN SPEAK: GALACTIC ALIGNMENTS FROM A PAGAN'S POINT OF VIEW

<http://www.estaraweb.com/galacticalignmentnews.html> (not Christian site).

Galactic Alignments are gateways that are created by a particular alignment of the planets and stars of our universe with the Earth. When planets or stars move into a geometrical position in relationship with the Earth, it sets up a communication channel. This channel is a gateway for information to flow through. The more conscious and receptive we are of this available channel, the more we can open to receive, assimilate and utilize this energy and information in our lives.ⁱⁱ

CHUCK PIERCE'S BIZARRE PROPHETIC "MINISTRY"

For a sampling of Chuck Pierce's bizarre prophetic "ministry" visit <http://video.google.com/videoplay?docid=-5403103165515642694>, starting around minute 44 of this 52-minute video. You'll hear some of his strange prophetic utterances. To even begin to remotely understand the concept of "**singing with the planets,**" however, you'll have to watch the entire video.

You will also become aware of the fact that they are also attributing "healing energies to the sounds of planets and interacting with the sounds. You will see a strange woman on the platform doing a very witchy looking dance. You will see a "prophetess decreeing that a new beginning has begun and proclaiming their bodies are being healed by the sounds. The blowing of the shepherd horns into the universe are supposed to "align" their spirits, earth with the universe. The people react with New Age style worship and pagan dancing. This Cosmic worship is the creepiest stuff that I've ever witnessed in my life.

Incidentally, as favorably reported by Peter Wagner, that special "Be Revived" oil is what was used to anoint Todd Bentley by the "apostles" at his commissioning ceremony on June 23rd. When he was touched with that special anointing oil, Bentley "went down under the power," and "the power of the Holy Spirit was so heavy on that event that you could have cut it with a knife!" reported Wagner. Two days later in Lakeland, celebrated "apostle" Chef' Ahn used that same special oil to personally anoint the 1,000 or so pastors who were present to be "carriers of the fire" to their churches. Forty-seven nations were represented in that meeting. Wagner also recently reported that, although "Lakeland 1" is over, "Lakeland 2" has just begun.ⁱⁱⁱ

Erwin McManus & the Five Elements

<http://herescope.blogspot.com/2006/11/erwin-mcmanus-five-elements.html>

Erwin McManus is an emerging church leader, author of *The Unstoppable Force*, and lead pastor and self-professed “cultural architect” of the Mosaic church in Los Angeles. He believes that the church needs to shape a cultural movement, an *apostolic ethos*. To create this *apostolic ethos* he has reinvigorated the five elements that come from ancient pagan spirituality.

ARE THESE SEDUCED CHRISTIANS ACTUALLY PRACTISING WITCHCRAFT?

http://www.scribd.com/doc/3822823/-Todd-Bentley-Peter-Wagner-Star-Gates-Synchromysticism-the-Wizards-of-the-NEW-AGE-Christ-?from_related_doc=1

The website <http://theoriginsproject.org/> depicts these five elements.

WIND: Commission: Mission is why the church exists: People matter most.

WATER: Community: Love is the context for all missions: Love permeates everything.

WOOD: Connection: Structure must always submit to spirit: Passion fuels action.

FIRE: Communion: Relevance to culture is not optional: Relevance communicates truth.

EARTH: Character: Creativity is a natural result of spirituality. Character creates change.

CHUCK PIERCE SINGING WITH THE SINGING PLANETS

If there is one thing I have learned about the self named apostles and prophets of the New Apostolic Reformation, it is this. It can ALWAYS get weirder. A recent circulating YouTube video clip of Chuck Pierce and Robert Heidler has proved this yet again. This relatively short clip was taken from a larger one in which we see Pierce extolling the virtues of singing with the planets - the sound of heaven. He tells the audience that some of their organs will come alive. What exactly does that mean? He claims that he can see strands of DNA being reprogrammed by the sounds of heaven and that he can see the earth rising up to the sounds of heaven to bring forth the plan of the land. A grey haired lady with the eyes of a cheap fortune teller, makes an appearance a few minutes in and gives a prophesy that I can only describe as creepy. This is followed by strange sounds by a man on stage. I give this a 90/100 on the weirdness scale.^{iv}

PORTAL TO THE NATIONS

Do you suppose that Peter Wagner evidently could be chosen by the government to supernaturally open the "**PORTAL TO THE NATIONS?**"

This group of "respected" Christians is nothing more than full fledged occultists of the highest order. They are gathering people and working their powers of darkness to open the door of the church to snatch the souls of Christians and turn them into spiritual zombies to prepare them to receive the Antichrist.

