Chronicles of Narnia Prince Caspian

The characters of C.S. Lewis' flight of the imagination come to life once again in this newest installment of the "Chronicles of Narnia: *Prince Caspian* " series, in which the Pevensie siblings are **magically, transported (astral projection or soul travel in witchcraft terminology)** back from England to the world of Narnia, where this perilous new exploit continues. The Chronicles of Narnia is a collection of seven fantasy stories. The jacket cover says, "Here is your passport to a most extraordinary excursion into magical lands and enchanted happenings. If you've never been to Narnia, you can enter it for the first time with any of the books . . .

The inspired Apostle Paul warned us: "**Let no one deceive you,**" (2 Thess. 2:3). It is clear that Christians can be vulnerable to deception and we must not forget it. We must be on guard and protect ourselves against deceit. There is deception everywhere in the religious world. We must be alert.

The Lion, the Witch and the Wardrobe is the first in this so-called "Christian" series of occult movies for children. The title, itself, should be a tip off to a discerning Christian. How can a Christian book have such an occult label?

C. S. Lewis (1898 – 1963) wrote the seven Chronicles of Narnia from 1950 – 1956. Walden Media and Walt Disney Pictures released their film adaptation of the Lion, the Witch and the Wardrobe in December 2005, grossing over \$740 Million worldwide. Now, work is progressing on the next two Narnia films. Prince Caspian releases on May 16, 2008, and The Voyage of the Dawn Trader on May 7, 2010. The Silver Chair has not been officially greenlit yet, but the filmmakers intend to make that film next, and hope to eventually produce all seven.

POWERFUL WITCHCRAFT INDOCTRINATION FOR CHILDREN

These stories involves four children who step through a **magic wardrobe** (a portal witchcraft unreal doorway), into the cabalistic land of Narnia which is populated by talking animals who have equal status with humans, (sounds like New Age). The land of Narnia is ruled by the **White Witch** who makes the land always to be an icy winter and populated with **ghouls, werewolves and all manner of evil creatures siding with the witch**. The **wicked witch** has powerful **magical powers** and is able to turn all of her enemies into stone. She tricks one of the children into coming over to her side and the other children must rescue him.

Aslan, a huge lion and the son of the great emperor of the north, is the only one who can set things right in Narnia. He negotiates with the witch for the **salvation of one of the children**. He **must die to save the child**.¹ (Another Jesus another gospel) He is sacrificed upon an altar. **This is exactly how wizard, witches and Satanist**

sacrifice their animals. Remember Jesus was sacrificed on the Cross for our sins. Jesus warned about following fantasies. 2 Tim 4:4, **“And they shall turn away their ears from the truth, and shall be turned unto fables.”** KJV

However, Aslan does not stay dead, he has a resurrection and saves the day. Aslan responds to the question of what it all means with, “It means that though the Witch knew the **Deep Magic**, there is a **magic deeper** still which she did not know.” Eventually, the **White Witch** is destroyed and spring returns to Narnia.² The child is taught to fight **magic** with a **“deeper”** or more **powerful magic** which is simply greater depth witchcraft. The child is led away from Jesus and may never return!

Obviously, there is a salvation message for the children to believe, but is it the message of Jesus Christ? Clearly not, it is the salvation message of a manufactured occult leaning New Age lion that has not only more powers than a human, but enough power to rival our Savior in the eyes of young readers.³ The lion can resurrect from the dead and save humans plus change the curses of the “white witch,” biblically speaking, only Jesus has these kinds of supernatural powers.

ASLAN THE PAGAN LION SOLAR DEITY

Is the modern Christian church handing its children over to the Antichrist system on a silver platter? First, let's settle exactly who is Aslan the lion, the supposed Christ like personality in C. S. Lewis' books and Disney Movies, **The Chronicles of Narnia: The Lion, The Witch, and The Wardrobe** and the coming movie **Prince Caspian. Aslan is not the Lion of the tribe of Judah, we know as Jesus Christ.** According to the *Dictionary of Mythology, Folklore, and Symbols* by Gertrude Jobs, the sun is “The active or male principle in nature, wanderer, lion, gold, symbolized by the bow and arrow.”

