DISNEY TIME WARNER VS. CHRISTIANITY

Demonic toys are already produced and the fast-food places are offering “Narnia” monstrous images to children with their “Happy Meals!” Satan is a getting free ride into the homes of willing parents who are inviting his evil spirits to torment their children. Believe me. These same toys will be selling in **Christian bookstores**’ worldwide. These identical books, however, can also be found in **occult bookstores** everywhere! Are your children safe from demonic attacks, bringing idols into your homes? The Word says that these images are an abomination to God. Read on and see what God thinks about these fantasy movies, Disney’s **The Chronicles of Narnia: the Lion, the Witch and the Wardrobe** - Time Warner’s **Harry Potter** and **The Lord of the Rings** movies

THE GOD OF THIS WORLD

Blinding, deceiving spirits are taking many captives in the Christian Church because they have been sold the stories that Tolkien, C. S. Lewis, was Christians. Great defense has risen because both claimed to be Catholics. However, these fantasy works rival the Rawlings Harry Potter books in revealing and practicing the powers of darkness. It is a sad fact that mainstream “Christianity” esteems C. S. Lewis and Tolkien as great “Christian” authors and their writings as edifying with profound themes of “Christian” teachings.

Even if Tolkien and Lewis were Christians as claimed, practically everyone overlooks the massive dark cloud that these movies were produced by companies that have track records of promoting witchcraft through the media entertainment. Therefore, ignoring the source of Disney's **The Chronicles of Narnia: the Lion, the Witch and the Wardrobe** - Time Warner's **Harry Potter** and **The Lord of the Rings** movies are defiantly slanted toward Witchcraft and promotion of pagan religion. Their shocking spiritual assault upon innocent children, do not make sense for strong Christian defense that they receive.

DIFFERENCE BETWEEN THE CLEAN AND UNCLEAN

Through the book of Leviticus God institutes a difference between the clean and the unclean, God has a distinctive purpose for this difference. One is the primary reason is that in the world there are two forces or two spirits. There are two battle lines, and two persons who are deadly enemies. The two are God and Satan, and all the forces have one goal. That mission is to reach the souls of men with their message. The outcome of the battle will save or damn that soul eternally. Therefore, so that the message of salvation will be a clear signal, God wants a difference between His people and the people of the world.

The absence of a difference in many circumstances it is one of the greatest cause of confusion in the world and there are those who should be the benefactors of the Gospel seem more confused by the lack of difference than if they had never heard the message. The prophet Ezekiel lamented this point in chapter 22:26, and then later, in (Ezek. 44:23), said, "men should be taught the difference." As surely as there is a difference between light and darkness and righteousness and unrighteousness, there is a difference between the Christian and the unsaved person. Then in (I Pet. 2:9), we see that the people of God are a special people in comparison to the people of the world. God's people are a chosen people, made royal and holy and called out, of the worldly atmosphere of ungodliness.

SPIRITUAL PROTECTION

Spiritual security comes by carefully watching where you go. If you find yourself in the wrong place, then respond by using your spiritual weapons for divine protection. You must bind the devils according (Matt. 18:18), and place yourself under Jesus' blood. This is the reason that a person has to choose the places they may go and their friendships very carefully. When choosing spiritual fellowship, it is important to seek the approval of the Holy Spirit. It is also very necessary to seek a biblically based church that is teaching the truth of God's Word. Bible believing

churches will encourage spiritual growth and sanctification. These types of churches will emphasize building Christian character and bringing a person into a relationship with Jesus. Jesus must be the central issue of the Gospel. Many will teach about “God” not featuring Jesus. He must be revealed as the Lord of Lords as the only pathway back to God! ¹

DUMB STONE-WOOD

These demonic “fantasy books and movies,” actually these witchcraft stories will teach your child deep mysteries of witchcraft. The Lord brought me to (Hab.2: 19) where it says, “Woe unto him that saith to the wood, Awake to the dumb stone, Arise, it shall teach.” This Scripture convinced me sorcery and magic is all deception, and who is the father of lies? How can we use deception to teach truth? Jesus said, ‘Suffer the little children to come unto Me.’ He never endorsed an imaginary lion, or dummies to bring children to Him. He doesn’t need a dummy to speak through. He has you and me. The Word of God says in (II Cor. 2:11), “Lest Satan should get an advantage of us for we were not ignorant of his devices.” Satan has the advantage when he knows those who are not rooted and grounded in the Word. He goes about as a roaring lion “seeking whom he may devour,” (I Pet. 5:8).²

There is no doubt in my mind that sorceries, magical movies promote the occult and violence. Just a word about God's view of violence -- GOD HATES THOSE WHO PROMOTE VIOLENCE. Look at (Ps.11:5), “The LORD trite the righteous: but the wicked and him that loved violence his soul hated.” Let me issue a solemn warning to Church leaders and parents, Magic is dangerous because it conditions the minds of the children to be receptive to the occult and violence and those who really get into it, it acts like drugs, they become addicted. It becomes the focus of their lives.