Galactic Alignment News (Not Christian) Shows Contrast to New Age Agenda

Recap on the Last Galactic Alignment

Feb 23rd

Our last Galactic Alignment at Adam's Portal, was during a powerful Moon conjunct the Super Galactic Center where Venus played an important part.

Thank you all for coming! Part of the ceremony was balancing and establishing right relationship in our partnerships, friendships and in all relationships in our life. We really put that one into full motion, as many have reported. We still have Venus playing her role to align us with the highest qualities of love, beauty, attraction, harmony and joy - personally and in relationship. We are bringing the harmony in our life and in relationship to another level with this upcoming alignment at the Equinox. Get ready!

In last month's ceremony we also played with discovering where our impulse to action is coming from on a visceral energetic level and what the motivation is behind the impulse. Then we consciously sourced where our divine impulse is originating from and aligned that divine impulse with action. At the Spring Equinox we will again be creating with impulse energy, this time originating from thought energy.

It's always so powerful for us to resonate our hearts together with focused intention through sound. From the resonance of beauty in our hearts that the group harmonically unified with, we allowed ourselves to receive our vision of the future - the collective dream. We joined our visions of the collective dream together, enhanced by the higher spiritual energies of Neptune, and sounded them out in a harmonic union of divine energy.

. Spring Equinox Wednesday, March 19th ~ Occurs at 7:49pm - Hawaii Time

The Equinoxes and Solstices are the Four Cardinal Points that form the overlaying grid on the planet.

These are the four points of equilibrium where we establish balance in the grid on Earth. The Spring Equinox is a time where we start a new cycle. The Sun moves into Aries at 0 degrees to establish the equilibrium point of the Spring Equinox. The cardinal sign of Aries, initiates a new impulse for the whole year. Aries rules the brain and the head, our thought processes and how we project our thoughts into impulse energy. Un-refined Aries can be crude, warlike and an angry energetic force. Re-fined Aries, is a pioneering spirit, passionate, enterprising and dynamic. The energy of Aries ignites as pure thought energy. It initiates a new impulse in our brainwaves, travels through our body and then goes into action. The key here is to have the seed thoughts be aligned with our higher self to set us into right motion for the new cycle of the year. So at the Spring Equinox we plant the new seed thoughts, set them into motion, and start the learning process again of being our true-selves.

With the Moon and Saturn conjunction we will be harvesting from the old cycle, and freeing our self from the past in order to start a new cycle.

With Moon in Virgo Opposing Venus, Mercury and Uranus Conjoint in Pisces we have an opportunity to discern and become aware of what diversionary energies come into our field

of energy through our feelings (Venus) and nervous system (Mercury) so we can choose to be clear and centered in our higher self (Uranus).

With the Four Cardinal signs being activated - Sun in Aries, Full Moon in Libra, Pluto in Capricorn and Mars in Cancer - this is a major point of balancing for the grid on Earth. We are anchoring pure equilibrium in self and on the planet.

Jupiter will be Sextile Uranus - forming the 6 Pointed Star energy pattern. This sacred geometrical energy pattern is formed by the way Jupiter and Uranus orbit each other and will be harmonizing and enhancing world peace.

Finally, the Full Moon energy is initiating at the equilibrium point of the Spring Equinox. This is our first access point of this energy dynamic that is building to its fulcrum point (exact full moon) on Friday, March 21st at 8:40 AM Hawaii time. This is an extremely rare and special full moon energy that gets ignited at the time of the Equinox because this Full Moon conjuncts the Super Galactic Center!

The Moon is like a lens that magnifies energy information. When the Moon is full, this is when we have maximum awareness - everything is magnified. With the Full Moon conjunct the Super Galactic Center, the 0 degree cardinal Libra point, the energy emanations from the center of the galaxies will be focused through the lens of the Moon into the Earth. This is very rare for us to have a Full Moon conjunct the Super Galactic Center - it hasn't happened for hundred's of years. This is a special and powerful time for us to align with our cosmic purpose and set it into the grid on the planet.

