
TODD BENTLEY'S PAGAN BELIEFS

OPEN OUR EYES TO SEE YOU JESUS ~

EXALT YOUR POWER ~

Jacksonville, Fl. Miracle Outreach Ministry May 26, 2008
Investigating **TODD BENTLEY AND HIS DEMONIC MINISTRY**, many God fearing Saints have spent hours and hours researching his twisted dark interpretations of the Word of God and his pagan idolatry worship in this false demonic movement that many blinded Christians are calling it a tremendous "miracle revival of God."

<http://www.patholiday.com/ebooks.php>

Even revealing it scandalous inaccuracies in gospel teachings and the strong failings of moralistic judgments, the blinded still run after the darkness of the devils. Even revealing that another Jesus, another gospel by another spirit is being preached according to the Word of God, the blinded ones continue to speak out of their own experiences, never applying the Word to show that we are wrong, curse us, revile us, and stand with the bewitchments and perversions. Even when we prove our challenges from the research that we do concerning the demonology that Todd Bentley does and preaches, they superficially glance over the hard facts and ignore the truth and continue to run after the doctrines of devils.

WELL HERE SOME MORE RESEARCH

Many have asked about the tattoos on Todd Bentley's arm... Many have doubted that it was Emma-O's name. Some are writing saying; it simply means "King David. NOT SO!

THE HEXAGRAM AND THE STAR OF DAVID

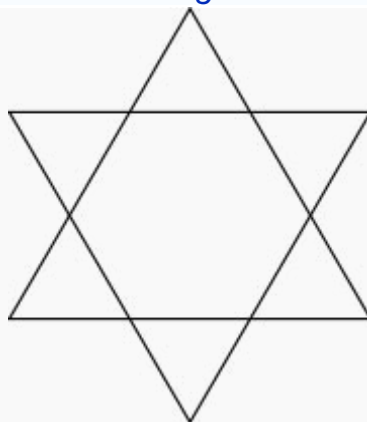

Many also have written, telling me that the "Star of David," is not evil... Well, it is evil...There is no Star of David in the Bible...But wizards and witches do use as the most powerful hexagram symbols to attack demons to them to do their evil work.

The Rothschild family requested and got this witchcraft symbol on its flag...They are the major financial donors to the establishment of Israel... Why would they request and receive a demonic symbol on the flag? Read more below and then go research for yourselves.

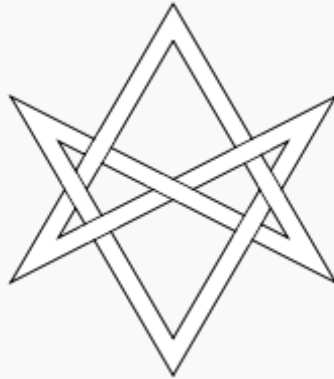

For other uses, see [Hexagram \(disambiguation\)](#).

For a [Jewish](#) symbol, see [Star of David](#).

For Occulted symbol see [Unicursal hexagram](#)

The regular hexagram {6/2}.

The [unicursal hexagram](#) is an irregular hexagram.

A **hexagram** is a six-pointed geometric [star figure](#), $\{6/2\}$, the compound of two [equilateral triangles](#). The intersection is a regular [hexagon](#).

While generally recognized as a symbol of [Jewish identity](#) it is used also in other historical, religious and cultural contexts, for example in [Islam](#), and [Eastern Religions](#) as well as in [Occultism](#).

In [mathematics](#), the G_2 [root system](#) is in the form of a hexagram.ⁱ

The history of the Rothschild family crest is an interesting story.

The Rothschild's, of course, are one of the main 13 Illuminati families that run today's criminal international banking ring.

They're part of the Federal Reserve ownership, the fraudulent [United States central bank](#).

When studying the Rothschilds, it's a good idea to research their [Rockefeller](#) connection, which in turn shows their connections with other banking houses and families.

EARLY ROTHSCHILD FAMILY CREST HISTORY

Before bearing the name Rothschild, this family of Jewish descent went by the family symbol, as did most Jewish families in the days prior to the 16th century or so. Their symbol is the Red Shield.

A man named Uri Feibes is the earliest known ancestor in the Rothschild dynasty bloodline. He lived in the early 1500's in Frankfurt, Germany.

The family came from modest beginnings. Most of them were Jewish retail traders, living in Judengasse, or Jew's Alley. Those living in Frankfurt's Jew's Alley endured bad living conditions.

