(1 Tim 4:1-2), **Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; 2 Speaking lies in hypocrisy; having their conscience seared with a hot iron . . .**"

I John 2:18-20

Children, it is the last hour; and just as you heard that antichrist is coming, even now many antichrists have appeared; from this we know that it is the last hour. They went out from us, but they were not really of us; for if they had been of us, they would have remained with us; but they went out, so that it would be shown that they all are not of us. But you have an anointing from the Holy One...

Obama Nation - Now What?

If last Wednesday's massive media celebration of Barack Obama's life was any indication, this country is in for a propaganda blitz like nothing we have seen since the death of JFK. This young, ever-smiling and well spoken Marxist Senator, newly elected as the nation's forty-fourth president by a majority of 8 million votes, was presented as the nation's new idol and rock star with nary a flaw to be found. His equally radical wife Michele was presented as the perfect, humble and principled First Lady. There was no mention by the press of their rocky marriage, her early racial badmouthing of

America, nor of her husband, his homosexual liaisons, nor his background at the feet of Marxist mentors as he rose through the ranks of emerging socialist parties and Leftist community action organizations. Neither was there any mention of the evidence of his birth in Kenya and the carefully crafted fraud that his mother perpetrated in Hawaii, falsely certifying that her son was born there.

Most importantly, there was no mention of the mystery surrounding who sponsored his way through his expensive university education at Harvard (records sealed) and who made him wealthy through a series of insider trading deals, who facilitated his purchase of a multi-million dollar home, and which political insiders paved his way to his come-from-nowhere election as a US Senator. One thing is for sure: It wasn't his impoverished Marxist mentors. Clearly, at some point, the establishment decided to use this young black activist for their purposes and he accepted those terms. His swooning followers are destined to be profoundly disappointed in their hopes that Barack Obama is going to bring fundamental change to this nation. Just as the current Democratic Congress has done nothing to stop or overturn the Bush Neocon agenda, neither will Barack Obama. He will, however, give this nation the biggest leap in socialist redistribution and benefits since globalist George Bush masqueraded as a conservative. Hold on to your hat and your wallet. This is going to be a wild ride.ⁱ

Many people have written to ask me what I think concerning Barack Obama. Some have pointedly asked me if I believed he was "THE Antichrist." I will share with you what I have discerned. Let me begin by defining who or what the term antichrist refers to.

Some have popularized an image of Antichrist as one who renounces Christians and Christianity,

being a brutal oppressor and persecutor of the church. Although there is some merit to this description, we should keep in mind what has been shared in the recent series *Divorced From Truth*. Satan does not need to get people to openly denounce the Son of God. All he really needs to do is to redefine Christ, putting forth an alternate image of the Christ in the minds of the people.

This use of the above hand symbol was encouraged among supporters of Obama. The main focus is on the shape of the O, as in Obama. What is more subtle is that the arms and hands together form the shape of the A. The message is once more messianic. Obama is the Alpha and the Omega. There is even an outpouring of light spreading forth from this symbol.

The pervasiveness of messianic symbolism in Obama's campaign is so great that I would likely overwhelm some of the e-mail programs that are used to download this post by including even a small portion of the images and testimonies that reveal that this was deliberate in its intent. However, I will provide a couple of links to websites that have done a good job of compiling this information.

<http://www.obamamessiah.blogspot.com/>
<http://www.obamaformessiah.com/>

It is evident that Barack Obama is being promoted as a messianic figure, a savior of mankind, and multitudes of men and women have bought into the hype. Their words of praise, and the unrealistic expectations they have of this man, are truly those that one would find in association with someone who could walk on water and provide bread out of heaven. Even national reporters, who have attempted to maintain an appearance of objectivity, have lost all reserve. Christ Matthews of MSNBC had the following to say:

I have to tell you, you know, it's part of reporting this case, this election, the feeling most people get when they hear Barack Obama's speech. My, I felt this thrill going up my leg. I mean, I don't have that too often. No, seriously. It's a dramatic event.