All of these amazing planetary alignments are opening gateways for energy to flow. Join us for Spring Equinox - Sound Celebration Meditation - at Adam's Portal Wednesday, March 19th 6:30-7:00 arrival - enjoy the portal on the bay 7:00 - Ceremony begins.

COMING IN THE NAME OF CHRIST

The apostle Peter indicated that many would come in the name of Christ, yet deny Him as both Lord and Savior.

“But there were false prophets also among the people even as there shall be false teachers among you, you privily shall bring in damnable heresies, even denying the Lord that bought them, and bring upon themselves swift destruction. And many shall follow there pernicious ways; by reason of whom the way of the truth shall be evil spoken of. And through covetousness shall they with feigned words make merchandise of you: whose judgment now o a long time lingereth not, and their damnation slumbereth not.” (II Pet. 2:1-3).

The apostle also said that these same apostates would make merchandise of the members of the churches. In other words, like the Nicolaitians, they would use the money to gain advantage. These new mystics, Nicolaitians men and women have introduced powerful New Age Gatherings

that have been selected by using magical numbers and manipulating masses of people by magical thinking. Now they are leading this New Breed, Third Wave, Latter Rain, Manifested Sons of God, into the New Age worship of the stars, planets and the sun. There have been numerous published statements by leaders in the Emergent Church, Evangelical, and Charismatic which are completely heretical, and apostate.

“Preach the Word; be instant in season, out of season; reprove, rebuke, exhort with all long suffering and doctrine,” (1Tim. 4:2).

Every Christian understands ministries that fall into adultery, drinking and drugging and sins of flesh usually lose their spiritual stature. **Hardly any understand spiritual adultery and sins of the spirit.** The best thing to cover the spiritual adultery is simply make Todd Bentley the scapegoat of the Lakeland Outpouring and then no one will remember magical thinking of the strange group that arrived to save his weird revival and their New Age mysticism. The America Christian church simply does not understand that witchcraft that has been infiltrating the church for several decades and now works as a fifth column operating in many fellowships.

Why do C. Peter Wagner, Church Pierce and Rick Joyner all seem to speaking in new terminologies that most Christians have never heard before. They speak about “Opening Portals,” “digging new wells,” astral projecting into a place they call “the Third Heavens and Galactic Alignments and Gateways.” No one understands Wagner’s concepts of “Territorial Warfare, connecting earth to heaven, opening gates to cities and nations and giving certain ministers territorial powers.”

However, if the church had understanding that all witches and wizards are given spiritual reign over territories according to their spiritual levels of achieved powers, then, the church leaders would then be able to understand the commissioning ceremony (ritual) preformed over Todd Bentley on June 23, 2008.

Witches compete for powers on Halloween. The witch that can display the greatest power is awarded certain territories. The witch will receive all the fiancés and benefits of ruling over that particular territory. Doreen Irving, England, in her book, Freed from Witchcraft, reveals how she became “Queen of the Witches” of Europe. She traveled around the world for Satan and stayed in the most beautiful mansions, met top stars and politicians.

In Todd Bentley’s case, he had achieved in several months, an exploding worldwide revival. This means, in this new mystical movement, he became their selected candidate to open their long prophesied Latter Rain revival to take over the Christian system to rule and control it. These mega manic apostles and prophets are all about worldly and spiritual power. Peter Wagner, "presiding apostle" of the International Coalition of Apostles, was one of those who endorsed Bentley that evening, publicly stating, “This commissioning represents a powerful spiritual transaction taking place in the invisible world. With this in mind, I take the apostolic authority that God has given me and I decree to Todd Bentley, your power will increase, your authority will increase, your favor will increase, your influence will increase, your revelation will increase.”