Surnames weren't used by most Jews of that time. Instead, they used a symbol for their family identities. Interestingly, when the early Rothschilds finally decided on a surname, they chose Bauer, which means farmer in German. It's thought that these retail traders chose "farmer" in order to go unnoticed.ⁱⁱ

ROTHSCHILD FAMILY CREST: HEXAGRAM

The Bauer name still lives on today. However, one of them, Mayer Amschel Bauer, changed his branch of the family to match the Rothschild family crest (Red Shield).

Mayer Amschel Bauer was a well-off coin trader in Frankfurt. A red hexagram was hung in front of the family house.

This offers us a view into the Rothschild occultist tendencies. The hexagram is also known as the Seal of Solomon, the Magen David, or the Star of David. It was a symbol of Moloch and Astoreth and was used in the ancient Mystery Religions. Saturn, which has been known to represent Satan was also represented by the hexagram.

ROTHSCHILD FAMILY CREST: RE-NAMING THE BAUER'S

Because the six-pointed star was so important to Mayer Amschel Bauer, he decided to change his name to Rothschild (Rot – schild means Red Shield in German). His focus was to actually associate his family with occultism and Saturn (Astoreth worship). The Astor family is another influential Illuminati family.

ROTHSCHILD FAMILY CREST: OCCULTISM

Most Jewish people, of course, don't know about the occultist link to their Star of David. King David had nothing to do with the hexagram. His son, Solomon, did, however. Solomon worshipped the Astoreth star (also called Astarte, Chiun, Kaiwan, Remphan, and Saturn). Saturn is an important part of the Rothschild family crest/Illuminati history.

Many don't know this, but Rome was first called Saturnia, the city of Saturn. Occultism relates Saturn as being evil and it was important to Mithraism and Druidism, which are both in turn important to modern-day Illuminati members like the Rothschilds. So, here we see Mayer Bauer associating the family with an occult representation of evil and Satan.

ROTHSCHILD FAMILY CREST: IT'S EFFECT ON YOUR LIFE

You can investigate the Rothschilds further by reading [Satanic Rothschild Dynasty](#) and looking at the [Rothschild and World Economy](#) relationship.

As you look beyond the Rothschild family crest, you realize how the Rothschilds and other banking families, through the Federal Reserve, are stealing your labor and working toward their New World Order. Consider the words of David Rockefeller:

"We are grateful to the Washington Post, The New York Times, Time Magazine... whose directors have attended our meetings and respected their promises of discretion for almost forty years. It would have been impossible for us to develop our plan for the world if we had been subjected to the bright lights of publicity during those years. But, the work is now much more sophisticated and prepared to march towards a world government. The supranational sovereignty of an intellectual elite and world bankers is surely preferable to the national auto-determination practiced in past centuries."

ROTHSCHILD FAMILY CREST: HELP US HELP YOU COMBAT NWO EFFORTS

Our company has decided to do something about this [criminal cabal](#) of international bankers that the Rothschild family crest represents.

Awareness is the first step in beating powers that rely on secrecy. If an awakening of America takes place regarding these crooks, change can happen. Additionally, the law is on your side regarding the debt these banksters have you chained to. The banks create money illegally. In fact they created your credit card debt illegally.

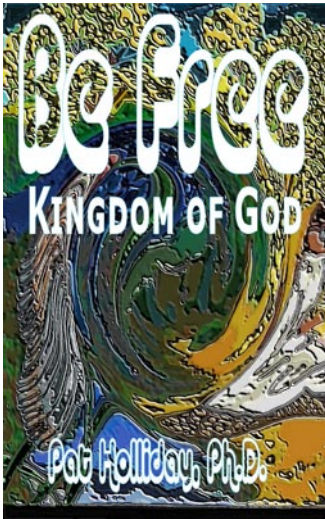

Since they need us indebted to continue their insidious plans, we've decided to start making a difference by helping you eliminate your debt. This process will free you financially while reducing the amount of money available to

the corrupt cabal. For every dollar of debt you legally eliminate through us, you're cutting \$33 out of their pockets because of their fractional reserve banking scam.