Illinois State Representative Jesse Jackson Jr., who was a part of the Obama campaign made the following statement after Obama won the Democratic nomination for President.

cried all night. I'm going to be crying for the next four years," he said. "What Barack Obama has accomplished is the single most extraordinary event that has occurred in the 232 years of the nation's political history. ... The event itself is so extraordinary that another chapter could be added to the Bible to chronicle its significance.

Luke 4:18-19

"The Spirit of the Lord is upon Me, because He anointed Me to preach the gospel to the poor. He has sent Me to proclaim release to the captives, and recovery of sight to the blind, to set free those who are downtrodden, to proclaim the favorable year of the Lord."

Acts 10:38

"You know of Yahshua of Nazareth, how God anointed Him with the Holy Spirit and with power..."

Acts 1:7-8

He said to them..., **"You will receive power when the Holy Spirit has come upon you..."**

I John 2:20

But you have an anointing from the Holy One...

This last verse was cited at the opening of this article. John declares these words immediately after declaring that many Antichrists have gone out into the world. These statements are set as contrasts to one another, and by comparing them we can gain much understanding about the nature of those who are Antichrists.

Those who belong to Christ "have an anointing from the Holy One." By contrast we understand that those who are Antichrists have an anointing from some other source, and that source is not "the Holy One." I have posted a presentation of the subject of anointing, and I highly recommend it to those who desire to understand this subject better.

<http://www.heart4god.ws/id597.htm>

Authentic anointing is defined as "the power of God to accomplish His will." Whenever God appointed a man or woman to a work, He never intended them to carry it out in their own strength or power. He would provide them the power to accomplish His work. The flesh cannot accomplish the will of God, for it profits nothing. It is the Spirit who alone can accomplish the works of God.

Satan, of course, offers a counterfeit anointing in order to enable men to accomplish his works in this world. Satan rarely marches out and openly identifies himself, or his workers. He seeks to portray himself and those in league with him as workers of righteousness.

II Corinthians 11:13-15

Such men are false apostles, deceitful workers, disguising themselves as apostles [sent ones] of Christ. No wonder, for even Satan disguises himself as an angel of light. Therefore it is not surprising if his servants also disguise themselves as servants of righteousness, whose end will be according to their deeds.

These false apostles and deceitful workers are one and the same as those whom John called Antichrists.

1 John 2:19

19 They went out from us, but they were not of us; for if they had been of us, they would no doubt have continued with us: but they went out, that they might be made manifest that they were not all of us.

KJV

Barack Obama has stated publicly that he is a Christian. I can say with all assurance that he is not a Christian, for he is readily discerned by his fruit.

Matthew 7:15-18

"Beware of the false prophets, who come to you in sheep's clothing, but inwardly are ravenous wolves. You will know them by their fruits. Grapes are not gathered from thorn bushes nor figs from thistles, are they? So every good tree bears good fruit, but the bad tree bears bad fruit. A good tree cannot produce bad fruit, nor can a bad tree produce good

fruit."

Barack Obama is a "deceitful worker." He says he is a Christian, but his other words and actions belie such a claim. **Barack Obama is an advocate and defender of homosexuality. He has voted against any and all limitations against abortion, even to voting down a bill that would have required medical personnel to provide life support to babies who were born alive during a failed abortion attempt.** Time and space does not permit an exhaustive accounting of the unrighteous words and actions of this man who is labeled as "the most liberal member of Congress."

The apostle Paul wrote "it is not surprising if [Satan's] servants also disguise themselves as servants of righteousness." I have never witnessed an election before that spent so much effort in seeking to portray a candidate as a servant of righteousness. Congressman Ron Paul recently shared in an interview with Alex Jones that the Obama campaign received and spent 750 million dollars. This included full thirty minute programs running on multiple channels simultaneously. Ron Paul says the amount actually expended, when considering all the free press and positive news reporting on Obama comes closer to two billion dollars spent over the past two years.