Not Everyone entrust their kids to Disney-Warner FANTASY - DEMONIC - WITCHCRAFT movies or fill their home with Disney merchandise. The Bible tells us that Christian parents need to restrain their children and point them to the ways of the Lord. These fantasy movies is the latest major firestorm for the Body of Christ. There will be major repercussions to the spiritual lives of Christian families. (1 Sam 2:22-24), “Now Eli was very old, and heard all that his sons did unto all Israel; and how they lay with the women that assembled at the door of the tabernacle of the congregation. 23 And he said unto them, Why do ye such things? for I hear of your evil dealings by all this people. 24 Nay, my sons; for it is no good report that I hear: ye make the Lord’s people to transgress.” God’s bone with Samuel was that he was

the one who was given the spiritual authority over his sons but he did not correct them. God said, "I will judge his house . . . Because his (Eli's) sons made themselves vile and he restrained them not." Due to his negligence of being a responsible father, Eli, lost his relationship with God and his life. Also, his son's lost their positions in God's scheme for the nation and their lives.

MYSTICAL WITCHCRAFT

Grotesque mystical creatures with fantastical powers and witchcraft themes are now being received by many in the Evangelical movements as good for children. Sadly enough, blatant witchcraft of Disney's **The Chronicles of Narnia: the Lion, the Witch and the Wardrobe** and Time Warner's **Harry Potter, The Lord of the Rings** movies has been widely endorsed by well-known and respected "Christian" leaders. They have proven themselves to be modern day Judas Iscariots. Nothing could be more obvious than that these witchcraft books and movies are purely devilish. "Christian" leaders, however, defend them by saying that good magic always wins and overcomes evil magic. This is called in the illusory world of the occult as "white witchcraft" and "black witchcraft."

These movies have literally captured the imaginations of millions of Christian children. When anyone becomes preoccupied with thoughts that are an abomination to the Lord God Almighty there is going to be trouble. According to (2 Cor. 10:4-5), we must reject thoughts that are contrary to God's word, and bring into captivity every thought to the obedience of Christ. If a person refuses to do that, (Rom. 1:21), reveals the consequences. " Because that, when they knew God, they glorified him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened." A darkened heart is serious business!

Christians are truly in religious trouble because church leaders and Christian parents are relegating their children's spiritual well-being to money-greedy, heathenish - oriented companies such as **Walt Disney & Time Warner**. Such a lack of discipline means a deficiency of fearing God. Look at how the Church was recently bewitched by the defenders of Disney's **the Chronicles of Sabrina: the Lion, the Witch and the Wardrobe** and Time Warner's — **Harry Potter Movies, The Lord of the Rings**. The record shows that very important Christian leadership jumped on the bandwagon with powerful endorsements of these magical-witchcraft films.

The Bible makes it clear in both the Old and New Testaments that occult practices are an abomination to the Lord. (Deut.18:10-12), "There shall not be found among you any... that useth **divination**, or an **observer of times**, or an **enchanter**, or a

witch, 11 Or a **charmer**, or a **consulter with familiar spirits**, or a **wizard**, or a **necromancer**. 12 For all that do these things are an abomination unto the LORD.”

Another scripture passage that points out just how seriously God views the occult and wizardry is (Acts 13:1). The Apostle Paul indicts Elymas the sorcerer with these words, “O full of all subtlety (deceit) and all mischief (maliciousness), thou child of the devil, thou enemy of all righteousness, wilt thou not cease to pervert the right ways of the Lord?”

The author of this article agrees that the pagan writers and the evil spirits behind their writing do indeed imitate reality. Satan is the master imitator, but his evil inspiration should be never used as foundation for truth. A mixture of truth and error is completely forbidden in Scripture. “Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? And what communion hath light with darkness? And what concord hath Christ with Belial? or what part hath he that believeth with an infidel? And what agreement hath the temple of God with idols?” (II Cor. 6:14-16a).