Join us in helping to educate others about what the Rothschild family crest represents. Do it now before your children are taken to a slave work camp in New World Order railroad cars. Do it now so your children can feel pride in the fact that you were one of the first to understand how the Rothschild family crest represents tyranny.ⁱⁱⁱ

Rhonda: Under Warlock's Control

In a thousand years, could I have ever imagined the witchcraft powers that have arrived

inside the Christian Church in our time? The following is a chapter from "Be Free," a book that I wrote in 1981. <http://www.patholliday.com/ebooks.php> Witchcraft was just beginning to show up when people begin purchasing occult based books and then becoming demon possessed,

When the infected people began turning up in our ministry, we never dreamed that one day in the future, that people would become bewitched by people who are preaching being accepted by Christian Church leadership. We thought the church would awaken to the rise of witchcraft in the country. Instead, large parts of the Christian Church have joined the powers in the name of "Miracles, Signs and Wonders. The Word God is being totally ignored as they follow the Latter Rain Movement that was previously rejected by all the major Pentecostal Churches, just 50 years ago.

“And others, tempting him, sought of him a sign from heaven. 17 But he, knowing their thoughts, said unto them, Every kingdom divided against itself is brought to desolation; and a house divided against a house falleth.18 If Satan also be divided against himself, how shall his kingdom stand? because ye say that I cast out devils through Beelzebub. 19 And if I by Beelzebub cast out devils, by whom do your sons cast them out? therefore shall they be your judges. 20 But if I with the finger of God cast out devils, no doubt the kingdom of God is come upon you. 21 When a strong man armed keepeth his palace, his goods are in peace: 22 But when a stronger than he shall come upon him, and overcome him, he taketh from him all his armour wherein he trusted, and divideth his spoils,” (Lk. 13:11,16).

RHONDA

Why are housewives, business executives, young people another sophisticated Americans becoming so obsessed with the occult? Is it just fun and games; or is it truly the overt activity of a great and evil spiritual personality?

"It was all quite innocent," said one teenage girl. "I was bored and unhappy. Then someone told me that I had telepathic powers. I became fascinated with ESP,

witchcraft, and the like. It wasn't long until I was hooked. I wanted power. But when I got it, I was terrified!"

This young girl almost lost her mind before she found release through Jesus Christ. She, like millions of her contemporaries, seemed to be driven by an inner desire to find the mystery to life. (1) The evidence mounts of supernatural powers that tie a knot that only Christ can loosen. By operation of a person's own free will, they can have free converse with Almighty God. But, unless integrity and righteous standing before God is maintained, that person can easily be seduced by an angel of light (I Tim. 4:1; II Cor. 11:13-15). It is a sad state of affairs today that so many Christians who attend church <http://www.patholiday.com/ebooks.php> regularly are being deceived by these angels of light.

More than ever before, (I Jn. 4:1), should be taught. **"Beloved, believe not every spirit, but try the spirits whether they are of God; because many false prophets are gone out into the world. Hereby know ye the spirit of God: Every spirit that confesseth that Jesus Christ is come in the flesh is of God: and every spirit that confesseth not that Jesus Christ is come in the flesh is not of God: and this is the spirit of Antichrist; whereof ye have heard that it should come; and even now already is it in the world." Again, we are reminded of the words of Jesus in (Matt. 24), "For there shall arise false Christs, and false prophets, and shall show great signs and wonders, insomuch that, if it were possible, they shall deceive the very elect."**

These supernatural evil powers are on the rise in our country. More and more people are coming through our meetings with demonic problems. Kurt Koch wrote about a girl that reminds me of Rhonda. He wrote, "A girl had an affair with a married man. The man later moved away from the district, but before he left he said to the girl, "Though we will be separated now, I will continue to visit you. I won't drive back here, but I will visit you in your dreams. You know what a man wants from a girl, and I will be able to take what I need any time I like. You won't be able to prevent it, and you will never be able to take any action against me as there will be no evidence to support your story." At first the girl did not understand what her lover really meant, but a week after her friend had left she suddenly felt his presence during the night. These visits were repeated again and again until they became a terrible and disgusting experience to the girl. First she consulted a doctor, but as was to be expected, the doctor explained the nightly psychic meetings away by saying they were sexual hallucinations related to the first stages of schizophrenia. The girl could not accept this diagnosis, as she was mentally quite normal. She was convinced that it was more than a hallucination."

I had been invited to minister at Donna James' prayer meeting. When I arrived and before I could even put my Bible and handbag on the table, Shirley announced that Rhonda needed prayer. "This is Rhonda. She's a very sick girl. One kidney has stopped functioning and the other is threatening to stop also. She may not

even be able to stay for the meeting. We had to help her into the house. She's in a great deal of pain."