In the Christian Church, Wagner was taking authority that only the Spirit of God possesses. There is absolute no scripture for Wagner to stand on to release such spiritual gifts to Bentley. The words of the Apostle Paul ring true when he says, "Let no one deceive you by any means: for that Day will not come unless the falling away (*apostasia*), "apostasy," come first, and the man of sin is revealed the son of perdition." II Thessalonians 2:3 In the same passage Paul warns of a signs, lying wonders, and a strong delusion. There is a very disturbing parallel occurring in America, Europe, and the rest of the world. The masses of people, including Christians, are looking for the Messiah in their political leaders.

TODD BENTLEY "PORTAL TO FUTURE" CLOSED DOWN!

Todd's departure from Lakeland, and Todd's handing the tattered remains over to Stephen Strader, here is the spin on Todd's leaving Lakeland direct from the Fresh Fire website. Since then, the Spirits of angels have led tens of thousands, if not hundreds of thousands via the internet and television, to be captured by the mystical movement

Where is the Jesus of the Third Heaven? Where are the miracle worker Todd Bentley and his miracle working angels? Wagner's false prophecy over Todd Bentley that he was "the portal to future" has proved to be untrue and convinced the powers that be into moving the "Ark" (Todd Bentley) from the cradle and into the harvest fields. Has the lion lost his teeth and is hiding in the lion's den?

Joyner is also a well-known author of more than thirty books, including his best-selling [The Final Quest](#) series published by [Whitaker House](#). He is a highly sought-after speaker at international conferences. A number of his books are about the [prophetic](#) ministry in the modern church, including several books (*The Harvest*, *The Final Quest*) based on heavenly revelations he claims to have received himself, always stressing that no prophetic revelation can contradict scripture. Morningstar publishes a Prophetic Journal edited by Joyner quarterly, and his ministry is also known for their conferences and [worship](#) music.

Recently, MorningStar purchased part of the [Heritage USA](#) complex (originally established by [Jim Bakker](#) and [PTL](#) in [Fort Mill, South Carolina](#)), including the Heritage Grand Hotel, which is being refurbished as a conference center and ministry base. The complex has been renamed [Heritage International Ministries](#) or **H.I.M.**

The Final Quest is the first book in a three book series written by [Rick Joyner](#). First published in 1997, the book is written from the perspective of the author relating a series of open visions that he claims to have experienced. The book has been firmly accepted by some yet firmly rejected by others. This is due to the many characteristics that make it controversial among circles of conservative Evangelical Christians^[1]. **Much these controversies stem from the fact that Joyner claims to have been transported to heaven and to have had extended conversations with Jesus as well as with past Saints.** The book speaks of [spiritual warfare](#) and an impending 'civil war' within the church where the true and faithful Saints continue forward and those who are deadweight fall away. **It also speaks of the 'throne room' where Joyner saw saints in different positions, some as 'foolish virgins' who resided far back from the throne, and others as 'overcomers' who were on thrones near the throne of Jesus.** It became obvious to Joyner that many of those he considered great Christian leaders on earth were actually the least in the sight of God, and some who he considered to be 'nobodies' were actually the greatest kings in God's kingdom. **Joyner saw a man who Joyner considered had 'gone off the rails' in his teaching, sitting on a great throne in the highest part of the throne room. This man is believed to be the late [William Branham](#) (although Joyner does not mention his name, his description of the man makes this obvious).**

Some wish that Joyner had written the book as fiction so that the book could be marketed to a larger audience and avoid many of the controversies surrounding it. A book which has taken this approach is [The Shack \(novel\)](#). However, others (including the author) say that the author cannot lie about what happened to him. Joyner wrote that he is not totally sure that the conversations that he had with past Saints actually were real people, or if they were a representation of them. **It also needs to be stated that the concept of 'open visions' and being 'transported to heaven and back' are increasingly becoming more common and accepted by the western church and the other parts of the church worldwide have been more comfortable with this area for quite some time now.**

Charles Peter Wagner (1930-) is a former professor of Church Growth at Fuller Theological Seminary School of World Mission. He coined the term [Third Wave](#). He is the founder of [Global Harvest Ministries](#), and co-founder of the [World Prayer Center](#).

Wagner and his wife, Doris, live in [Colorado Springs](#) and were attending [New Life Church](#) in 2004. However, as of 2006 they were attending Dutch Sheet's "Freedom Church". They have three adult children, and seven grandchildren.