This is a staggering sum of money to be spent to form an image of this man in the minds of the populace. It eclipses all the money spent by all other candidates combined. Certainly Satan has very big designs for this man who has been promoted to such an extreme degree.

Yet, it is not simply the amount of promotion that is evidenced, but the form of this promotion. Barack Obama has had an image shaped around him of one who is a messianic figure, a savior of mankind. The language employed in his promotion has been the language of religion.

Ephesians 5:14-17

Therefore He says: **"Awake, you who sleep, arise from the dead, and Christ will give you light." See then that you walk circumspectly, not as fools but as wise, redeeming the time, because the days are evil. Therefore do not be unwise, but understand what the will of the Lord is.**ⁱⁱ

More and more people are contacting me that are having demonic bondages in their lives and their families. Since most of their churches are spiritually blinded concerning demonology issues of tormenting demons that are harassing them, they are desperate and looking for answers. Apart from the Name and Power of Jesus Christ there is no help.

AUTHORITY IN THE NAME OF JESUS

Matt 12:29

29 Or else how can one enter into a strong man's house, and spoil his goods, except he first bind the strong man? and then he will spoil his house.

KJV

Matt 16:19

19 And I will give unto thee the keys of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven. KJV

Matt 18:18

18 Verily I say unto you, Whatsoever ye shall bind on earth shall be bound in heaven: and whatsoever ye shall loose on earth shall be loosed in heaven. KJV

We simply open our mouths call on his name and speak His Word and He, sitting in His seat of authority will receive our words in heaven and then He releases His power to usward who believe. He sends His power to overcome every attacking devil.

It works with those who appear in person or prayer over the phone. I pray for people being oppressed by demons all the time and there is no distance Jesus' authority in prayer. Jesus simply sends His power and delivers. There is no demon more powerful than Jesus.

Unfortunately Jesus has mainly been taught as a historical figure or a helpless child who lived, grew up and died on the cross for our sins. Some so-called Christian pastors are claiming that Jesus is not God.

One television pastor said, "My Bibles says in the Old Testament that God never sleeps and he does not get weary but the New Testament says, "Jesus slept and got weary..... What I'm trying to tell you is I thank my god that he never gets sleepy or weary. What I'm trying to tell you, Jesus is not God!"

John 1:1-5

**1 In the beginning was the Word, and the Word was with God, and the Word was God.
2 The same was in the beginning with God.
3 All things were made by him; and without him was not anything made that was made.
4 In him was life; and the life was the light of men.
5 And the light shineth in darkness; and the darkness comprehended it not. KJV**

Christians were taught if we make it through this life, our soul would go to heaven and that is certainly true. However, we were never taught of the great power that we have in our divine connection with the risen Christ who is sitting at the right hand of our Father giving His divine Power to usward who believe.

Eph 1:17-23, **"That the God of our Lord Jesus Christ, the Father of glory, may give unto you the spirit of wisdom and revelation in the knowledge of him:**

18 The eyes of your understanding being enlightened; that ye may know what is the hope of his calling, and what the riches of the glory of his inheritance in the saints,

19 And what is the exceeding greatness of his power to usward who believe, according to the working of his mighty power,

20 Which he wrought in Christ, when he raised him from the dead, and set him at his own right hand in the heavenly places,

21 Far above all principality, and power, and might, and dominion, and every name that is named, not only in this world, but also in that which is to come:

22 And hath put all things under his feet, and gave him to be the head over all things to the church,

23 Which is his body, the fullness of him that filleth all in all.” KJV

Our Christ sits at God’s right in His Seat of Power giving His power to usward who believe. This means that when we reach out to Him as our Living Savior, He releases His power to us. He is more powerful than Satan and when we walk in His authority, we have sufficient power to overcome the power of the evil one.