I looked at Rhonda, auburn hair straggled over her forehead. Although she was young, her face was drawn, and agitated as by deep inward strife. She had dull, brown eyes, sunken in dark circles. Placing my things on the table, I walked over to her. "Well, let's pray for her now so that she can enjoy the prayer meeting." I saw a flicker of alarm invade her eyes. "You look pale" I said. "I'm just tired," her eyes fixed on me intently. "Rhonda, do you believe that Jesus Christ is your personal Savior?" "Sure I do." "Do you think He will heal you?" "Yes." "Do you want to be well?" She was silent a long time, staring darkly at thin hands on her lap. Then she stirred. "Yes, of course I want to be well." "Do you go to church?" "Yes, I attend a small Baptist church."

"Jesus said, **'Whatsoever ye shall ask the Father in my name, he will give it to you.'**" (Jn. 16:23). According to these scriptures, we believe Jesus told the truth, that we have a right to ask the Father for healing, in the Name of Jesus Christ, and to receive healing. If we trust God's Word, we may ask and know that we can receive it. We read in Isaiah 53: **'Surely he bore our grief** (Including sickness and disease), and carried our sorrows' (Pains); and in verse 5: **'He was wounded for our transgressions. He was bruised for our iniquities; the chastisement of our peace was upon Him; and with His stripes we are healed.'**

"Rhonda, think of this scripture, coupled with (I Pet. 2:24), **'Who his own self bare our sins in his body on the tree that we being dead to sins, should live unto righteousness: By whose stripes ye were healed.'** Do you believe that Jesus will heal you Rhonda?" "Yes."

"I laid my hands on her forehead and began to pray: "Lord, Rhonda needs a miracle to be healed. She believes Jesus has already paid for this illness by His stripes, according to the Bible. In the Name of Jesus, be healed . . ." We continued to pray. Suddenly the power of God touched her and she was instantly healed. (The use of the Name of Jesus is not a ritualistic formula). I took my hands off her head. Then the Lord revealed the occult to me. I folded my arms and began to talk to her again. "Do you feel better?"

"Yes, I'm healed . . . Praise the Lord!" "Sister, have you ever been involved in the occult?" "Yes." Bright pink spots appeared on her high cheekbones. I saw her give me a strange look. There was an uncanny feeling of oppression all around us. Everyone in the room watched as I continued probing. "Rhonda, demons are numerous throughout the whole earth, sweeping in great armies through the air. They long for a dwelling place and a human body is desirable. In some cases, a whole troupe will crowd into one person. As Christians, we have the power over these demons in the Name of Jesus. You can be set free; but be very sure that you will follow Jesus when He delivers you. Do you want to be free?"

"Oh yes, more than anything in the world." "In order to be free, we must confess all occult involvement to break the demonic hold, turn away from those things, then we tell Satan to go, in the Name of Jesus." Rhonda looked at us as though she were analyzing what we were saying to her. I'm sure she was thinking. Should I tell them the truth? Finally, after a long silence, she spoke. **"I date a guy who is a warlock!"** What a shock. The whole room came alive with curiosity. (A warlock is a man who practices witchcraft. Of course, witchcraft is an attempt to control others and make them do what you want them to . . . by the use of evil spirits).

The hairs on my arm were now standing straight up as she continued, "He can work spells, make things happen. He has a great power. He has so much control over me that when he calls me to come to him and I refuse to go, then something terrible always happens to one of my children." People involved in the occult, witchcraft, the black arts, etc., are aware that the supernatural exists. There is no need to educate them; however, you must demonstrate that Jesus Christ's power is supreme over all other powers. Rhonda's eyes constricted to narrow slits, like a cat's. There was a satanic force in those eyes. I had seen it many times before in other people. She continued, "I remember one time ignoring his command and my oldest daughter's heel was crushed. Another time, my older daughter's hip was damaged. She still must have surgery on it. My son's leg was broken on another occasion . . . My husband and I are on the brink of divorce . . ."

