What in the world would Martin Luther say? The Catholic Church was selling indulgences to save men's souls from "purgatory." Now modern Protestants are selling Disney demonic objects to take children's souls to hell!

News release found on the internet:

[CBN.com](http://www.cbn.com) – *The Lion, The Witch and The Wardrobe* roared into theaters in December. But outside of Narnia, the latest in a line of film props from Master Replicas came available to Sons of Adam and Daughters of Eve weeks before the theatrical release.

Has the entire Christian Church gone mad? I mean, stark-raving mad? Has the god of this world taken control of the churches' leadership and totally blinded their minds causing them to sink into the depths of total darkness? How dare we delegate the power of evangelization of our Christian children to the bloody hands of people that openly promote homosexuality and witchcraft. How dare we give godless pagans the power to take our children down avenues of witchcraft-fantasy that will blind

their hearts from the reality of Jesus Christ to the heart of a fantasy **false jesus lion** called Aslan.

I guess that Disney is laughing all the way to the bank. Imagine Christians being so stupid to believe that Disney has become the biggest evangelist for the gospel in the world. But what gospel will they receive, the gospel of a **fake jesus lion** who is sacrificed on a Satanic altar? It certainly not the real Jesus Christ died on the Cross for our sins. "And changed the glory of the uncorruptible God into an image made like to corruptible man, and to birds, and four-footed beasts, and creeping things," (Rom. 1:23).

May God have mercy. This outrageous plunder of the spirits of children will not be overlooked by the Father. Every major ministry in the country has stepped up to give their praise enthusiastically and endorsements to this demonizing of children's souls by Disney.

Charisma Magazine writes, "The much-anticipated *Chronicles of Narnia: The Lion, the Witch and the Wardrobe* raked in a whopping \$65 million domestically at the box office, securing its place in best-opening-weekend history at No. 23. But more important than Walden Media and Disney's collective payoff is how the film's underlying message ranked in the hearts of moviegoers.

"Lutheran Church of the Good Shepherd in Torrance, Calif., rented out two showings opening weekend. Members were encouraged to bring along unsaved friends. A fellowship night commenced directly after the movie, where both kids and adults created ice cream sundaes and played Narnia-themed trivia games with prize giveaways.

"We sent out 10,000 postcard invitations, gave away Narnia-themed booklets and sold over 400 tickets," said pastor Bob Rognlien, who preached a Narnia-themed series that began Christmas Eve. "We wanted to make a connection with people so that they'd come back for the series." <sup>1</sup>

I wonder if these "preachers" have thrown away their Bibles? Why do they need them? They have the infidels from Disney looking out for the spiritual well being of your Children. Forget about God. Preachers have a new book to preach, "**Lewis-Disney's The Chronicles of Narnia: the Lion, the Witch and the Wardrobe. It may fill their churches with empty hearts but Jesus will be on the outside looking**

**in. His candle stick will be removed from these worldly churches. He loves souls that He died for, despite their hardness of heart, He will plead for them to open the door for Him to come in.**

Is there any fear of God left on the earth?

### **BEWITCHING SPIRITS TODAY**

America is becoming more atheistic, pagan and heathenish every day. These diabolical spirits are replacing our beloved Christianity. The marks of paganism are idol worship, ritualism, witchcraft—religious but lost, ignorance concerning God. Spiritual darkness is the mark of paganism, (Eph. 4:18).

Paul evangelizing in Ephesus, after three months of bold preaching “. . . (certain) were harden, and believed not, but spake evil of the way before the multitude . . .” (Acts 19: 9). This was a godless, idolatrous city given over to the occult. The masses were obsessed with occult books and practices, magic, witchcraft. After three months of bold preaching by Paul, the people only grew harder. But then God began to perform special miracles through Paul’s hands. Suddenly, the sick were being healed, the lames were given healthy limbs, the blind had their sight restored! Paul’s ministry was a territorial-taking ministry. He came to change the demonic winds over the entire city! He came to take a harvest of souls for Jesus. He could only do it through the supernatural power of Jesus.