Christians must be taught to lean upon Jesus in order to survive the dangerous times that we are living in. We are now in the globalist ideology and it is not Christian oriented. Christians have only been taught to give to ministries and God will give back to them. Now, we must be taught how to truly trust Jesus. We must find the true spiritual reasons for the times that we are living.

AN EXAMINATION OF OBAMA’S USE OF HIDDEN HYPNOSIS TECHNIQUES IN HIS SPEECHES EXPOSING OBAMA’S DECEPTION MAY BE THE ONLY WAY TO PROTECT DEMOCRACY ⁱⁱⁱ

An Examination of Obama’s Use of Hidden Hypnosis Techniques in His Speeches

THE EVIDENCE IS HERE:

This document contains over 60 pages of evidence and analysis proving Barack Obama’s use of a little-known and highly deceptive and manipulative form of “hack” hypnosis on millions of unaware Americans, and reveals what only a few psychologists and hypnosis/NLP experts know.

Barack Obama’s speeches contain the hypnosis techniques of Dr. Milton Erickson, M.D. who developed a form of “conversational” hypnosis that could be hidden in seemingly

normal speech and used on patients without their knowledge for therapy purposes. Obama's speeches intentionally contain:

- **Trance Inductions**
- **Hypnotic Anchoring**
- **Pacing and Leading**
- **Pacing, Distraction and Utilization**
- **Critical Factor Bypass**
- **Stacking Language Patterns**
- **Preprogrammed Response Adaptation**
- **Linking Statements/ Causality Bridges**
- **Secondary Hidden Meanings/Imbedded**

Suggestions

- **Emotion Transfer**
- **Non-Dominant Hemisphere Programming**

Obama's techniques are the height of deception and psychological manipulation, remaining hidden because one must understand the science behind the language patterns in order to spot them. This document examines Obama's speeches word by word, hand gesture by hand gesture, tone, pauses, body language, and proves his use of covert hypnosis intended only for licensed therapists on consenting patients.

Obama's mesmerized, cult-like, grade-school-crush-like worship by millions is not because "Obama is the greatest leader of a generation" who simply hasn't accomplished anything, who **magically "inspires" by giving speeches**. Obama is committing perhaps the biggest fraud and deception in American history. **Obama is not just using subliminal messages, but textbook covert hypnosis and neuro-linguistic programming techniques on audiences that are intentionally designed to sideline rational judgment and implant subconscious commands to think he is wonderful and elect him President. Obama is eloquent.**

However, Obama's subconscious techniques are shown to elicit powerful emotion from his audience and then transfer those emotions onto *him*, to sideline rational judgment, and implant hypnotic commands that we are unaware of and can't even consciously question. The polls are misleading because some of Obama's commands are designed to be triggered only in the voting booth on November 4th.

Obama is immune to logical arguments like Wright, Ayers, shifting every position, character, and inexperience, because hypnosis affects us on an unconscious and emotional level.

To many people who see this unaccomplished man's unnatural and irrational rise to the highest office in the world as suspicious and frightening and to those who welcome it, this

document uncovers, explains, and proves the deceptive tactics behind true “Obama Phenomenon” including why younger people are more easily affected.

Michelle Obama 'Dares' Neocon Nazis To Kill Her Husband. [Huh?]

Here's the article link (at the website, scroll down the page till you find it). Go to:

<http://www.whatdoesitmean.com/index1162.htm>

Pat Holliday does not agree spiritually with the source of the following information. It is quoted for experience understand of the occultic nature of material.

Is American now under the powers of black witchcraft?

Nov. 5, 2008

Sorcha Faal, and as reported to her Western Subscribers concerning the red and black widow spider dress:

An historic new chapter has begun to be written in the annals of human history with the ascension to the United States Presidency of Barak Obama whose historic election victory is still resounding around the World.

And to this historic moment in time, the new American President's wife, Michelle, presented herself to the World at the side of her husband as both the United States new First Lady and a '*visual warning*' to her, and her husbands, enemies that she would not become the '*black widow*' they fully expect her to be.