Dr. **Charles D. "Chuck" Pierce** is an ordained [minister](#) and serves as President of [Glory of Zion International Ministries](#) in [Denton, Texas](#). While Dr. Pierce's own [ministry](#) focuses on [prophecy](#), much of his activity focuses on supporting other ministries in the [apostolic](#) movement. Dr. Pierce travels and speaks throughout the world, and has produced many teaching books, articles, tapes and videos^{[[citation needed](#)]}. He has co-authored eleven books including *The Future War of the Church* and *the Worship Warrior*.^[1]

Pierce has a degree in Business from [Texas A&M](#), and has done work at the [University of North Texas](#) toward a Master's degree in [Cognitive Systems](#). He has a Doctorate of Practical Ministry from the [Wagner Leadership Institute](#), which was founded by [C. Peter Wagner](#).

Additionally, Pierce is a prominent member of the [International Council of Apostles \(ICA\)](#), of which Wagner is the founder and Chancellor. The ICA describes itself as "a professional society of apostles" who possesses "the authority to establish the foundational government of the church."

He resides with his wife Pamela Pierce and their six children in Denton, Texas.^[1]

WITCHCRAFT MANIPUATION OF THE CHURCH

A great bombardment of psychic prophets, astrologers, spiritists, Espers, hypnotists, flying saucers, space saviors, mind mixers, mind manipulators, mind movers, false prophets of the East, witches, devil worshipers, including séances, occult games and occult movies are presented as having the answers to all life's problems. People have been sold the bill of goods that occultism is "exciting and wonderful". People today have an insatiable thirst for knowledge of the "other world". Many are convinced that life holds mysteries beyond what our five senses show. They are right!

Everyone from presidents to common people, the educated to the unlearned, the spiritualist to the entertainer is affected by this intense yearning to know how to cross the bridge between two worlds. That the "beyond exists is commonly accepted today. The "beyond" is now being probed and analyzed by a group called "New Reformation of Apostles and Prophets." From opening "portals to the Third Heaven" to endorsing an occultist, Todd Bentley, these men's belief system should be examined by Christian apologist of the faith. Their new founded paranormal practices must be discerned, exposed and rejected.

Todd Bentley's failures cannot be understood by the Church of Jesus Christ unless it is examined through the examination of witchcraft and eastern mysticism. C. Peter Wagner, Chuck Pierce, and Rick Joyner's theology cannot be understood except it is investigated through the spirituality of the New Age Religion and sound Biblical doctrines.

Bentley should have been rejected by the Christian Church because his faith was not based upon sound Christian guidelines but questionable doctrines, esoteric astral projection trips to the “Third Heavens, Buddhists angelic beings, encounters with dead people, rebellious violent unconventional style. No one attempted to check his exaggerated and sometimes outright false reports of miracles. Rather they were used to draw people and collect money. His entire concept of Christianity was founded in eastern mysticism. The spirit by which he was anointed can be found in Buddhism and Hinduism and a spirit is called Kundalini Awakening. Bentley and his mentors all admit that they talk to the dead which is absolutely forbidden by God. It is a superhuman knowledge of the spirit dwelling the human body that makes a medium a wizard. One of the means of seeking power is by the use of drugs (alcohol) the human brain is tormented and sometimes destroyed.

“There shall not be found among you any one that maketh his son or his daughter to pass through the fire, or that useth divination, or an observer of times, or an enchanter, or a witch. 11 Or a charmer, or a consulter with familiar spirits, or a wizard, or a necromancer. 12 For all that do these things are an abomination unto the LORD: and because of these abominations the LORD thy God doth drive them out from before thee,” (Deut 18:10-12). KJV

One lesson we can all learn from Lakeland is that you can toss out the gospel found in the Bible, and follow a deluded person who kicks and punches people who are seeking healing, regularly chat with angels with names like “Angel of Healing”, “Winds of Change”, “Liberty”, and “Emma - O,” act like a stupid drunken fool, impart (transfer) your false anointing so that others can spread these counterfeit blessings around the globe, repeatedly exaggerate and lie about miracles and people being raised from the dead, gain riches in the process through powerful chancery, and be a successful minister in the U.S and GodTV. But whatever you do, don't divorce your wife. That could ruin you (at least temporarily).^v

His ministry has led many uninformed sheep into receiving a new gospel, another Jesus by another spirit. His ministry, in the days ahead will turn up many spiritually sick, physically sick and mentally sick people who will become very tormented due to powers of their contamination from these strange spirits that they have become infected with. spiritual blindness.

“Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; 2 Speaking lies in hypocrisy; having their conscience seared with a hot iron;” (1 Tim 4:1-2), KJV

A few ministries are already reporting these oppressed people coming through their ministries. We are now experiencing these tormented people in our ministry. Frankly speaking, I am not concerned about Todd Bentley's sex life or his alcoholic sins. I am concerned about the captured souls and a slumbering church that cannot see the invasion of so-called church leaders who are no longer preaching the Gospel of the Church of Jesus Christ but preaching by the power of seducing spirits and doctrines of devils.

Perhaps the crowning moment of the Lakeland meetings was June 23rd, when a number of prominent charismatic "apostles" and "prophets" publicly endorsed Bentley's ministry and the revival he was leading. Charisma magazine, in an article titled, "Leaders Commission Todd Bentley at "Lakeland Outpouring," stated that "The special service was billed by leaders as one of the greatest moments in revival history." One well-known charismatic leader, an "apostle," described that event as "a commissioning ceremony, complete with decrees and prophecies of going to higher levels, predictions of Todd's increasing world-wide influence and leading a world-wide revival, emphatic and prolific endorsements of his character, etc." Peter Wagner, "presiding apostle" of the International Coalition of Apostles, was one of those who endorsed Bentley that evening, publicly stating, "This commissioning represents a powerful spiritual transaction taking place in the invisible world. With this in mind, I take the apostolic authority that God has given me and I decree to Todd Bentley, your power will increase, your authority will increase, your favor will increase, your influence will increase, your revelation will increase."^{vi}

The New Testament church made devils tremble and they turned the world up-side-down. They preached the Word of God. These new "apostles" endorse doctrines of devils and the demons mock and laugh at them. The Church must turn its back on these new false ministries and instead of "soaking themselves in hypnotic- trance music" it's leaders need to repent, seek deliverance and must soak themselves in the Word of God, returning Jesus at the center of their ministries.

"For the word of God is quick, and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart. 13 Neither is there any creature that is not manifest in his sight: but all things are naked and opened unto the eyes of him with whom we have to do. 14 Seeing then that we have a great high priest, that is passed into the heavens, Jesus the Son of God, let us hold fast our profession. 15 For we have not an high priest which cannot be touched with the feeling of our infirmities; but was in all points tempted like as we are, yet without sin. 16 Let us therefore come boldly unto the throne of grace, that we may obtain mercy, and find grace to help in time of need." (Heb. 4:12).

"He that hath an ear, let him hear what the Spirit saith unto the churches; To him that overcometh will I give to eat of the tree of life, which is in the midst of the paradise of God," (Rev 2:7).

We are living in the church of the five senses. It has, frequently, long departed from its inherited position of Godly supernaturalism. A church stripped of its supernatural authority is helpless in the face of a secular mystical revival. This type of church will be powerless in the crises because only a stronger power can supersede another power. A church that has let its supernatural, Godly power cease cannot see the problem, let alone fight it.

According to author Ms. Ferguson, "The idea of a "God within" is particularly disturbing. The religious point of view embodied in the holistic health movement, is an integral part of the

mystical world-view that is making a coordinated thrust into every aspect of our cultural consciousness. It is not a fad, it will not go away, and it is fundamentally hostile to Biblical Christianity." ^{vii}

SICK PSYCHIC LIFE

Psychics are being accepted on television and used by police to help solve murders and give "valuable information" in crimes. The use of mediums or psychics by institutions and conservative law enforcement agencies is not new and has become commonplace. With society generally accepting the validity of ESP, the increase of psychic activity can be seen everywhere; in every city, we find "The Psychic Yellow Pages", listing hundreds "genuine" psychics, astrologers, holistic centers, palmists, numerologists, graphologists, tarot readers and research organizations!"