Today, Satan is a territorial taking spirit also. He has come to take the souls of millions of children in the world. He has come through Disney’s deception of fantasy witchcraft movies. At this moment, he is winning his hellish crusade because of the spiritual blindness of the church leaders and its preachers. The Bible shows in (II Thess. 2) that in the end times, that a spirit of “strong delusion” is to overtake the whole world in the last days. “But I fear, lest by any means, as the serpent beguiled Eve through his subtlety, so your minds should be corrupted from the simplicity that is in Christ. 4 For if he that cometh preacheth another Jesus, whom we have not preached, or if ye receive another spirit, which ye have not received, or another gospel, which ye have not accepted, ye might well bear with him,” (2 Cor. 11:3-4).

The Apostle Paul described this turning away from the true Christian faith as finding “another Jesus.” These bewitched people in the Galatian church amazed Paul that they once had known Jesus but had turned away and made a choice of following a false Christ. He clearly shows their problem as receiving . . . another, [*allon* -

*heteron - heteron*] - 'another Jesus . . . a different Spirit . . . a different Gospel.' The Greek word for another implies a distinct individual of the same kind; different implies one distinct in kind.

The Apostle goes on to challenge the church of Galatians who had fallen under a **bewitching spirit** and had completely **blinded them from the truth**. (Gal 1:6-9), "I marvel that ye are so soon removed from him that called you into the grace of Christ unto another gospel: 7 Which is not another; but there be some that trouble you, and would pervert the gospel of Christ. 8 But though we, or an angel from heaven, preach any other gospel unto you than that which we have preached unto you, let him be accursed. 9 As we said before, so say I now again, If any man preach any other gospel unto you than that ye have received, let him be accursed."

Another Jesus, another Gospel and another spirit is being preached everywhere. It's the gospel of fabrication.

When the Apostle Paul Preached, a great bonfire burned the witchcraft paraphernalia. "Many of them also which used curious arts brought their books together, and burned them before all men: and they counted the price of them, and found it fifty thousand pieces of silver," (Acts 19:19). Paul cast thousands of demons and the people willingly Ephesus had been confronted with a gospel "fully preached --with signs, wonders and mighty deeds!

When these modern blinded preachers preach, they preach curious arts and sell witchcraft paraphernalia. They are gathering millions of demons and great darkness comes to children and their parents without signs and wonders or mighty deeds occurring. They are soul stealers causing spiritual destitution of millions.

Let us take a look at CBN's advertisement for selling demonic items on the internet.

The [Master Replicas](#) line (demonic items for sell) focuses on the gifts given to Peter, Lucy, and Susan by Father Christmas shortly before the great battle.

The star of the Narnia line is sure to be the full scale replica of Peter's sword, which features a lion head pommel in brass, leather wrapped grip, and a blade engraved with the inscription, "When Aslan bares his teeth, Winter meets its death."

A 1/6 scale model of Peter's sword and shield is also available, as is a letter opener version that comes with a lion head stand.

In J.R.R. Tolkien's world of Middle Earth, weapons are practically characters unto themselves, but in Lewis' realm of Narnia the Christmas gifts are more symbolic of each child's attributes and personality.

Lucy's dagger and cordial embody her innocence, caring, and bravery.

He gave her a little bottle of what looked like glass (but people said afterward that it was made of diamond) and a small dagger. "In this bottle," he said, "there is a cordial made of the juice of one of the fire flowers that grow in the mountains of the sun. If you or any of your friends are hurt, a few drops of this will restore them. And the dagger is to defend yourself at great need. For you also are not to be in the battle."

"Why, sir?" said Lucy. "I think – I don't know – but I think I could be brave enough."

Susan is given an ivory horn, a bow, and quiver of arrows. Though in the book they are not even used in the final battle, the set represents her "transformation from stoic child to gentle queen," as the MR web site puts it.

Peter's sword and shield symbolize his strength and courage.

"That, O Man," said Aslan, "is Cair Paravel of the four thrones, in one of which you must sit as King. I show it to you because you are the firstborn and you will be High King over all the rest."

And once more Peter said nothing, for at that moment a strange noise woke the silence suddenly. It was like a bugle, but richer.

"It is your sister's horn," said Aslan to Peter in a low voice; so low as to be almost a purr, if it is not disrespectful to think of a lion purring.