The fact is, we should not mimic things that are an abomination to the Lord. No one should even pretend to be a child of the devil, an enemy of righteousness. When they do, they pervert the acceptable ways of the Lord!

The author was ministering in another state. A lady came through the prayer line. She requested, “Would you pray for my father? He’s a former pastor and he’s in the state insane asylum.” I asked her why he was in the insane asylum?” She told me that her father had put on a play about the crucifixion of Jesus. He played the role of the Devil. When he came home that night, he took a knife and killed my mother. My dad screamed, “You are demon possessed.” Sadly, the churches are filled with “drama.” We need to preach the Bible.

Question. Since when do parents entrust their children’s spiritual health to Walt Disney and Time Warner’s promotion of a false Jesus? Why are parents determining that Walt Disney - Time Warner is proper Christian transmission channel for evangelism, a suitable vehicle of presenting the real Jesus Christ? Children are being sold an **idol called Aslan, the lion**, whom they depict as **substitute for Jesus**. Children are being taught to think highly of demonic figures as heroes and a fantasy wizard, Harry Potter. They are instructed to seek spiritual answers for their lives from fantasy and imagined, grotesque monsters. Spiritual blindness will hide true redemptive power of Jesus from these fantasy-infected victims. The Bible shows the result upon people’s minds that will be blocked from the truth, (2 Cor. 4:4), “In whom

the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them.”

CONTAGIOUS SPIRITUAL DISEASE

It is amazing how far Satan has pushed his program of contagious spiritual disease upon Christians His action will cause legal grounds and legal holds to be given to his demons for attacks on their dupes, their homes and families. The Bible admonishes of the risk of getting involved with his demonic plots, "Although they claimed to be wise, they became fools and exchanged the glory of the **immortal God for images made to look like mortal man and birds and animals and reptiles,**" (Rom. 1:22).

There can be no doubt about the flagrant way in which the forces of darkness are encompassing our land and people. The darkness is now embracing the Christian church. The permissive society along with its blinding perversion of moral and spiritual values is an appalling reality. The occult (hidden, secret) realm belongs to Satan and the demons, however, those who become involved are enslaved and many times they are permanently damaged by the contact. They receive a curse from God to the Third and fourth generation. Occult dabbling will lead to all sorts of problems from spiritual - physical sickness to moral and mental troubles.

There is an outpouring of offensive activities of supernatural evil in our land related to Satanism, witchcraft, and idolatrous practices etc. Influenced by various demonic agencies, these idolatrous actions make up calls for God's people to engage in spiritual warfare "in the heavenlies" as the church has never known before. **“We are not contending with flesh and blood, but against evil authorities, against the world rulers of this present darkness, against the spiritual hosts of wickedness in the heavenlies,”** (Eph. 1:3,20; 2:6; 3:10; 6:12). We must see with triumphant freshness that by the finished work of our Lord, The Son God, has destroyed the works of the devil and his minions.

THE SPIRIT OF IDOLATRY

Demons' activity can occur in a house due to demonic objects of idolatry. An idol may be defined as the image of a god, or any other material symbol which is the object of worship.

The Bible perfectly described the spiritual condition that idolatrous people drop into when they leave God's religious standard. The Scripture warns, “Wherefore should the heathen say, Where is now their God? 3 But our God is in the heavens: he

hath done whatsoever he hath pleased. 4 **Their idols are silver and gold, the work of men's hands.** 5 They have mouths, but they speak not: eyes have they, but they see not: 6 They have ears, but they hear not: noses have they, but they smell not: 7 They have hands, but they handle not: feet have they, but they walk not: neither speak they through their throat. They that make them are like unto them; so is everyone that trusteth in them,” (Ps.115: 2-8).

When the wicked see that God does not always carry through His promise as they imagined, they figure there is no God. They replace God with images of gods in their own mind made by their hands. (Lev 26:1), “Ye shall make you no idols nor graven image, neither rear you up a standing image, neither shall ye set up any image of stone in your land, to bow down unto it: for I am the LORD your God.”