Aslan is not the Lion of the tribe of Judah, we know as Jesus Christ. According to the *Dictionary of Mythology, Folklore, and Symbols* by Gertrude Jobs, the sun is “The active or male principle in nature, wanderer, lion, gold, symbolized by the bow and arrow.”⁴

J. E. Cirlot's definition of Apollo is so interesting. “Apollo in mythology and alchemy, his spiritual and symbolic significance is identical with that of the sun. The spreading golden hairs which crown the god's head have the same meaning as the bow and arrow (Sun rays). The Greek name for Apollo is Apollon, which means ‘from the depths of the lion’ and expresses the meaningful relationship of the sun with the fifth sign of the Zodiac, Leo.”⁵

So there! Aslan is actually a solar deity- and not an analogy of Jesus Christ.

It's shocking to see Christians so willingly turning to a fake lion god which in witchcraft is far more associated with the god, **Apollon** than Jesus Christ. What does the Bible say about this figure? We see in (Rev 9:1), “And the fifth angel sounded, and I saw a star fall from heaven unto the earth: and to him was given the key of the bottomless pit.” This indicates a leader, a military chieftain, a warrior. In the fulfillment of this, we look for the appearance of some mighty prince and warrior, to whom is given power, as it were, to open the bottomless pit, and to summon forth its legions.

“And they had a king over them, which is the **angel of the bottomless pit, whose name in the Hebrew tongue is Abaddon, but in the Greek tongue hath his name Apollyon.**” (Rev 9:11). From the Greek word *apollumi* “to destroy.” The word properly denotes **“a destroyer,”** and the name is given to this king of the hosts, represented by the locusts, because this would be his principal characteristic.

This spirit called Apollon is none other than Satan himself. He chained by the Angels of God in (Rev. 20:1). And then in (Rev 20:3), “And cast him into the bottomless pit, and shut him up, and set a seal upon him, that he should deceive the nations no more, till the thousand years should be fulfilled: and after that he must be loosed a little season.”

In **The Chronicles**, to me, the most offensive thing was to see children bowing and worshiping this beast-animal they are calling Aslan.

2 Cor. 11:4, **“For if he that cometh preacheth another Jesus , whom we have not preached, or if ye receive another spirit, which ye have not received, or another gospel, which ye have not accepted, ye might well bear with him.”** KJV

Aslan, the "Great" the creator of Narnia.

Lion," is the central character in The Chronicles of Narnia, a series of seven fantasy novels for children written by C. S. Lewis. He is the titular lion of The Lion, the Witch and the Wardrobe, and his role in Narnia is developed throughout the remaining books. He is also the only character to appear in all seven books of the series.

He is a talking lion, King of the Beasts, son of the Emperor-Over-the-Sea; a wise, compassionate, **magical authority (both temporal and spiritual)**; mysterious and beloved guide to the human children who visit; guardian and saviour of Narnia; and ultimately revealed as its creator and destroyer. The author, C. S. Lewis, described Aslan as an **alternate version of Christ**—that is, as the form that Christ might have appeared in a fantastic world.

Throughout the series, it is stated that Aslan is "not a tame lion", since, despite his gentle and loving nature, he is powerful and can be dangerous. He has many followers, which include vast numbers of Talking Beasts,

Centaurs, Fauns, Dryads, Dwarfs, Satyrs, Naiads, Hamadryads, Mermaids, Silvans, Unicorns, and Winged Horses. ⁶ **(These are supernatural demonic demons that your children are being exposed to).**

1 Tim 4:1-2, “Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; 2 Speaking lies in hypocrisy; having their conscience seared with a hot iron; KJV

Prince Caspian is the true king of Narnia. Caspian reappears (as King Caspian) in the two following books in the series: The Voyage of the Dawn Treader and The Silver Chair and makes a brief appearance in the end of The Last Battle. ⁷

Anyone, who understands Satanism, will realize that the so-called Christian defenders of these demonic movies concerning the serial books of **C. S. Lewis - Disney Chronicles of Narnia** are lying concerning the harmless nature over children will not have any spiritual impact upon them. Actually, these sorcerers' movies are stepping stones for your children to enter into the shadowy world of demonology, finding a false Jesus. Remember when one finds the false Christ, they will reject the real Jesus.