## **CHURCH --SATAN KNOWS THAT YOU ARE SLEEPING**

It is nearly impossible to warn American Christians of the dangers facing their children concerning the plot of Satan and devils. Most Christians do not even believe that devils are real. Jesus Christ believed in, dealt with, and referred to the devil at least 15 times and the Bible refers to him 114 times. The Lord was not talking about an imagination or a mythological being but a real supernatural being described by the Bible as the arch deceiver of all mankind. The Lord cast devils out of both adults and children. The Scriptures admonish us there is such a being as the Devil that rules over such entities as

evils spirits which are set against God and His creation. For sure, Satan has the Church, every single Christian targeted for defeat.

The American family is mostly totally deceived. The deceptions that are being offered to their children are stronger than anyone could have ever imagined. Moreover, there are armies of deceivers marching to enticements the spirits of witchcraft and Satan's band.

### **HELLISH BLUEPRINT FOR THE ASSAULT ON THE CHILDREN**

Evangelization of Christian children by the pagan oriented Disney and Time Warner fantasy movies are a part of Satan's plan that will produce a new generation of wizards and witches. These devils are becoming their heroes, leading their lives to take them into the world of strong deceptions. While it is tragic when anyone is deceived, it is especially heart-wrenching to see children drawn onto this path which leads to eternal damnation. Witchcraft-based books and movies, such as "Disney's **The Chronicles of Narnia: the Lion, the Witch and the Wardrobe** and Time Warner's **Lord of the Rings and Harry Potter movies** will bring forth millions of children who will live in a delusory world, becoming dependent upon doctrines of devils. <sup>2</sup>

This traumatic assault and all-out spiritual war currently being waged against the children of the world by Satan's demonic legions that are inspiring his millions of disciples of New Age leaders. New Age witchery is sweeping across the globe, snatching up millions of innocent children in its rotten net. Satan's child abuse program of ongoing, systematic mind manipulation knows no bounds. Images, concepts, and symbols of the New Age, sorcery and the supernatural cabalistic beings now permeate children's TV programs, cartoons, movies and books. Unsuspecting children are constantly being exploited and spiritually ravaged by willful teachers and school administrators bent on poisoning captive young minds with New Age doctrines and rituals.

New Age medical malfeasances consist of: guided imagery, visualization, meditation, crystal powers, reflexology, polarity therapy, bio-feedback, spirit channeling, re-birthing (false spiritual born again experience), and past-life analysis (reincarnation theories). Recognize that the darkest spiritual night is upon us. Satan's goal has never changed: to wipe out all vestiges of Christ from the earth and thereby cause future generations to worship him as "god." <sup>3</sup>

The warfare stage once was the country, then it became the big cities, then the small cities, then the battle arrived to the blocks of the city and now it is in every family in the country. Every mother, father and child feels the spiritual attacks and oppression. Churches find themselves under demonic bondages and are, for the most part, unable to respond to the great cultural revolution that has sapped the spiritual life out of its heart.

Preachers have, in many instances, left heart of the Bible of preaching Jesus Christ, Son of God. They do not preach about sin. The witchcraft revolution has been ignored. Most Christians join the masses of unbelievers watching the various media that belch out the filth of the Devil's brainwashing and deceptions. Believe me, by the time you finish this article, you may discover that the problems that you are having with your children are because of your spiritual blindness.

Parents have to learn to recognize what Satan wants to teach the children. They have to become knowledgeable in the occult teachings that the New Age wants to bring on the world. Parents, grandparents, educators and pastors need to discern the spirit of the times, walk in the light, repel the darkness and take a well-informed stand for God's truth in our day.

Any time the dark side of the supernatural world is presented as harmless or even imaginary, there is the danger that children will become curious and find too late that witchcraft is neither harmless nor imaginary. In a culture with an obvious trend toward witchcraft and New Age ideology, parents need to consider the effects that these ideas may have on young and impressionable minds. Christian parents, teachers, pastors and counter-cult ministry workers are critics of Harry Potter "Disney's **The Chronicles of Narnia: the Lion, the Witch and the Wardrobe** and Time Warner's **Lord of the Rings**.