[Their idols are silver and gold, the work of men's hands.] They are constructed of metal, stone, (plastic, clothe) and wood. They are generally made in the form of man, a mythological spirit, (a dragon or snake, mermaid, monster, etc.), insect, (beetle, butterfly etc.) or animals. These idols **can neither** see, hear, smell, feel, walk, nor speak. However, they are infused with supernatural power that is motivated from Satan and evil spirits. How barbarous to trust in such inanimate objects! And next to these, in stupidity and inanity, must they be who form them, with the expectation of deriving any good from them. So obviously vain was the whole system of idolatry, that the more serious pagans ridiculed it, and it was a butt for the jests of their freethinkers and buffoons. ³

Idols are shaped like people, but do not have any of the attributes of intelligent beings, (Ps. 115:5-7). [So is everyone that trusteth in them] (Ps. 115:8). People who do this show that they are destitute of all the proper attributes of reason, since such gods cannot help them. It is most strange, as it appears to us, that the worshipers of idols did not themselves see this; but this is in reality no more strange than that sinners do not see the folly of their course of sin; that people do not see the folly of worshiping any God. In fact, there is less of folly among the pagan than there is in this class of men. The worship of an idol shows at least that there is some religious tendency in the mind; some conviction that God ought to be worshiped; some aspiration after a proper object of worship; some appreciation of the true dignity and rank of man as made for worship; but what shall be said of the man who evinces no such tendency—who has no such aspiration or desire—who endeavor to extinguish in his nature all that was designed to express the idea of worship, or to lead him to God-

who never starts the inquiry whether there is a God-who never prays for light, for guidance, for pardon, for a preparation for death and eternity-who never even testifies so much interest in religion as to set up an image of gold, or wood, or stone, as indicative of the fact that he is made above the brutes? There are multitudes of the pagans less stupid and foolish than people in Christian lands. ⁴

DISNEY'S ATTACK AGAINST CHRISTIAN CULTURE

Some pro-family activists have been critical of Disney for its neglect of, and predominant attacks on - culture. For a supposedly a clean-cut, family oriented company, it promotes powerful sexual obsessions and unspeakable deviant pornographic practices, aimed at your children.

For example, here a few of their perverted films designed to change the sexual orientation of your children. Disney-owned companies have begun embracing bizarrely demoralized, sexual themes. "*Growing Up Gay*," a book for young teens published by Disney-owned Hyperion Press and written by three "Funny Gay Males." It encourages its readers to explore the homosexual lifestyle. The book is dedicated to: "**All gay youngsters out there who were bred by heterosexuals.**"⁵

Disney acquired Miramax, a company that had released some deviant films such as "The Crying Game," which features a transvestite, and "Pulp Fiction," which depicts a homosexual rape. ⁶

Disney advertising has appeared in "Out," a homosexual magazine. Disney executives helped under the 1993 and 1994 Hollywood benefits for the National Gay and Lesbian Task Force. Disney amended its corporate policy so that same-sex partners of its homosexual employees receive company benefits. Tom Shumacher, vice president of feature animation, takes his husband," to executive retreats.

Disney World has been the site of a gay and lesbian day for the past five years. Yet, this year, theme-park employees did not post signs warning guests of "gay day," as they had done in previous years. A number of parents bought their tickets, unaware that they and their children would encounter homosexual couples, some of whom kissed in public view. Every year, the Florida Senior graduating class, statewide is invited to the park while at the same day, Disney celebrates "Gay Day." The schools and parents are not warned about this aberration.

The author ministered a Christian Senior that after attending, began to experience harassing evil spirits. He had nightmares and great depression. His personality totally changed. He lost his joy. He could see this dark shadowy figure following him. He became filled with fear and torment. His girlfriend told him to come to me for

deliverance.

This young man was a devoted Christian! During the prayer session, there was a great deal of manifestations of demons leaving. Then the Lord gave me the discernment that an evil spirit of homosexuality was attacking his mind. I was shocked because I had never seen that spirit on this young man before. When I asked him about it, he admitted that he was being tormented with these demonic thoughts. "I have never done anything like this in my life," he protested. I told him that I was not accusing him and explained that demons attach themselves to a person with accusing thoughts. Thoughts are not sins but can become sins if they are acted upon. Demons can enter when you act on their evil thoughts that they have implanted on their minds. The author took authority over this oppressing demon and it immediately left. He was free!

After deliverance, he told us this story. "I got separated from my Christian friends and connected with the other kids. We went into the Haunted House. I knew I should not have gone in there, but I did. A grotesque, green spirit that sits down next to you. He said, "I am your spirit guide. I will be with you during your trip." I saw many bizarre looking demons in that place. There was a human skull spinning around saying scary things. I saw a room that had skeletons and demons eating together at a large table while some were dancing to spooky music. After experiencing many terrifying things, we came to the end of the trip. The green spirit came into me and he said, "I will be with you for the rest of your life!"