Her husband? I thought she confessed earlier that she attended a Christian church. And now first witchcraft, then admitting adultery, what kind of Christianity is this? Many modern Americans don't even feel wicked about sinning. Some even continue membership in the local church. Saddest part is, many ministers don't even recognize these evil spirits as present in the church. "But how does it work," someone asked. "Evil power," I said, glancing around the room at the faces of the women present. There was unbelievable horror stamped on them. Some of the ladies sat on the edge of their chairs. Others clutched their Bibles so tightly their fingers were white. Some looked ready to get up and run at a moment's notice. The air was heavy.

Christians are being exposed to occult involvement more and more. Unfortunately, many are unprepared to meet it in the power of the Holy Spirit, as the Apostle Paul was. (Jesus told his disciples to go cast out demons and heal the sick - we are his disciples today!)

Rhonda's eyes, remote and vague, fixed now on some space filled with memories. Her face was white and drawn with worry and fear. She stared straight ahead, saying, "this warlock has a lot of power. He can sit in his room across town, just think about me, command me to come to him and I will receive the message in my head to come. I must obey, because terrible things always happen if I ignore the call." I didn't say anything for a few seconds. "Rhonda, that's power all right, but the

power of the Holy Spirit is greater. Witchcraft thrives on fear and superstition. Its god is the god of this world, Satan, and the Bible condemns witchcraft. The apostle Paul confronted it in Acts, Chapter 19: 'Many of those also who used magical arts brought their books together and burned them before all men; and they counted the price of them and found it fifty thousand pieces of silver.' In the Bible, there is never any compromise. Witchcraft is forbidden by God. You must renounce all contact with it and repent . . . ask Jesus to save you . . . " I began to speak peace to her soul through the Word of God. "Rhonda, do you believe Jesus Christ is stronger than Satan?" "S s s sure, of course I do." Her face still reflected fear. "Would you want to break that curse the warlock has sent on your family?"

"Yes. It's terrible to live under a curse. I would do anything to get free from it." "Jesus said, 'You shall know the truth and the truth shall make you free.' (Jn. 8:32). Are you ready to give your heart to Christ, repent and turn away from your sins . . . follow Jesus, go to church and stay close to the cross?"

"Yes. I'll do anything that the Lord wants me to do." "Repeat this after me: Father, I am sorry that I became involved in witchcraft. I know it is against your Word. I repent from this sin and all my sins and ask your mercy and forgiveness. I promise you, Father that I will never engage in this sin again. I ask that Jesus Christ will cover this sin by His Blood." Tears were flooding down her cheeks. The Holy Spirit had placed a wonderful conviction upon her. I immediately began to plead the Blood of Jesus over her after Rhonda finished repeating the prayer. Suddenly, her face changed. An expression of terror, fear went through her body - goose bumps clearly stood out on her arms.

"We come against this curse on this family with the Blood of Jesus. Satan, you must turn Rhonda loose. We break your power over her and her family. She belongs to Jesus Christ now and you no longer have the right to harm her or try to control her. The Word of God says, 'Submit yourselves to God, resist the devil and he shall flee from you.' Now go, in Jesus' Name!" The waiting seemed endless. Then her eyes dully locked with mine for a few moments. A powerful demon had surfaced. It was extrasensory . . . some sort of unnerving spiritual presence. Her hand clutched the chair until her fingers were white. Her eyes widened in apprehension. Her mouth twitched.

"We take authority over you in the Name of Jesus, you demon of witchcraft. You must leave this woman, in the Name of Jesus. She's washed in the Blood of Jesus. She's confessed her sin. Now you must set her free!" Demons hate to be reminded of the Blood of Jesus. Rhonda shrieked. The demon firmly and deeply indwelling, refused to leave. Her mouth fell open with a frightened drop.

"You must leave. She is washed and saved by the Blood of Jesus."

The demon was determined to stay. But we knew who would be victorious. We knew that Jesus was stronger than any demon. Rhonda twisted about. The power

of the Holy spirit was flowing now, very powerfully. No one moved in the room. They were all whispering prayers, eyes glued to her. Rhonda's shoulders were now jerking, her mouth trembling. The intense spiritual battle was tiring me. I continued to order the demon out in the Name of Jesus. (In deliverance, you must be completely yielded to the Holy Spirit. You must drive the demon out. If choking or screaming occurs, you can forbid those manifestations then, or before the deliverance starts, by forbidding any demons to make violent manifestations, including vomiting, seizures, etc. But, you must keep your eyes on Christ's victory at the end).