## **TELEVISION SHOWS**

By the age of two or three, most children regularly watch 26-33 hours of television each week. 98 percent of all households have at least one TV turned on an average of 6 hours per day. In an average evening of television viewing, deadly weapons appear about nine times per hour. 75 percent of all prime-time network drama contains some act of physical, mental, or verbal violence. 40 percent of all prime-time TV shows are considered to be very high in violence.

The average child has watched the violent destruction of more than 13,000 persons on TV by the time he is fifteen. At current rates, the average American will view 45,000 murders or attempted murders on television by the age of 21. The typical American child sees on television 75,000 incidents of drinking by the age 21. 78 percent of parents have used the television as a baby sitter at one time or another. By the time of high school graduation, most children will have spent 11,000 hours in school, but more than 22,000 hours in front of the TV.

According to Gorman Woodfin, *The 700 Club*, [“The Narnia Film: Just Plain Amazing. Woodfin of CBN, gives a raving critique of Disney’s \*The Chronicles of Narnia: the Lion, the Witch and the Wardrobe\*. He says, THIS GENERATION’S “WIZARD OF OZ” HAS ARRIVED!](#)

Well, this deliverance minister had a woman to come to our ministry that had a powerful obsession of the Wizard of Oz. I’ll call her Betty.

Betty told me the following story. “It started when I was a child. My mother bought me a copy of the film. I wanted to watch it every day. I knew every word and movement in the film. When Dr. Holliday, began to deliver me from evil spirits, she said, “I bind the power of the Wizard of Oz.” I was shocked but before I could say a word, I started getting deliverance.”

Betty went on to say, “After the deliverance from these demonic spirits, I began to feel well and normal for the first time since I can remember. I felt wonderful and free. You will never convince me that these fairy tale movies have no affect on children. I know better.”

This woman was in her forties when I was delivered from the powers of witchcraft. Betty said, “that movie, *The Wizard of Oz* had stolen my soul as a child but thank God for sending me to a deliverance ministry that understood that Jesus could set me free. “

So when Mr. Woodfin says, this demonic movie is “this generation’s wizard of Oz. Then I have say. He is speaking the truth about that. It too, will capture millions of unsuspecting minds and bind them to the big lie of Satan’s fantasy witchcraft. The other difference is, Narnia is being sold to Christian Children by spiritually foolish leaders as the true Christianity, not witchcraft phantasy. This will surely damage these children’s faith for their life time.

Mr. Woodfin goes on to give his glowing promotion, [“I was privileged to be asked to attend a preview of this film in New York this past weekend. The movie](#)

was astonishing! The folks at Walden Media and Disney did an excellent job at crafting this film. The acting is “spot on” and the special effects are seamless.” (Note the word “crafting.”)

The truth is, this film could not have been made five years ago. It was done by the computer’s ability to generate these thousands of demonic images. Another thing, it probably would not have been accepted by the Church leaders five years ago either. The darkness had not yet become complete.

Woodfin, says, “Director Andrew Anderson, of “Shrek” fame, did an amazing job. Certain animal characters in the movie are unbelievably human. Their facial expressions, their interaction with the children, and each other, become so believable. I forgot they must be computer generated images. You have to remind yourself—“Beavers really don’t talk, nor do foxes, wolves and lions.”

The truth is, if a grown “sophisticated” man has to ask himself if he’s watching fantasy, what do you think is happening in the minds of the children? They have no reference points to draw from. They have not yet developed their system of faith to compare truth from fantasy. So when you show them an image of lion and tell them, “that’s Jesus Christ,” they’ll believe you. You simply impute a lie into their minds.

Woodfin gives radiating reviews to Disney and Walden Media. Let him speak for himself. “On a side note, there is an extremely minor critical group that feels the film is not a true representation of the classic C.S. Lewis story. I totally disagree.

“I went to the film not having read the book. I wanted to see the film first. Let it stand on its own, so to speak. On my plane ride home, I began reading the C.S. Lewis original story. I realized what an excellent job Disney and Walden Media had done in converting this classic tale to the screen.

“The biggest challenge in writing a movie script based on a book, is needing to compress time yet still stay true to the intent of the book. While elements of the story are shifted, I felt the intricate character development and character interaction, especially in the children, remains solidly intact and true.