The author has ministered to many children who have received spirit guides through toys, dolls, stuffed animals computer games. Once these spirits possess a person, they must be driven out through the name of Jesus. If these demons are not delivered, they will remain with the child throughout their lifetime. Eventually, the individual will be lead away from Jesus. Their minds will be blocked from the truth and millions will drop into the pit of hell! To show you the magnitude of the problem, the young man that we delivered from these Disney devils, was probably the only one attending this demonic festival that was blessed with being delivered from these horrendous demons. Thank God that He had a pastor that understood how to handle spiritual catastrophes. I pray to God that more ministers could be obedient to the Word of God and clean the fish from these evil scales that hinder them from being free.

Church wake up. While the church is becoming ensnared by demons, many dance, sing, and beg for money. Judgment day will arrive sooner than we think.

The movies are usually not true characterizations of the story lines. For instance, the cartoon Pocahontas is presented as a New Age depiction of history. **She draws spiritual wisdom from a tree, a rock and the wind. This version of Pocahontas is one that portrays her as a witch.** Her main accomplishment is converting the gun toting a Smith into a 17th-century environmentalist. **The real Pocahontas was an Indian girl who was converted to Christianity.** There are sexual subliminals on cartoons. Despite these offenses, Disney's reputation as a family-friendly corporation has endured. There must be powerful, mind blinding spells working by the god of this world.

DECEPTION OF THE ELECT

Jesus warned that "If it were possible, they shall deceive the very elect," (Matt. 24:24). Peter the apostle also forewarned that "*false teachers*" who shall privately bring in "*damnable heresies,*" even denying the Lord that bought them, that "*many shall follow their: pernicious ways,*" and sad to relate these "followers" are recruited from the orthodox church members, of whom the Apostle Paul wrote to Timothy in (II Tim. 4:3,4), saying: "The time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears; and they shall turn away their ears from the truth, and shall be turned unto Fables," This "*turning away,*" is evidenced on every hand. There is a "*turning away*" in doctrinal standards, in the demand for a regenerated church membership, in church attendance. Many churchgoers will not endure "*sound doctrine.*" They will not hear those who preach the "total depravity" of man, the necessity of the "New Birth," and the conscious and endless torment of those who reject Christ as the only and personal Savior. They demand teachers who "itch" (tickle) their ears with pleasing, novel and sensational doctrines. ⁷

A LITTLE CHILD SHALL LEAD THEM

The story of Josiah is one that shows the spiritual intelligence has nothing to do with age or brains. He was according to the Bible, just a child. "Josiah was eight years old when he began to reign, and he reigned in Jerusalem one and thirty years," (2 Chron 34:1). His secret was seeking after the will of God and he was led to spiritually clean the land from idolatry. Just as God used a Jackass, in this case, he used a child. Look at how God showed Josiah how to destroy the territory of the false gods. "And he did that which was right in the sight of the LORD, and walked in the ways of David his father, and declined neither to the right hand, nor to the left. 3 For

in the eighth year of his reign, while he was yet young, he began to seek after the God of David his father: and in the twelfth year he began to purge Judah and Jerusalem from the high places, and the groves, and the carved images, and the molten images. 4 And they brake down the altars of Baalim in his presence; and the images, that were on high above them, he cut down; and the groves, and the carved images, and the molten images, he brake in pieces, and made dust of them, and strowed it upon the graves of them that had sacrificed unto them. 5 And he burnt the bones of the priests upon their altars, and cleansed Judah and Jerusalem. 6 And so did he in the cities of Manasseh, and Ephraim, and Simeon, even unto Naphtali, with their mattocks round about. 7 And when he had broken down the altars and the groves, and had beaten the graven images into powder, and cut down all the idols throughout all the land of Israel, he returned to Jerusalem. 8 Now in the eighteenth year of his reign, when he had purged the land, and the house, he sent Shaphan the son of Azaliah, and Maaseiah the governor of the city, and Joah the son of Joahaz the recorder, to repair the house of the LORD his God. ("For in the eighth year of his reign, while he was yet young, he began to seek after the God of David his father: and in the twelfth year he began to purge Judah and Jerusalem from the high places, and the groves, and the carved images, and the molten images," (2Chr. 34:1-8).