I cleared my throat and reached for my Bible and placed it against her stomach, saying, "Let your dignity go and choose your deliverance, Rhonda." I noticed that she was now struggling to hold inside what was trying to come out. Her face was bloated, eyes popping. Finally, the evil spirit was defeated and began to move out. She began to choke again, face very contorted, she began to cough violently. Suddenly, she doubled over retching and spitting phlegm into a towel someone had furnished, the odor of sulphur filling the room. For an instant, my stomach jumped, threatening to make me ill also. The Holy Spirit immediately checked it. "Praise God," she shouted joyously. "Wow! It's gone!

"I'm free!" She began to grin. Such deliverance is spectacular. They build faith. We were all elated beyond words. Rhonda looked ten years younger. Her face was now fresh and peaceful. It was no long tight. I felt absolutely drained. It had been a heavy spiritual war: We had ministered to her for about 30 or 40 minutes.

"Rhonda, let me emphasize that deliverance is not automatic. Whether or not you keep your deliverance is dependent on your maintaining a very close walk with God. The Apostle Paul expressed it simply by saying, "Work out (walk out) your salvation in fear and trembling," (Phil. 2:12). Don't return to your old life, because the demons will return and you will be worse than before. You must stay close to Jesus. He said, 'Behold, thou art made whole; sin no more lest a worse thing come unto thee, "' (Jn. 5:14). I sat down exhausted, saying, "pray for me before we resume the meeting. I'm really tired."

"Rhonda, when the day of Pentecost was come, they were all with one accord in one place. And suddenly there came a sound from heaven as of a rushing mighty wind, and it filled all the house where they were sitting. And there appeared unto them cloven tongues like as of fire, and it sat upon each of them. And they were all filled with the Holy Ghost, and began to speak in other tongues, as the Spirit gave them utterance."

"The Bible shows this Baptism of the Holy Ghost five times in the Book of Acts. (See in Acts 8:14-17), it says, 'Now when the apostles which were at Jerusalem heard that Samaria had received the Word of God, they sent unto them Peter and John, who when they were come down, prayed for them that they might receive the Holy Ghost: (for as yet he was fallen upon none of them; only they were baptized in the Name of the Lord Jesus). Then laid their hands on them and they received the Holy Ghost.'" I turned the pages of the Bible forward to Acts 9:17 and began to read, "And Ananias went his way." Before I could go further, her head began to jerk back and forth. It looked as though something we could not

see was forcing her head to indicate a "No" motion. Her lips were pressed. There was fear in her eyes. I looked at her head, swinging back and forth, knowing she was under the domination of an evil spirit. Ignoring what the demon was doing, I spoke forcefully. "Yes, I command you to release her in the Name of Jesus. You spirit of Antichrist, loosen your hold over her. She's covered by the Blood of Jesus Christ, saved by His sacrifice and forgiven by the Father. Satan, you will have no victory over her, Glory to Jesus, Praise Jesus!" She shivered. The "no" motion of her head stopped as suddenly as it had begun. The evil spirit of resistance left. "THERE IS POWER, POWER, WONDER WORKING POWER, and IN THE BLOOD . . . OF THE LAMB . . ." The ladies sang.

But a murderous spirit surfaced. Her face became wild, her eyes, wide almost out of their sockets. She lunged at me, hands fixed like claws, ready to scratch my eyes out. She hovered over me, her face wildly contorted in hatred. For a second I was stunned. A jeering laugh echoed. Then I moved, so to speak, into immediate dependence on Jesus' power. All thought of fear dropped away from me. "In the Name of Jesus, we have the victory. I bind you in the Name of Jesus, you vile spirit of murder. I cover myself with the Blood of Jesus and every person in this room is covered. You have no power. I rebuke the power of darkness in this woman in the Name of Jesus."

Rhonda fell back on the couch like a crumpled doll. It was like pulling the plug out of the socket. An unseen power had overcome her. She was now half lying, half sitting, dull eyes half-closed, looking exhausted. No one was touching her, but she was bound there, unable to move a muscle. "Wonderful Jesus, we praise You Jesus . . . What power, Wonderful Lord . . .," we sang. It was a faith-building scene. "I rebuke you, demon of murder, in the Name of Jesus." Her eyes were flashing fearfully around the room. Her shoulders pushed forward. There was an obvious war going on inside her. She looked as though she would have liked to run away from what was happening. Finally after several more commands of, "Out in the Name of Jesus," 'Murder' left.