“At times where the C.S. Lewis story is slow, elements in the film were added to make the story move forward.

“As a person of faith, I was moved by the powerful images of sacrifice and forgiveness. But for others, this will be an astonishing journey to a fanciful land of talking animals and mythical creatures.”

Remember, the simulation of Jesus, the lion, Aslan was sacrificed on an altar. This is the manner of sacrifice that Satanist sacrifice their animals. The real Jesus died on the Cross by the hands of evil, demon possessed men. He died for the sins of men that they could see eternal life with His Father.

Woodfin goes on to say, "I truly feel, this generation's "Wizard of Oz" has arrived. Disney and Walden Media have done a stellar job of taking a beloved classic (with an estimated readership of 100 million) and making it into a masterpiece.

"This film is just plain . . . amazing."

Spiritual blindness is the greatest tragedy of our age. The Bible warns, "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth," (1 Tim. 2:15). Timothy warned, "Preach the word; be instant in season, out of season; reprove, rebuke, exhort with all longsuffering and doctrine. 3 For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears; 4 And they shall turn away their ears from the truth, and shall be turned unto fables," (2 Tim. 4:2-4).

Disney's **The Chronicles of Narnia: the Lion, the Witch and the Wardrobe** manipulates the minds of children and involve witches, wizards, spells, mythical creatures, devils and magic charms. C. S. Lewis's fantasy books demonstrate the battle between a mythical good and evil that pit heroic **white magic** against wicked **menacing witchcraft**."<sup>4</sup>

Witchcraft is known as the "Old Religion" and is an ancient practice dating back to biblical times. **Witchcraft can be defined as the performance of magic forbidden by God for non-biblical ends.** The word witchcraft is related to the old English word (wiccian), "practice of magical arts."

I warn you that the hearts of the children will harden concerning Jesus and His gospel. "And because iniquity shall abound, the love of many shall wax cold," (Matt 24:12).

### **MIND POLLUTION IS COMMON**

On the average, most American children see 250 episodes of war cartoons and 800 advertisements for war toys per year. War cartoons, complete with their

own line of war toys, continue to appear with each new season. War cartoons average approximately 80 violent acts per hour with an attempted murder every two minutes. These programs show characters who enjoy repeated attempts to kill each other. Usually the character who is considered good is never killed.

Whether prime-time TV, Saturday morning and after-school cartoons and shows, or big screen novels, nowhere can safety be found for the children. The realism of movies and TV is a demonic free-fire battle zone and the children are hapless targets. Shows like Charmed, Buffy The Vampire Slayer, and Sabrina The Teenage Witch blatantly promoted a modernized witchcraft.

Imagine how many tens of thousands of scenes of New Age, barbarism, butchery, violence, sex, sorcery, mythical gods and goddesses, space aliens, creatures and occultism are seen by the average child during say, the first 12 years of life alone, and you begin to realize the gravity and seriousness of what is happening to the kids. There is a belief that the kid's thoughts create reality for them. Images are printed upon the subconscious mind.

The Third Eye, All Seeing Eye or Mind's Eye is occult. Ascended Masters are supposed to be highly evolved spirit-beings (actually fallen angels) who make decisions concerning the lives of New Agers. These stories prepare children to seek after the secret things of Satan. New Agers believe that each color represents a god responsible for a certain human personality trait or activity. Unicorn is a potent symbol of the power of the Third Eye and of the Antichrist, the little horn.

The red rose (a much used Gnostic and occult symbol representing hidden wisdom and the rebirth of the spiritual). The kids are being introduced to the Mother Goddess of ancient Babylon. In ancient Egypt, the feminine Ra reigned as a godlike queen. Ra, or Isis, was called the Queen of Heaven.