You must also realize the enormity of the misleading statements by many Christian leaders that proclaim this diabolical work will help Christian children to understand Jesus Christ, calling this deceptive lion Aslan, a Christ-like figure. Antichrist will also be a “Christ-like figure to the masses that follow him. Remember, when contact is made with the supernatural world of imaginary demons, the atmosphere will be full of real demons. Some Christians claim these books are simply "fantasy" and therefore, harmless. Actually Narnia is a magical blatant satanic - witchcraft work. The Church does not need to turn to the un-Biblical concept inherent in the new evangelical notion that some Christians need to be the same as the world to win the world for Jesus Christ. We need to get back to the basics, the Word of God and Jesus Crucified. ⁸

2 Thess 2:11-12, **“And for this cause God shall send them strong delusion, that they should believe a lie: 12 That they all might be damned who believed not the truth, but had pleasure in unrighteousness.”** KJV

Christian Parents must also take interest in the implications of these demonic spiritual materials to their Children's spiritual health. Satan is now infiltrating the Christian circles with his tactics to destroy Christian Church from within. A parent must be vigilant, seeking the Lord Jesus and His Word. Satan's aim is the mind of your child. Christian families are not immune from these Antichrist attacks upon young people. These attacks are coming in many forms such as Christian Rock groups singing about Jesus but who have not changed their lifestyles of free sex, drugs, and tattoos, etc. These evil practices are forbidden in the Bible, yet being sold to our children. This author has ministered to young people who were “hooked” on “hard Christian rock” music. They became extremely rebellious to their parents' authority and fell away from Jesus. Evil spirits come through the air when the young people open their spirit to what's in the “Christian rock group,” they pick up their demonic spirits and need deliverance. Christian children are also being targeted to accept witchcraft, sorcery and demonology through

demonic television programs and witchcraft-based fantasy movies! These children need deliverance too. They will have very powerful demons, see my book, *Antichrist ~ Angel in the Whirlwind*, <http://www.patholliday.com/ebooks.php>

2 Cor 2:11, **“Lest Satan should get an advantage of us: for we are not ignorant of his devices.”** KJV

These New Age religionists use sources that idealize witchcraft and its supernatural orientation and also the world's pagan cultures. They exalt pagan practices by depicting good versus evil Characters. Satan's powerful agenda seduces its fans into an imaginary world that pits “white” or benevolent magic against dark, evil black magic. Both sides of this imagined “battle between good and evil” use cabalistic practices that God forbids and says, it is an abomination to God.” Fantasy movies are now being targeted to the Christian Church by powerful Evangelical leaders. The Bible says, "Woe to those who call evil good, and good evil; Who put darkness for light, and light for darkness . . . **“Woe to those who are wise in their own eyes and clever in their own sight,”** (Isa. 5:20-21). Parents, beware!

MAGICAL PORTAL

Aslan first appears again to Lucy in the Chronicles of Narnia Prince Caspian movie.

Lucy finds the wardrobe covered by a white sheet. When she pulls the sheet off the wardrobe, she finds the doorway (or portal) that gives access to the witchcraft land of Narnia. It may surprise you to know this magical portal is also described as a gateway to Harry Potter's entrance into the world of witchcraft.⁹

The first creature that she meets is a **satyr**, or a **forest god that witches call Pan, the goat god**. The **half animal of a goat and half man** is shown as playful but the human part is unmistakably queer. In the Disney film the human playing the role is shown with physically powerful gay mannerisms. Thus, begin Lucy and her friends into the world of C. S. Lewis' world of witchcraft confusion.