Though virtually unnoticed by the American people, and totally ignored by their propaganda media, Michelle Obama stood confidentially beside her husband on this historic night garbed in the ancient African Bantu ceremonial '*Royal Robe*' meant to signify that that which they most feared would not hold power over them, and which in this case was

her dress of black doused with the reverse triangles of red upon her breast and abdomen like the '*black widow*' spider [2nd and 3rd photos on left] she has called to have power over.

The history of the ancient Bantu peoples of Africa has been nearly entirely erased from Western history other than the mention of their mass migration in 1,000BC (still considered one of the largest in human history) forced upon them by the new '*gods*' of the Middle East seeking domination over our human race and fearing our peoples ever becoming united against them.

For these past 3,000 years, these '*gods*' of the Middle East have waged perpetual genocidal warfare against the Bantu peoples to both enslave and kill them to keep from our World the knowledge of the truest origins of our human race preserved in their ancient myths and religious beliefs, and whose battles still rage today and shows the vast African Continent, and its peoples, embroiled in countless wars, famine and massive deaths by disease.

None of these diseases threatens the Bantu peoples of the World more than the incurable and deadly HIV/Aids virus known to have been engineered by the West to totally eradicate '*once and for all*' the '*threat*' to these ancient '*gods*' posed by these '*First Peoples of Earth*' and which now

affects fully 70 percent of the African Continent peoples.

And to our human races most ancient '*story*', as told by the Bantu peoples through their myths and religious practices, our Earth and its peoples lived in total harmony before the descent to our planet by the ancient '*gods*' in the African Nation of Zimbabwe where the oldest structures ever built by human beings still survive to this day.

After the reengineering of our human race to a '*form*' better suited to their uses, as the Bantu peoples refused to bow before them, these ancient '*gods*' abandoned the Continent of the Bantu (Africa) and established in present day Iraq their '*main base*' which today goes by the name of Garden of Eden and from which their religions of Christianity, Islam and Judaism all share their birth.

But, and unlike the beliefs of the Bantu peoples which stressed no difference between our Earth and its peoples, these '*new*' religions were designed to keep our human race in perpetual warfare with each other, and which over these past 5,000 years have been astoundingly successful as billions of our race have died for the glory, and in devotion to, the new '*gods*' of our planet.

It goes without my saying that these things I speak of are almost entirely unknown to the vast populations of our Earth's peoples, but it should also be known that just because a thing may be unknown does not make it untrue. And if not untrue, just unknown, it then falls upon the hearer of these things to prove their truth with the evidence available to them.

And the first piece of evidence to be presented is the rise of Barack Obama to not just the Presidency of the United States, but also to his being the acknowledged ruler of our entire World, and as we had laid forth the facts of this being true in our November 4th report titled "Chaos And War Face United States As It Chooses New Leader".

For anyone to believe that as our World enters what will prove to be its '*Last Days of this Age*', and that it is just a '*coincidence*' that the now defacto

Leader of our entire Earth is of ancient Bantu blood, I would, respectfully, state to them that they have no idea of the true significance of the Kenyan-American '*mystery man*' being hailed as a new '*Messiah*' and looked upon as a modern day '*Moses*' who now rules over them.

Likewise, for those foolishly believing that the ascent to World Power of Bantu people has once-and-for-all defeated the power of the ancient '*gods*' I can state with one-hundred percent certainty that the blood that has been spilled over these past thousands of years for control of our Earth will pale in comparison to that which is soon to be spilled as the forces aligned for the final battles of our race are now in place and prepared to be unleashed upon one another.

We are one human race, we live on one World, there is only one fate which awaits us all when we die, there are no real '*borders*' existing between our Earth's peoples, there isn't a '*them versus us*', there is only us...this is what the ancient Bantu knew and now they hold the fate of our entire human race in their hands once again...let's hope they do better in protecting us this time...Michelle Obama has made a good first start.