God will not share His glory with a false god. The results of going after strange (gods) idols, is demons will take you over and rule and reign. Alex W. Ness, author of, *Transference of Spirits* asks: Did you know that it is possible for a person, or persons or spirit-being that inspires thought, feeling or emotion to "transfer or transmit," spirits, good or evil, if our spiritual capacities are open for such reception?⁸ These are the reasons why we should be concerned for our Christian children's spiritual health and do everything that we can to protect them from evil spirits.

MOVIES -TV BEWITCHING CHILDREN

Star Wars, Dark Cauldrons, etc., aim to frighten, to deceive, to traumatize, to familiarize children with hideous characters, such as fiendish ogres, monsters, space aliens, spirits of the dead, to entice children to accept evil as good, etc." For instance, consider E.T. He could heal, raise the dead, etc. ; a mockery of Jesus and a horrible creature. Fairy Tales and Walt Disney - Time Warner movies are full of cabalistic practices such as, **The Chronicles of Narnia: the Lion, the Witch and the Wardrobe** and Time Warner's — **Harry Potter Movies** — **The Lord of the Rings**. These movies and books help the children to accept the menacing demons as their

friends. They no longer have fear if these devils appear to them in their rooms. They become their “imaginary friends.” In actuality, they are malignant evil spirits, sent to rob, kill and destroy the children.

Cartoons draw on Egyptology, such as **Iris, mythology, witchcraft, occult Smurfs, Dungeons & Dragons, Little People and Gremlins.** The most violet block of T.V. time is Saturday morning aimed to steal the souls of children. New Age Children’s music is to incite rebellion and self-elevation. Rock music leads young people into sexual perversions and violence.

DOLLS

In ancient times the worship of idols included the offering of various type of sacrifices, libations, and other acts of devotion such as kissing an image, kneeling, or dancing before it. On occasion the worshiper inflicted wounds in themselves as a special act of homage. The second commandment of the Decalogue prohibited the making of any image of the God Israel. Despite the fact that arks, ephods, and terrapin found their place in the religion of Israel, not a single figure of God has ever been recovered by archaeologists. This feature of Israel's religion sharply distinguishes it from that of her neighbors and contemporaries and profoundly attests to the fact that the true God is not a being whose personality can be adequately reflected in the products of human handicrafts.

Idolatry was a constant problem in ancient Israel.

Early in their occupation of Canaan, the Israelites were attracted to the worship of local deities including Baal, Asherah, and the Ashtoreth.

"Woe to those who call evil good and good evil," (Isa. 5).

Release the power of Jesus over your children. Pray faithfully for your children. Teach them the ways of the Lord and get into a strong Bible-believing church.

Rev. Irene Park, a former high witch in Florida, told the author the following story. She said that illegal drugs are always related with witchcraft. She said, "I used to sell drugs at the football games. Demons protected by surrounding me and they blinded the eyes of the police. I was never arrested for this crime.

She continued to say, "I also peddled drugs across the street from the school. At first, I'd give the kids free drugs. But then when I got them hooked, they had to pay me for them. After I received Jesus, I ministered at a Christian couples' home. I notice two children that I had tried to divine to come to me for drugs. These kids would make a wide circle around me and I could not touch them. I told the parents about it. "Why wouldn't your children come to me when I worked divining powers on them.

She went on to say, "The parents told me that every day they prayed with their children. We asked Jesus, to cover them with His blood and protect them from evil."

The Bible says a curse comes upon those who use deceit (Jer. 48:10). Revelation Chapter 13, says the image will speak . . . Could these little idols be preparing children to receive the Antichrist?

CHILDREN'S DELIVERANCE

Husbands are often the most effective are commanding spirits to leave their wives with the support of others. This is true with his children also. (Sit together as families during deliverance. A husband has special power and authority over his family that even I don't have as a deliverance minister).

CHRISTIANS ARE NOT EXEMPT FROM IDOLATRY

Christians, including many pastors do not believe that demons will hang around inanimate objects. In fact, they believe you are going off the deep end if you talk about these things. There is much Biblical evidence to the truth of demons association with inanimate objects. In the case of objects dedicated to demons (Idols, artifacts, etc.) . . . destroy them.

Ask God to forgive you from all your idolatrous sins and you forgive yourself for all sins against your own body. Clean out the house of those objects, books, rock records, computer games of the occult, and the things shown in second chapters. Anoint the house with oil and cast evil spirits out of the house. Bind and rebuke all curses from others.