Strong Christian Biblical teaching and preaching Jesus as the center of ones spiritual health is no longer target. Instead the two realms gradually blended into what is now known as **The New Apostolic Reformation**, carries doctrines called the Third Wave, Latter Rain, The River, prophets and prophets and ministers that preach astral travel, reincarnation, psychic healing, meditation, spirit guides, angels, false signs and wonders and prayer to ("to the universal God and planets"). Meanwhile, everyone is totally consumed with the fallen sex and sin state of Todd Bentley.

Kundalini Syndrome

[From Wikipedia, the free encyclopedia](#)

Problems have been known to occasionally arise from Kundalini rising^{[56][57][58]}

The following possible side effects have been noted by various teachers. These problems can persist for moments or endure for decades, and they can also recur. All students with an active Kundalini experience at least a few, if not many, of these side effects. Generally these problems begin to occur after a few months (less likely) or years (more likely) after starting a contemplative practice, but in some cases they begin very soon after starting meditation or yoga.

Summary of known problems: [Death](#), pseudo death, [psychosis](#), pseudo psychosis, [confusion](#), anxiety, [panic attacks](#), [depression](#), [sadness](#), [suicidal](#) thoughts, urges to [self-mutilate](#), [homicidal](#) urges, [arrhythmia](#) (irregular heart beat), exacerbation of prior or current [mental illness](#), [insomnia](#), inability to hold a [job](#), inability to [talk](#), inability to [drive](#), [sexual](#) pains, temporary [blindness](#), and [headaches](#).^{[58][56][59][60][61]}

According to Transpersonal theory, and Eastern spiritual traditions, these problems are thought to arise as [karma](#) - deep physical, psychological and emotional material - is brought to the surface of the mind as a result of yoga and meditative practice.^[58] Consultation with a meditation teacher who is not trained in Kundalini techniques or with a psychiatrist, medical doctor or therapist who is not knowledgeable about this process often leads to confusion and misunderstanding. Using Western medicine to treat or suppress the Kundalini symptoms is not recommended, and in some cases may have undesirable side effects.^{[56][60]} Grof noted that suppressing kundalini's side effects with psychiatric medicine could lead to death ^[56].

DEMONIC MANIPULATION OF HUMANS

- The gift of discerning of spirits is an absolute necessity in this Church Age because many of Satan's agents are being sent into to the Church to deceive, "if possible", the very elect. Only a supernatural move of the Holy Spirit can awaken a slumbering Church that is so sound asleep that occultists can pass, unsuspected by Church leaders, as ministers of the Gospel.
- The New Age apostles are very evangelistic, reaching out with a mystical religion to wet the spiritually dry beds of hearts that have been robbed from a living God. They are finding a fertile harvest field in dead Churches that portray a dead, powerless Savior. The spineless, cold church is a sanctuary for the gods of the East with occult powers in which one can feel and serve. Its ministers are mind manipulators whose work have born much fruit in the West.
- They have systematically diminished any real acquisition of the knowledge of Jesus Christ and His Word. Satan is very shrewd and his tactics are not to be underestimated. The many conceptions and half-truths of Satan's counterfeit religions are the causes of great confusion and far too many Christians are scripturally uninformed. This is a war! It's a battle for our spirits, minds and souls. That is the real issue today...it is us...or them. People are looking for a supernatural answer to their being. Man is a spirit whose spiritual heart is an empty vacuum that can only be filled by Jesus Christ. Contemporary mystical experiences cannot satisfy spiritual desires...they can only lead to confusion and delusion. But many are seeking the real thing. As the New Age rises in the world, we must be certain our Christian practices are within the guidelines of the Scriptures. Everyone seeking ministry deserves guidance from a Christian perspective.
- Many churches have absolutely no evangelistic zeal for reaching out to save a dying lost world. The Church is turning introspective and is looking to the world for its wisdom and knowledge. With a "feeling cult" gaining in popularity, we witness a growing movement to better the "mental health" of the Church population.
- This movement has launched a popular auxiliary front of non and para-professionals rushing to the aid of their emotionally starved and disabled brothers and sisters. The

Church is experiencing a new approach to counseling, identified as humanistic, psycho-social, and psycho-medical. The most commonly used psychotherapies are encounter groups including auto-suggestive and hypnotherapeutic techniques.