DEMONS ARE REAL

The Christian Church in the west would like to believe that the Devil is dead, or perhaps, he only lives in pagan foreign countries. However, the Devil is alive and thriving in the west. He has a great army of demonic slaves who are very busy capturing millions both spiritually and physically. Many Christians are falling away and going into spiritual blindness. Christians must return to the basics of the Bible. We truly do have every spiritual weapon that we need to defeat the Devil but hardly anyone is using them.

Eph 6:10-18

10 Finally, my brethren, be strong in the Lord, and in the power of his might.

11 Put on the whole armour of God that ye may be able to stand against the wiles of the devil.

12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

13 Wherefore take unto you the whole armour of God that ye may be able to withstand in the evil day, and having done all, to stand.

14 Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness;

15 And your feet shod with the preparation of the gospel of peace;

16 Above all, taking the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked.

17 And take the helmet of salvation, and the sword of the Spirit, which is the word of God:

18 Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints; KJV

REALITY OF WITCHCRAFT

The powers of witchcraft are the exact opposite of the power of Jesus. It is found everywhere in the world. There is no longer any doubt that witches are real and active in modern America. The author asked in the book *Be Free* that was written in the seventies "Do you believe that witches and wizards are real? At that time, Christians hardly believed that demons were real, let alone there were people practicing witchcraft. "All one has to do is keep your eyes on Jesus," many said. Another thing, "We don't want to lift the Devil up or give him any credit," others would say. Meantime, right before our eyes one of the greatest occult explosions was taking place in the history of our country.

Remember, it is not lifting up Satan when he is exposed because then Christians can protect themselves. We can put him a correct attitude of his true spiritual position. Jesus is God. The Bible shows that those who follow Satan and lose their souls are very flabbergasted over his true stature. They followed his earthly power as if he were truly God. Then when they see him standing before the Judgment Seat of Jesus, they know that was just a nobody, fallen demonic spirit.

Isa 14:16-17

16 They that see thee shall narrowly look upon thee, and consider thee, saying, is this the man that made the earth to tremble, that did shake kingdoms;

17 That made the world as a wilderness, and destroyed the cities thereof; that opened not the house of his prisoners? KJV

Witchcraft was everywhere but somehow the Church people remained willingly blinded to it, as well as, its implications to Christianity. "We are Christians; we just want to keep our eyes on Jesus. Meantime, in every area they were being mesmerized by those powers of the world. Christian children were being led into the powers of darkness through cartoons, movies, books, and television, music and computer games. **"In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them,"** (2 Cor. 4:4).

In the Fifties the British Parliament repealed an Ancient Witchcraft Act. After all, why have laws on the books that forbid something that really doesn't exist? Yet, witches in America, asked a few concerned Christians? No, witchcraft was just fantasy, fairy tales, movies by Walt Disney who prospered witchcraft, making it acceptable by every American family in the Country. It became just harmless entertainment, fantasy for children.

THE RISE OF WITCHCRAFT

In the 1970's Sybil Leek, best known among the witches, said that "the witch population has exploded 50 percent in the past five years." At that time, there are more than four hundred covens across the country. Timothy Green Beckly, publisher of the magazine "ESP," has estimated that there are 5,000 witches in New York and perhaps twice as many in Los Angeles.^{vi}

That was then. Today, it has exploded and is not feared by the Christian Church as a dangerous thing.

In the seventies, Lewis Martello, the author of the *Weird Way of Witchcraft*, assisted New York City sorcerers in drawing up a "manifesto" demanding that civil rights legislation be extended to protect witchcraft as a formal religion, urging descendants of witches executed in Salem nearly 300 years ago to sue Massachusetts for \$100 million in "reparations."^{vii}

An estimated nine million women and girls met death by fire between the years of thirteen hundred and seventeen hundred for practicing witchcraft. In the eighteenth century, 19 suspected witches were killed in Salem, Massachusetts. Despite such extreme countermeasures, the occult rituals of witchcraft are widely practiced today around the world.