Another demon came up. She became glassy-eyed, transported into another world. It was eerie. She was obviously still under the influence of evil forces. She fell into a hypnotic trance. She seemed to slip away. I looked at her, and although she was still bodily present, she was no longer there. Beside me was a silent figure, staring straight ahead, seemingly unaware of my presence. I had a growing sense of uneasiness. It was a sensation of the presence of evil. We all began to pray and plead the Blood of Jesus. I was astounded and now very tired, exhausted from this war with evil spirits. Every bone in my body was now aching. The thing in her was trying to hypnotize me . . . Nan moved in front of me and began to assume the authority to continue the warfare. The Holy Spirit must have revealed to her that I was now very tired, if I didn't show it. I stood there watching as Nan ministered to Rhonda. The hypnosis demon was one of the strangest ones I encountered. It was clearly trying to control us with its fixed-gaze stare. Everyone continued to pray. Someone started to sing, "There is Power in the Blood." It helped to lessen the tension in the room as Nan continued to command it to leave. "Go, in the Name of Jesus!" "No! No!" Rhonda cried, cringing and shaking her head desperately, closing her eyes and biting her lower lip. Suddenly she let out a piercing wail and started crying.

"Oh my God. . . Oh my God," she struggled for an instant more then she went blank. Finally, the demon left her body. She fell back, under the power of the Holy Spirit, looking like a wet mop. There was a sudden ease throughout the room and all tension fled. Now,

radiance was flooding her whole being as the Spirit of God refreshed her. Her face was relaxed: The cleansing and rejuvenating power of the Blood of Jesus had transformed her. She was at peace for the first time in many years. It was wonderful to see that Jesus was still setting captives free. No one in the room could deny having seen a work of God doing battle with the forces of Satan that day . . . the winner being JESUS!

"I feel better now. I'm free . . . It's like I've been washed inside." She just couldn't shut up - eyes sparkling with cheeks aglow. The effect was really wonderful. It's not pleasant to see a person who is demon possessed, but what a joy to see them set free. I warned her again, "Remember Rhonda, nowhere in the Bible do we find evidence that demons will not try to return and regain entrance. Jesus always said go and sin no more. But a person filled with the Holy Spirit, who replaces old, dark habits with new holy ones . . . like praying and reading the Word of God, following Jesus and fighting a defensive spiritual battle . . . can stay free. If you do not do these things, the evil spirit will return, bringing seven more evil spirits with him and you will then be in worse shape than before. Rhonda, stay close to Jesus, very close." She did and still does.^{iv}

DEVIANTES ~ PERVERTED REVIVAL

WITCHCRAFT AND PERVERSIONS OPERATING INSIGHT IN THE CHRISTIAN WORLD ARE YOU LOOKING?

A letter from an anonymous seeker: The news about Jones was reported in the Olathe Daily News paper, 11/31/91. It contained that Jones admitted to sexual misconduct. He was removed from "ministry" to undergo a process of "restoration". This news was also published in a book called "What Happened To The Fire" by Lee Grady (1994). On page 103 it states, "About a year later, after the church had become affiliated with John Wimber's Vineyard network of churches, Jones admitted to a moral failure and was removed from his leadership position. Later, Mike Bickle stated publicly that he had promoted Jones improperly. He admitted that his church's emphasis on prophecy and mystical experiences had been unhealthy and destructive." Then, in another review of the Kansas City Prophets, Bill Alnor of the Christian Sentinel reported the following: "Jones, who was using his spiritual authority to induce women to disrobe for him, was removed from that church." I have contacted Bill personally and he will be forwarding me a copy of the investigative internal report that was published directly by the leadership team at the church where this incident transpired. The Apologetics Index, which is a ministry that researches resources on cults, sects and other religious movements, doctrines and practices, also reported on the matter. They state the following, that Bob Jones "was removed from the Vineyard Anaheim because of sexual improprieties, which consisted of encouraging women to undress in his office so they could stand 'naked before the Lord' in order to receive a 'word.'" In addition to this, several cult watch organizations have put him (Bob Jones) on watch for the same thing. Those are my sources concerning the sexual misconduct issue

Any revival that has the involvement of sexual perverts, such as Paul Cain and Bob Jones, is from the pits of hell and not from God! These liars, deceivers and con artists at the Lakeland Revival, including Todd Bentley and Stephen Strader, only see and hear what they want to see and hear and that is so dumb because others are not dumb like

they are! They see the truth about this so called revival is nothing but a farce and a joke devoid of integrity no matter how many people they might deceive!