In the City of Babylon, the goddess was called Ashtar, queen to the Bull God. Her god son's name was Horus, the Sun God, whose all-seeing eye is today prominently featured on both our U.S. one dollar bill and as a popular symbol for thousands of New Age publications and commercial items. Ram, a horned goat god, is revered by Satanists even today. The winged Pegasus horse and unicorn are popular New Age symbols. The Force is substituted for the God of the Bible. One of the most sinister symbols in the occult is the Satanic triangle inside a circle.<sup>5</sup>

## **SOUL STEALING CARTOONS**

When you were growing up with Mickey Mouse, Bullwinkle and Popeye, the animation studios created characters and shows of their own. The toy companies confined themselves to advertisements that fit between the cartoons. Today, toy companies are sharing the cost of creating cartoons and movies featuring the toys in their product lines. Cartoon writers and toy designers now collaborate efforts to release toys simultaneously. In fact, almost every cartoon released today is connected with a toy.

Preschoolers, many of whom don't know Humpty Dumpty or Little Bo Peep, can sing every word of the commercial jingles and theme songs of popular TV shows. Initially, children were not considered a target audience because they didn't actually make the purchases. That soon changed. Today you will find that there are a greater number of commercials in programs designed for children's viewing than are found in the same length of prime-time television.

Children seldom go away from the TV without humming a tune, chanting a phrase or suffering from the I wants triggered by one of the numerous advertisements that they saw during their favorite programs. No one can sit down and watch any half-hour of cartoons or prime-time programming targeted for children without being shown at least a dozen toys that you not only deserve, but need to feel good and have a pleasant life.

Despite concentrated efforts of many parents, stereotyping of toys persists. All over the U.S., girls are playing with frilly dolls with beauty contestant bodies and unbelievable wardrobes. American boys are playing with action figures that are armed with every imaginable weapon. Ready to do battle for the universe.

Violence in cartoons is changing the way that children play. Studies show that there is an increase in hitting, kicking, choking, throwing, holding other children down, pushing and hurting animals. Television generally does not give much credence to Christian beliefs or concepts. Television gives credence to the occult and psychic power by presenting it and not trying to disprove it. Many shows, especially cartoons, are saturated with the occult. Children see the occult as all powerful and real.

Next to parents, television is the most important teacher that a child has. This is because of the massive amount of time that children spend in front of the television set. Unfortunately, television programming encourages this one size-fits-all mentality, which is reflected in the toys kids from two to twelve are playing with these days.

Until a child is seven years-old, he sees television as a form of the real world. He has no concept of fantasy and reality. He views everything in a very literal sense. Since children view television as reality, they are growing up thinking that good guys never get hurt in battle. They are seeing that aggression is an acceptable means to settle disputes. Children believe to be real any event they see on TV that could happen in real life. As a result they are more vulnerable to the social message of television. <sup>6</sup>

## **SATAN'S BOOKSHELF**

### **Bedtime STORIES FOR LITTLE WITCHES**

Satan is having a field day with the kids, producing books of terror to putrefy and trash mind and soul. Children have always been highly susceptible to fantasies and fairy stories, to amazing flights of the imagination. Keep the children from reading feigned fables, vain fantasies and wanton stories. Fantasy and fable are now popular and widely received that even so-called Christian fiction fantasy novels for kids are in vogue. They slyly and cunningly move the young reader from Christianity into an imaginary realm of darkness. Many times, even mature adult Christians find difficulty in discerning the true nature of these books.

One librarian reported that most of the interest is in black magic. The witchcraft religion teaches hatred and intolerance toward Christianity. The reader is never told the danger of fooling with the occult. There is coverage of familiar spirits, seances, initiation rites, stealing, deceit, lying, alienation from and mistrust of parents, giving of unholy spiritual names. The Satanic Druidic history of Halloween was a pagan holiday.

Books are geared to arouse an inner desire in young readers for knowledge of mysticism, magic, sorcery, and witchcraft. Savage, gross violence and cruelty are tools the New Age are using to destroy the kids. There can be little doubt that we are raising the kids up to be monsters thriving on chaos, meanness, and inhumane acts of butchery. <sup>7</sup>

The warfare stage once was the country. Then it became the big cities, then the small cities. Then the battle arrived to the blocks of the city and now it is in every family in the country. Every mother, father and children are feeling the spiritual attack. Churches are finding themselves under the demonic bondages and are, for the most part, unable to respond to the great cultural revolution that has sapped the spiritual life out of its people.