LOVE

True love is having the power to say to no. Children must be disciplined by their parents (Prov. 13:23). The prayerful and judicious application of the rod can act as a deterrent to childish and foolish behavior (Prov. 22:15). Parents many times prepare the way for deep-seated spirits of Fear, Rejection and Conditional Love to enter. God will turn the heart of the father (not the mothers) to the children (Mal. 4:6 and Col. 3:21). A child left to rear himself is a disaster going somewhere to happen, (Prov. 29:15). Indwelling demons can be present because of inheritance, curses, habitual sin, or legal holds or grounds from other sources. The punishment should equal the offence. We provoke our children's wrath when we punish more severely than the offence justifies. Before any punishment, the offence should be explained.

Other ways to behavior should be explored, show love; give a hug, approval, complement on good behavior or improvement of conduct. Scripture warns us to have nothing to do with fairy tales, fables, enchantments, charmers or such like; (Tit. 1:14). (fables turn one from truth) and (II Pet. 1:16), (declares importance of truth).

Children at a susceptible age may well be opened up to spirits of fear, error, witchcraft, perversity, lying and fantasy (drugs, drink, sex, etc). The "god of fantasy," causes most of our young people's problems. Ultimate truth and there is no fantasy in God or in His Word. **The truth is important to God** and many ignorantly cause children to believe a lie in the guise of a friendly, jolly, phony, called an imagined figure called Santa Claus. This lie caused our daughter to doubt that her parents would tell her the truth about Jesus. All lies come from the Devil (Jn. 8:44). (God taught us to tell her the truth in love!) ¹⁰

Demons can be called out of children in the same way they are called out of older persons. Remember. You do not have to scream at devils to make them leave. They don't leave because they are frightened of you or your forcefulness or your intimidating voice power. They leave because they fear Jesus and the power of His name.

There may be manifestations of the spirits leaving through the mouth and nose as in other deliverance sessions with adults. (Demons can also be cast out of the fetus in the womb). Ordinarily, children are quite easily delivered since the spirits have not been there very long, they are not as deeply embedded in the flesh by sin. There are

exceptions to this, as in the case of children who have been exposed to demonic attack through severe circumstances. In children, the manifestations of the demons can be quite dramatic. (It is fun to cast demons out of babies, watch demons manifest and watch them leave). Most children by the age of five or six can be given a simple explanation of what you are going to do before you begin the ministry.

The author ministered to a six-week-old baby whose father was an Aids victim. When I called the evil spirit out, the baby's face contorted, her little arms and legs stretched out and she gave a wailing scream.

The demon possessed victims should be told that when you command the demons to go, that you are not talking to the victim but to the evil spirits in them. Otherwise they may be offended or frightened by words or command addressed to the evil spirits. ¹¹

Usually children are quite cooperative. Since the children may feel more secure with a person that they trust, it is often best for the parent to hold the child during the ministry. The deliverance minister must discern reactions in the child and attributable it to the spirit being stirred up. He may cry or scream and some times show signs of great fear. The demons may try various tactics to make the parents believe that it is the child being hurt or wronged. The parents will then become so sympathetic with the child that they will want to stop the ministry. The demon's will be able retain their hold if you don't continue to drive them out. You may want to stop for a few minutes to explain to the parents that the demons are fearful because they do not want to leave. Explain to the parents, the demons are just using the body of the child, hoping that you will stop the deliverance procedure. Remember, when a medical doctor is operating on a child, you don't ask him to stop. The devils will still have to obey your commands when you began to again command them to leave. (Don't be fooled or become sympathetic to the demons!).

As stated previously, it is not **how loud** a command is given that moves the demon but the **it's the authority of the name and of the blood of the Lord Jesus Christ**. Do not let your emotions get involved. Most of the time, the commands can be given with such calmness and matter-of-fact way that the child will scarcely realize what is taking place. You can even gently hold the child and even smile, (Speak quietly and softly, this infuriates the demons! They know you are comfortable with your authority over the forces of evil).

Recently a grandmother brought her grandson to our ministry for deliverance. This boy was 10-years-old. He was totally out of control. When we began to pray for him, the demons reared up with the strength of ten men. We subdued him by our men holding him down. After we charged the demons to leave, this young man became a typical child. He was calm and loving. Honestly, there are millions of children that have become possessed in our day. Most will never find deliverance. There are very few deliverance ministers in America. May God have mercy.