- Satan has many church people looking inward using "change agents" as psychologists, (counselors of hypnotists and paraprofessionals) who are psychologically tampering with their souls. Even some of the healing ministries are going too far with their use of visualization techniques and regression. Robert Hall Glover's statement about the Church gives us much light when he wrote: "The Church was not designed to be a reservoir, ever-receiving and retaining for itself God's spiritual blessings. But rather a conduit conveying them on and out to others everywhere."

God is looking for people who will be instruments in the hands of the Holy Spirit. As people yield to His Spirit, He works in them, making them effective workers for the Lord. God is not looking for intelligence or talent as much as he is looking for consecration and obedience. We must learn to yield to Him. He wishes to work in the hearts and lives of men and women. He can do more for us in a few moments than we can do for ourselves in a life time. He longs to fill us, empower us, guide us, and work through us.

- Bishop Vagalas Kanco, former wizard from Africa, *Witchdoctor and the Man Finds Jesus*, <http://patholliday.com/dlguard/cart/index.php?c=30> writes: "My life was saturated spiritually but from the occult point of view. To me, it was puzzling that the majority of humankind does not believe there are spiritual beings. It was also baffling that most Christians were blinded to these demons that were presently affecting their daily lives. The truth is, here are spiritual beings (Satan and the fallen angels now demons) that not only affect humankind, but they also have the ability to deceive and manipulate humankind from the spiritual realm. In other words, it is difficult for the average human being to believe that demons exist.
- However the fact that they did not believe nor perceive that these spiritual beings exist, enabled the wizards and witches, together with the invisible beings, to manipulate masses more easily because they were helpless to defend themselves.^{viii}
- Bishop Kanco goes on to say, "I knew that throughout the world a paranormal phenomenon was profoundly manifesting. All facets of the human society had confronted these unexplained paranormal phenomena. Satan taught us that whenever human beings experience paranormal phenomena, the majority of these people become compelled to believe these are coming from a benevolent god. Therein lies the great deception because the Ascended Masters (powerful high level demons) were beginning to make their presences known to the masses."^{ix}

DEMONIC MANIFESTIONS FROM THESE FALSE REVIVALS ~ MORE TO COME

Pat Holliday reports:

A MOTHER AND SON were delivered from demons that came from the Lakeland, Revivals. Their pastors took them to Lakeland. They began shaking, trembling, and withering and weeping like defeated children. All present could see manifestations of the demons and begin to pray for God's protection and the Blood of Jesus. One devil spit foamy spittle out on into a paper towel. The demons knew exactly that our deliverance ministers were spiritually more powerful than the power that they possessed. The demons believed and trembled because we were connected to the superior power of Jesus Christ and that they had to obey our commands. We looked beyond the demonic words of the demons and spoke directly to the demons and said, "You have no power here. We bind you in the name of Jesus and command you to hold your peace and come out of them in Jesus name." The authority of Jesus was more powerful.

All sudden the young boy was weeping. Joy filled his soul. He was free! Then, his mom followed with a great sigh and praise You Jesus, and she broke into praises to God.

Another Woman

Yesterday, a beautiful woman was delivered from demonic powers that she received from attending the Todd Bentley Revival. She was delivered from the powerful Kundalini Spirit, the spirit of death and many others. She described that her stomach felt like it was frozen all the time. She had not gone to the Third Heaven but had been contaminated in Lakeland and had experienced Todd Bentley laying hands upon her. She was being tormented at night and was experiencing nightmares.

After she renounced her connection with the false minister, Bentley, we cast the Kundalini spirits, religious, and antichrist and death out, she was freed and the peace of Jesus surrounded her. She was going home to throw away the prayer clothes and books that she got from the meeting.

Pat Holliday believes this is just a beginning as a trickle begins to come seeking freedom from deception, many will follow as the Lord leads.

Pat,

This is exactly what I have experienced in the tingling stuff in various areas of my body like chills. I also heard music that was not of God, like trance type or soaking music as they call it. Bless God that He delivered me and those who give a good report. Burning sensations on my back... It moves around the body. I felt like air in my head and sudden fear

The left foot quit working and was in a cast for eight weeks, once I renounced it, went away. I could hear angels humming. Everything stopped after deliverance. I'm throwing away books.