There is no preaching about sin. The witchcraft revolution has been ignored. Most Christians join into the various media that belch out the filth of the Devil's brainwashing and deceptions. Believe me, the problems that you are having with children could be because of your spiritual blindness and blind trust of Christian leaders who have fallen into blindness themselves. Jesus warned about religious leaders in the Bible, "And he spake a parable unto them, Can the blind lead the blind? shall they not both fall into the ditch?" (Lk. 6:39).

You must decide who the real Christians are in these days. Stop your support of ministries that are now openly working for the Devil. Jesus never sent his workers to preach the Gospel so that they could live like kings and queens on this earth. He sent his disciples to collect money so that God would bless you. The Word says, (Mk. 16:15-17), " And he said unto them, Go ye into all the world, and preach the gospel to every creature. 16 He that believeth and is baptized shall be saved; but he that believeth not shall be damned. 17 And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues . . ."

### **CHILDREN ARE SICK**

Some are on heavy drugs, prescribed by doctors to control their tempers. Others are withdrawn, not doing well in school. Many have lost their minds and abilities to function normally. Large numbers are rebellious. Families are faced with children that they feel absolutely helpless. Why has the great curse fallen upon so many families?

Do your children wrestle with troubles and out of control? Are your children Bipolar? Do your children suffer from nightmares? Hypertension? Confusion? Are your children depressed? Abused? Afraid? Tormented? Suicidal? Sick? Alcoholic? Addicted? Obese? Witchcraft? Satanist? Brotherhood? Do you want them out of the occult or a cult? Are they involved in the bondage of pornography? Sexually active? Homosexual (gay, lesbian)? OCD? MPD? DID? Molester? Self-Abuse? Etc.?

Your children can be free! The only answer to receive help for their entire personal problem is through deliverance in the Name of JESUS CHRIST. The solution is to cast these DEMONS out.

### **SALVATION"**

Believe on the Lord Jesus Christ, and thou shalt be saved, and thy house," (Acts 16:31).

"For by grace are ye saved through faith; and that not of yourselves, it is the gift of God - not of works, lest any man should boast," (Eph. 2:8-9).

"Not by works of righteousness which we have done, but according to his mercy he saved us, by the washing of regeneration, and renewing of the Holy Spirit," (Tit. 3:5).

### **THE BIBLE AND WITCHCRAFT**

Both the Old and New Testament make repeated references to the practice of witchcraft and sorcery, and whenever these practices are referred to they are always condemned by God. The Bible condemns all forms of witchcraft, including sorcery, astrology and reading human and animal entrails. The following passages describe the various forms of witchcraft which are condemned by God.

Thou shalt not suffer a witch to live, (Exo. 22:18).

Ye shall not eat any thing with the blood: neither shall ye use enchantment, nor observe times. Regard not them that have familiar spirits, neither seek after wizards, to be defiled by them: I am the LORD your God, (Lev. 19:26 & 31).

A man also or woman that hath a familiar spirit, or that is a wizard, shall surely be put to death: they shall stone them with stones: their blood shall be upon them, (Lev. 20:27).

Thou shalt not do so unto the LORD thy God: for every abomination to the LORD, which he hateth, have they done unto their gods; for even their sons and their daughters they have burnt in the fire to their gods, (Deut. 12:31).

There shall not be found among you anyone that maketh his son or his daughter to pass through the fire, or that useth divination, or an observer of times, or an enchanter, or a witch, 11 Or a charmer, or a consulter with familiar spirits, or a wizard, or a necromancer. 12 For all that do these things are an abomination unto the LORD: and because of these abominations the LORD thy God doth drive them out from before thee. 13 Thou shalt be perfect with the LORD thy God. 14 For these nations, which thou shalt possess, hearkened unto observers of times,

and unto diviners: but as for thee, the LORD thy God hath not suffered thee so to do (Deut. 18:10-14).

For rebellion is as the sin of witchcraft, and stubbornness is as iniquity and idolatry. Because thou hast rejected the word of the LORD, he hath also rejected thee from being king, (1 Sam. 15:23).

And they caused their sons and their daughters to pass through the fire, and used divination and enchantments, and sold themselves to do evil in the sight of the LORD, to provoke him to anger, (2 Kin. 17:17).