It is interesting that C.S. Lewis wrote about this half goat god and half man being in the late 1800's and throughout the ages, this being has existed in pagan literature. Today, we are witnessing scientist producing transgenic beings as a fact. A **genetically modified organism (GMO)** or **genetically engineered organism (GEO)** is an **organism** whose **genetic** material has been **altered** using **genetic engineering** techniques. These techniques are generally known as **recombinant DNA** technology. With recombinant **DNA** technology, **DNA molecules** from different sources are combined *in vitro* into one molecule to create a new gene. This DNA is then transferred into an organism and causes the expression of modified or novel traits. Many believe that through cloning, new species are being created!

I wrote in my book, *Be Free* in the seventies <http://patholliday.com/dlguard/cart/index.php?c=3>: The history of witchcraft is sketchy in America, since ceremonies and beliefs were mostly orally communicated. Witchcraft was just beginning to appear from underground. Witchcraft rituals have been traced to worship of the Greek goddess Artemis, Diana of the Romans, the Egyptian moon goddess, and the fertility goddess of the Canaanite. Modern witches believe in two primary deities, **Hecate**, the Greek goddess of ghost, and Pan (Lucifer), the god of the woods and shepherds.¹⁰

Pan, even though horned and cloven-hoofed, is not the same Lucifer condemned in Scriptures.²

Pan (Lucifer) is the forest god that Lucy found when she stepped through the wardrobe supernatural portal(doorway). This Disney depiction of Pan was exactly the Pan god (Lucifer) that I described in the seventies.¹¹ But this demonic movie is going to be good for our children!

THE FOUR PERVENISIE CHILDREN

Peter, Susan, Edmund and Lucy, are transported back to Narnia as they travel back to their respective boarding schools, though at first they don't recognize it; more than a thousand years have passed since they reigned

there during [The Lion, the Witch and the Wardrobe](#). It is not until they discover their own treasury room amidst the ruins of [Cair Paravel](#) that they realize where they must be.

Shortly thereafter, they rescue a dwarf called [Trumpkin](#) from drowning at the hands of two human soldiers, and Trumpkin explains what has happened in Narnia since the Pevensies returned to England. Narnia is now ruled by Telmarines, and the "old Narnians" have been driven underground. The rightful ruler of Narnia, Prince [Caspian](#), has been forced to flee by his uncle, Miraz, who has claimed the throne for himself. They challenge Trumpkin to two challenges and he loses both, but the Pevensie children gain his trust when Lucy heals him.

Caspian and his army of Old Narnians is currently besieged at [Aslan's How](#) by Miraz and the [Telmarine](#) army. Miraz's army surround the mound of earth that now covers the [Stone Table](#) where Aslant died for Edmund, and although this is a nearly impregnable stronghold, the Narnians' defeat at the hands of the Telmarines is inevitable. Prince Caspian blows [Queen Susan](#)'s horn to summon magical aid, and it is this which brought the Pevensies to Narnia. Trumpkin is dispatched to Cair Paravel to search for them but is captured enroute by the Telmarines.

The Pevensies and Trumpkin travel back to Aslan's How, meeting Aslant himself on the way. Peter, Edmund, and Trumpkin aid Caspian there, while Susan and Lucy aid Aslant as he frees the Dryads, Naiads, Hamadryads, and Silvans from their bonds.

In an attempt to avoid a full battle between the two armies, Miraz and Peter (as Caspian's champion) duel, but this ends on a technicality when Miraz appears to be knocked unconscious and a battle ensues. The Narnians are at first outnumbered, but when Aslan and his followers arrive, the Telmarines are routed to the Ford of Beruna. Aslan crowns Caspian as King of Narnia. As this ceremony ends, the mice bring their grievously wounded leader, [Reepicheep](#) to Aslan; Lucy heals the mouse with her healing cordial, but Reepicheep still lacks his tail. The mice inform Aslan that they would rather be tailless themselves than have something their leader lacked. Aslan restores Reepicheep's tail, moved by their loyalty and mindful of the kindness that the mice showed him at the Stone Table so many centuries before. The children and many of the Telmarines return to their respective worlds. Aslan tells Peter and Susan that they can never visit Narnia again because they are too old.