How is a child to maintain their freedom once delivered since they are not competent to protect themselves? It is not the responsibility of the child but his parents or guardians. I believe you will find in the Scriptures that when Jesus ministered to children, one or both of the parents were present. It is the responsibilities of parents to be the spiritual guardians of their children. (Very few parents do their job properly).

CLEARING HOMES

Spiritual house cleaning should be done by the anointing it with olive oil in the name of Jesus. "Thou shalt have olive trees throughout all thy coasts, but thou shalt not anoint thyself with the oil; for thine olive shall cast his fruit," (Deut. 28:40), "And thou shalt take the anointing oil, and anoint the tabernacle, and all that is therein, and shalt hallow it, and all the vessels thereof: and it shall be holy," (Exod. 40:9).

Binding and commanding all powers of darkness to leave, (Matt.18: 18).

1. Anoint the doorways, windows.
2. Discard all statues, Catholic and gods and goddesses, images of monsters, insects and animals. (fuller list later).
3. Jewelry with, hex signs, ancient geometric & mystical motifs, good luck and talisman to chase evil spirits.

"Then ye shall drive out all the inhabitants of the land from before you, and destroy all their pictures, and destroy all their molten images, and quite pluck down all their high places," (Num. 33:52).

"The graven images of their gods shall ye burn with fire: thou shalt not desire the silver or gold that is on them, nor take it unto thee, lest thou be snared therein: for it is an abomination to the LORD thy God," (Deut. 7:25).

The Apostle Paul warns of the spread of heresy from the Christian faith. The word Apostasy means: falling away, a withdrawal, a defection from the faith. Paul goes on to say in the scriptures, “Let no man deceive you by any means; for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition,” (I Thess. 2:3). The Bible shows in (II Thess. 2), that in the last days, that a spirit of “**strong delusion**” is to overtake the whole world in the last days. Another spirit, another Jesus, another Gospel is being preached everywhere.

EXORCIZE INANIMATE OBJECTS

In the case of objects dedicated to demons (Idols, artifacts, etc.) . . . destroy them. Look for Cursed objects and Demon Infestation. Idols, incense, Buddha, hand carved objects from Africa or the Orient, Mexican sun gods or sun disks, Ouija boards, occult games, Dungeons and Dragons, all things connected with astrology, horoscopes, fortune telling, Occult books, pornographic materials, objects associated with witchcraft, good luck charms, cult religions such as: Metaphysics, Christian Science, Jehovah's Witnesses, Mormonism, New Age Religions, Mind Sciences, Catholic Statues, Mason Bibles and paraphernalia; Object, occult books, movies, TV and literature that pertain to false religions, cults, the occult and spiritism. Graven images of gods (demons), are objects dedicated to demons (Idols and artifacts) Rock and roll records and tapes; computer occult games; animal figures; African masks and paraphernalia; Witches' masks and fetishes used by witch doctors, African jujus, (shaped like snakes, hands, figures, and other things, all kinds of masks, owl and frog images (creatures of the night (Deut. 14:7-19). These things are loaded with evil spiritual power.

Verbally denounce Satan and his power and all of his demon hosts and claim authority as a believer priest in the name of Jesus Christ and the authority of His shed blood. (Matt. 18:18). It is necessary to casting out evils' spirits in a house or church, it is wise to cleanse spiritually afterward, to head off any trouble which might be caused by spirits remaining in the place. Forbid devils from staying on the premises . . . Ask God to send His warring angels to make the devils. Command them to be accountable to the name of Jesus. Send them to where Jesus sends them. Forbid them from ever returning. Loose the anointing and power of God in the name of Jesus.

WHAT YOU CAN DO

Engage friends and relatives in reasoned discussion about Disney and Time Warner's occult agenda. It won't help to suggest the Disney chief, Michael Eisner is the devil incarnate; instead, suggest that it is not necessary for Disney to abandon its historic family commitment to virtue in order to make a tidy profit.

Suggest Disney isn't deserving of special consideration. According to Christians in the film industry, there are more evangelicals within Disney than ever before. Pray that they will have an impact. You could financially boycott of Disney. We can live without mind-spiritual pollution.¹²

Parents, and Church leaders, there are answers to the evil that is flourishing. We do have spiritual, superior power over demons. You just have to use your authority in the name of Jesus. Be free!