And he made his son pass through the fire, and observed times, and used enchantments, and dealt with familiar spirits and wizards: he wrought much wickedness in the sight of the LORD, to provoke him to anger, (2 Kin. 21:6).

Moreover the workers with familiar spirits, and the wizards, and the images, and the idols, and all the abominations that were spied in the land of Judah and in Jerusalem, did Josiah put away, that he might perform the words of the law which were written in the book that Hilkiyah the priest found in the house of the LORD, (2 Kin. 23:24).

So Saul died for his transgression which he committed against the LORD, even against the word of the LORD, which he kept not, and also for asking counsel of one that had a familiar spirit, to inquire of it," (1 Chron. 10:13).

And when they shall say unto you, Seek unto them that have familiar spirits, and unto wizards that peep, and that mutter: should not a people seek unto their God? for the living to the dead? (Is. 8:19 ).

And the spirit of Egypt shall fail in the midst thereof; and I will destroy the counsel thereof: and they shall seek to the idols, and to the charmers, and to them that have familiar spirits, and to the wizards, (Is. 19:3).

Stand now with thine enchantments, and with the multitude of thy sorceries, wherein thou hast laboured from thy youth; if so be thou shalt be able to profit, if so be thou mayest prevail. 13 Thou art wearied in the multitude of thy counsels.

Let now the astrologers, the stargazers, the monthly prognosticators, stand up, and save thee from these things that shall come upon thee, ((Is. 47:12-13).

Therefore hearken not ye to your prophets, nor to your diviners, nor to your dreamers, nor to your enchanters, nor to your sorcerers, which speak unto you, saying, Ye shall not serve the king of Babylon: 10 For they prophesy a lie unto you, to remove you far from your land; and that I should drive you out, and ye should perish., (Jer. 27:9-10).

And I will come near to you to judgment; and I will be a swift witness against the sorcerers, and against the adulterers, and against false swearers, and against those that oppress the hireling in his wages, the widow, and the fatherless, and that turn aside the stranger from his right, and fear not me, saith the LORD of hosts, (Mal. 3:5 ).

And when they had gone through the isle unto Paphos, they found a certain sorcerer, a false prophet, a Jew, whose name was Barjesus: 7 Which was with the deputy of the country, Sergius Paulus, a prudent man; who called for Barnabas and Saul, and desired to hear the word of God. 8 But Elymas the sorcerer (for so is his name by interpretation) withstood them, seeking to turn away the deputy from the faith. 9 Then Saul, (who also is called Paul,) filled with the Holy Ghost, set his eyes on him, 10 And said, O full of all subtlety and all mischief, thou child of the devil, thou enemy of all righteousness, wilt thou not cease to pervert the right ways of the Lord? (Acts 13:6-10).

Now the works of the flesh are manifest, which are these; Adultery, fornication, uncleanness, lasciviousness, 20 Idolatry, witchcraft, hatred, variance, emulations, wrath, strife, seditions, heresies, 21 Envyings, murders, drunkenness, revellings, and such like: of the which I tell you before, as I have also told you in time past, that they which do such things shall not inherit the kingdom of God, (Gal. 5:19-21 ).

But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death.(Rev. 21:8).

**The Apostle Paul warns of the spread of heresy from the Christian faith.** The word Apostasy means: falling away, a withdrawal, a defection from the faith. Paul goes on to say in the scriptures, “Let no man deceive you by any means; for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition,” (I Thess. 2:3).<sup>8</sup> We must totally depend on God and His divine protection and we can know that He is able. We must ask Him for guidance and we must do so continuously. Let us contend for the undefiled faith, not wavering, not growing weary without reservation or compromise. Persevere, but do not despair when people believe your message of Love and Salvation. Rejoice even when they revile and persecute you. The children should be encouraged to participate with us in spiritual warfare. Cleanse the home of rock music albums, demonic toys, Satanic posters, idols, and so forth.<sup>9</sup>

Better stay very close to Jesus these days. Stay in the Word, stay close to a real Bible Believing church. Stay free from sin. Keep your eyes on Jesus. Pray. Jesus is coming back for a delivered church, washed in His Blood!