What do you think of Todd Bentley's friend Bob Jones encouraging women to undress in his office so they could stand 'naked before the Lord' in order to receive a 'word?'"

And speaking of John Wimber's Vineyard network of churches, and his mother church Vineyard Anaheim, the Ledger reported Sunday:
<http://www.theledger.com/article/20080518/news/805180341&tc=yahoo>

The Toronto revival began at the Toronto Airport Vineyard Church under evangelist Randy Clark just as the Carpenter's Home revival was ending. It drew attention - and ridicule - for some practices that were even more unusual than holy laughter, such as people roaring like lions, barking like dogs or flapping their arms. Eventually, at the request of the Association of Vineyard Churches, the church withdrew from the association and changed its name to Toronto Airport Christian Fellowship.

Why should anybody be surprised at the type of unscrupulous characters they can find in these "Third Wave" revivals including my comment:

Yes these so called prophets and preachers in the Third Wave revivals who are not only arrogant, proud, egotistic, self centered and money loving but dangerous to your spiritual, physical and financial health.

TODD BENTLEY, Fires of Kundalini and the Demon Samuel

Todd Bentley's Dark World of Gnosticism, Mysticism and the Occult

The Lord Jesus started sending people to us that had been to some of the false revivals. They were laughing, raising their hands, swaying and jerking and showing strong demonic activity. When I touched them they started screaming with great fear in their eyes. We began to take authority over the devils. The devils obeyed the name of Jesus and began to leave. The last devil was one called Kundalini. We could see it move up the spine of the people that had gotten possessed at these false revivals and when it came out, it screamed, Hail Lucifer!

[Deception Bytes](#) has an interesting post up that confirms what I have been saying throughout my writings here of Todd Bentley's involvement in the occult and mysticism and passing it off as Christianity.^v

- I just finished reading Todd Bentley's, three part series Angelic Hosts. It is seriously one of the most disturbing and dangerous things I have ever read. It seems that the more I prayerfully look into Todd Bentley the deeper I am led into his dark world of **Gnosticism, mysticism and the occult**. My prayer for you is that you will honestly examine the things he teaches and

the manifestations present in his ministry in the light of scripture. In Todd Bentley's Article Angelic Hosts Bentley issues the invitation to eat from the Tree of Life. "I see angels bringing some of you to the tree of life. Remember how God, in Genesis 3:24, sent the cherubim to guard the way to the tree of life because man had sinned. God took Adam and Eve out of the garden. **But today the Lord wants to bring some of us into that place where we taste the fruit of the tree of life.** I want you to get involved right now and say:

- **Father, please give us that fruit.** Lord let those angels bring us right into the place where you have prepared a table for us in the presence of our enemies. Give us the divine life that comes from that tree so we can taste and see that the Lord is good.

Now let's compare this with GOD's word.

Genesis 2:15-17 (NKJV)

Then the LORD God took the man and put him in the Garden of Eden to tend and keep it. 16 And the LORD God commanded the man, saying, "**Of every tree of the garden you may freely eat; 17 but of the tree of knowledge of good and evil you shall not eat, for in the day that you eat of it, you shall surely die.**" [continued](#)

Continuing with this same topic, Todd Bentley is heavily involved with Kundalini energy, or also known as effects of "soaking prayer". **Wikipedia** describes Kundalini as:

•

"Kundalini (kuṇḍalinī in Sanskrit, literally "coiled". In Indian yoga, a "corporeal energy" - **an unconscious, instinctive or libidinal force or Shakhty, envisioned either as a goddess or else as a sleeping serpent coiled at the base of the spine,** hence a number of English renderings of the term such as '**serpent power**'. Kundalini is considered a part of the subtle body along with chakras (energy centres) and nadis (channels)"

Kundalini energy is satanic. Todd Bentley has said "I used to feel the anointing" in my hand; **now I feel it in my spine.** Of this "energy" or anointing being passed off as Christian, this is the same "anointing" Todd Bentley "imparted" to a leader from a church in the United Kingdom, Treavor Baker, <http://revivalfires.org.uk/> (at 1:26 minutes) where he states "something exploded in my back."

You can learn more about Kundalini energy or the effects of soaking prayer [here](#).