No longer threatened with death, witches enjoy a degree of respectability in America's lenient New Age society. Witchcraft is officially recognized as a religion by the IRS, which has granted tax exemption to the Church and School of Wicca ("seekers of wisdom"). At one Midwestern university, 500 students enrolled in a course in witchcraft. Because some witches are reluctant to announce their pagan affiliations, estimates of those in organized witchcraft in the United States today range from 100,000 to 600,000. Remember these figures were estimated in the seventies.

The history of witchcraft is sketchy, since ceremonies and beliefs are only orally communicated. Witchcraft rituals have been traced to worship of the Greek goddess Artemis, Diana of the Romans, the Egyptian moon goddess, and the fertility goddess of the Canaanite. Modern witches believe in two primary deities: Hecate, the Greek Goddess of ghost, and Pan (Lucifer), the god of the woods and shepherds. Witches insist their Pan, even though horned and cloven-hoofed, is not the same Lucifer condemned in Scriptures.^{viii}

WITCHCRAFT ~SUPERNATURAL

God's Word lifts the shroud of mystery from the phenomena of nature and their effects on man. God, who created the elements, uses them for deliverance, spiritual lessons and judgments. Satan also uses the elements . . . for destruction. Look at the Scriptures concerning wind, lightning, and earthquakes.

The Lord sent a strong east wind to part the Red Sea for Moses (Exo. 14:21; Psa. 78:26), **an east wind to bring locusts into Egypt** (Exo. 10:11-13) **and a west wind to drive them out**, (verse 19). He sent a wind, which brought quails from the sea, (Num. 11:31). **The wind and the sea obey Christ** (Mk. 4:39; Matt. 8:27). **And the winds are held back by angels** (Rev. 7:1).

In the search for wisdom (Job 28), **the question is asked "Where can wisdom be found. And where is the place of understanding? The deep says, 'it is not in me,' And the seas says, 'It is not with me.' Abaddon and Death say, 'With our ears we have heard a report of it.'** God understand its way [wisdom]; And He knows its place. For He looks to the ends of the earth, **And sees everything under the heavens. When He imparted weight to the wind, and meted out the waters by measure, when He set a limit for the rain, and a course for the thunderbolt, Then He saw it and declared it; He established it and also searched it out,"** (Job 28:14; 22-27).

Job finally finds wisdom and the **"place of understanding"** and to man He said, **"Behold, the fear of the Lord, that is wisdom; and to depart from evil is understanding,"** (verse 28).

Job says God understands all about the wisdom of the elements of nature and that nothing happens by accident. He even sees a sparrow fall to the ground and knows the number of hairs on our heads (Matt. 10:29:30). God weights the wind, measures the waters, limits the rain and sets the course for the thunderbolt.

WAR AGAINST POWERS OF DARKNESS

Christians can bind and loose supernatural powers according to the Bible. **“Verily I say unto you, Whatsoever ye shall bind on earth shall be bound in heaven: and whatsoever ye shall loose on earth shall be loosed in heaven.”** (Matt. 18:18).

The things Christians must loose from the Devil’s power according to the Bible. Nation, state, cities, community, geographical areas, church, family individual members of family, relatives, professions, vocations, businesses, education, finances, physical health, mental health. (Lk. 13:12).

We war against the powers of darkness. Satan tries to tie and destroy the plans of Jesus. We command him to loose all controls from his powers. Our spiritual power is the greatest force in the universe because it is source of power is God Himself. **“God has spoken once; twice have I heard this that power belongeth unto God,”** (Ps. 62:11).

This is what spiritual warfare is about. Jesus must be the center of a person’s life. One must know Him from the stand point of the power of the Word of God, because of His triumph; His people can win their war. ^{ix}

(Isa. 60:2), **“For, behold, the darkness shall cover the earth, and gross darkness the people: but the LORD shall arise upon thee, and his glory shall be seen upon thee.”**