Caspian reappears (as King Caspian) in the two following books in the series: [The Voyage of the Dawn Treader](#) and [The Silver Chair](#) and makes a brief appearance in the end of [The Last Battle](#).

Themes

The two major themes of the story are courage and chivalry (this is Narnia's Civil War story) and, as Lewis himself said in a letter to an American girl, "restoration of the true religion after corruption". Leading Lewis scholar, Michael Ward, argues in his book "Planet Narnia: The Seven Heavens in the Imagination of C.S. Lewis" (Oxford University Press, 2008) that Lewis based "**Prince Caspian**" on the imagery associated with the planet, Mars. As a mythological deity, Mars was both god of war (Mars Gradivus) and god of trees and forests. In this latter capacity, Mars was known in classical times as Mars Silvanus; he was the god who gave life to vegetation, which is why the spring month of March is named after him. Ward points out that the events of "Prince Caspian" are said to take place during the month of 'Greenroof' (the only Narnian month mentioned in the course of the septet) and that 'Silvans' are included in the cast of characters in this story (the only time during the septet that they appear at all). Aslan, Ward maintains, is portrayed by Lewis as a Christianized version of Mars: he is the deity who marshals his troops (e.g. in the chapter entitled 'The Lion Roars') and the one who brings life to the woods, waking the dryads, hamadryads, and silvans.¹²

Sun worship was one of the main abominations to the Lord practiced in Bible times. (See Ezek. 8:15). It has continued throughout the ages to this very time. That Lewis would write stories for children to indoctrinate them in this revolting religion is bad enough, but that those stories should be passed off as an allegory of the gospel of Jesus Christ is a horrible blasphemy beyond description! C. S. Lewis was an expert in mythology having studied it from an early age. It is utterly impossible that he did not know what he was writing!

(Isa 60:2), **“For, behold, the darkness shall cover the earth, and gross darkness the people: but the LORD shall arise upon thee, and his glory shall be seen upon thee.”**

****MILD SPOILERS****

From [Sci-Fi Wire](#): In Prince Caspian, Trumpkin has lived through the destruction of Narnia and becomes a cynical survivor with little faith that the Pevensie children can restore his world to order. Due to some structural changes in the screenplay, his role is actually larger in the film than in the book.

"I love the books, but the adaptation that Andrew Adamson and the other writers did is my blueprint," Dinklage (TV's *Threshold*) said. "I think the greatest film adaptations of books are very different from the books and [are] their own entity. When things are too faithful to the books, it's sort of like why make the movie when you can read the book? What I like about this is they tweaked things here and there and changed things, and maybe I'm speaking because they expanded my character quite a bit," he added with tongue in cheek.¹⁴

SUBLIMINAL PROJECTION

*This technology is called subliminal projection by New Age prophet, Aldous Leonard Huxley in his utopian book, **Brave New World & Brave New World Revisited**. According to Huxley, subliminal projection means that an image is presented to the sight or words to the hearing for a matter of microseconds and superimposed upon visual or auditory entertainment. What is seen or heard in that lightning-like interval lodges in the subconscious and tends to be a powerful influence on subsequent behavior.*

It is this author's contention that children are being programmed for the New Age through mind manipulation by the hunters of their souls. They are agents of Satan who know they are now dealing with mostly a powerless, sleeping Church. Satan wants you children while in many instances, some ministers just want your money.

How does subliminal manipulation work? The author ministered to a young girl, seven-years-old. Her mother brought her to me because she was having the odd activity of taking off her clothes in front of her older brothers.

At first, her parents warned her to stop doing it. Then, they began to spank her. Nothing seemed to help. (The devils love you to abuse your children. If a problem is being caused by mind manipulation or a demon, the child is helpless to stop without deliverance).

One day the older brothers came home and told their mom that they knew why their sister was taking off her clothes. As it turned out, they showed their mom **subliminal messages on one of the Disney films**. The subliminal messages were telling the children to take off their clothes! The author did deliverance on the child and she was instantly set free from tormenting devils. She became obedient and stopped taking her clothes off. These powers are real and ignoring them do not make them go away!

WITCHCRAFT

There is no longer any doubt that witches are real and active in modern America. The author asked in the book *Be Free* that was written in the seventies "Do you believe that witches and wizards are real? At that time, Christians hardly believed that demons were real, let alone there were people practicing witchcraft. "All one has to do is keep your eyes on Jesus," many said. Another thing, "We don't want to lift the Devil up or give him any credit," others would say. Meantime, right before our eyes one of the greatest occult explosions was taking place.

Witchcraft was everywhere but somehow the Church people remained willingly blinded to it, as well as, its implications to Christianity. Today, unfortunately, witchcraft has stepped into the church and is being driven by its leadership. The *Chronicles of Narnia* is fully supported by all major television ministries and has found its way to the grass root churches at every level. The spiritual blindness in the church has turned the present generation over to the voracious hands of Satan.

Although, it's a supreme work of darkness, and Ephesians 5:11 commands us to unmask darkness. These modern, spiritually blinded preachers who preach the gospel of Disney's **The Chronicles of Narnia** to the Children are agents of Satan, sent to destroy the Christian Church and its children's lives. These paranormal movies will darken and bind their minds, leading them into eternal wickedness. If Church leadership continues to promote darkness instead of the true light, Jesus Christ, the churches will become purposeless, drained; cold, vacated buildings will stand like graveyard mausoleums, as a testimony against these serious errors. Jesus said, "Let them

alone: they be blind leaders of the blind. And if the blind lead the blind, both shall fall into the ditch,” (Matt 15:14). Where are the Martin Luthers in our Church today?

The Bible makes it clear in both the Old and New Testaments that occult practices are an abomination to the Lord. (Deut. 18:10-12), **“There shall not be found among you any . . . that useth divination, or an observer of times, or an enchanter, or a witch, 11 Or a charmer, or a consulter with familiar spirits, or a wizard, or a necromancer. 12 For all that do these things are an abomination unto the LORD.”**

Another scripture passage that points out just how seriously God views the occult and wizardry is (Acts 13:10), The Apostle Paul indicts Elymas the sorcerer with these words, **“O full of all subtlety (deceit) and all mischief (maliciousness), thou child of the devil, thou enemy of all righteousness, wilt thou not cease to pervert the right ways of the Lord?”**

BONANZA FOR SATAN’S SOUL STEALING PROGRAM

Of course, the entire witchcraft world will be praying in unity for the success of this deceptive movie Disney’s **the Chronicles of Narnia: Prince Caspian**. Christians are not praying. Unfortunately, they are tragically going to this abomination and are willingly offering their children to Satan, worshiping at the altars Baal and witches. These demonic movies are bonanzas for the Devil’s end time program. Even if Christian leaders believe that Lewis is a Christian, they seem to overlook his unorthodox ideas being sold by Disney’s **the Chronicles of Narnia** movies. Why are leading Christians so spiritually blinded using this pagan company to evangelize children?

The Bible tells us, The Spirit of God revealed to John in a vision that in the last days, demon spirits would be released upon the earth which would go forth to deceive the world. (Rev 16:13-14), **“And I saw three unclean spirits like frogs come out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet.” These three spirits that John saw represent lying, deceiving, seducing demon spirits that are going to be released by Satan.** (Rev. 16:14), **“For they are the spirits of devils, working miracles, which go forth unto the kings of the earth and of the whole world, to gather them to the battle of that great day of God Almighty.”**

This article is written to help you to win. It will provide help to you to understand that your battle is spiritual and that you have spiritual weapons that you must correctly use and realize that you truly do have an enemy that is constantly working to make you lose your inheritance in Jesus Christ. It will facilitate you to see that God has given us His ways and means of protection. It’s all in His Word but we must take the Word and use it.

God Bless You
