MIRACLES AND HEALING

Dr. Pat Holliday is teaching on Deliverance and Miracles on Friday nights. You may want to order these tapes. We will send them to you for a donation of \$25.00 and please include \$3.00 postage and handling. This will help us to pay for radio time.

EXPLOSION OF JOY!

The Spirit of Praise band which include Pastor William Dennis, Daryl Jiles, D.J. Williams, Shantel Williams, Sabrina Sessions and Isy Williams are more than wonderful and marvelous! These anointed musicians have become an important part of our church. It is such a refreshing and tremendous experience to see the Holy Cloud of God come down in glory!

If you have not been to Miracle Outreach Ministry recently, come and experience what Jesus is doing!

CHILDREN’S CHURCH

Forget the puppets and the entertaining, baby-sitting spirit because Miracle is dedicated to teaching the children the Word of God. We want our children to know Jesus as their hero, not the latest Christian rock stars. We want to grow champions for Christ! Pastor Isy Williams is dedicated to this cause! The children are learning the Gospel!

RAISED FROM THE DEAD!

Billie had a grand mall seizure. She stopped breathing. Dr. Holliday prayed and after about forty-five minutes, her life returned!

Can I get a witness? Yes, Dr. J. Burke said that the Lord told her to come to the church. She came and was amazed that she witnessed that Jesus raised Billie from the dead!

MIRACLE BABY

God has not only blessed brother K. with deliverance from AIDS but has also given him a family of his own. A miracle baby was born on Easter four years ago, Clarisa. She is healthy and beautiful, a living testimony of the grace and mercy of our Lord.

Kevin was in the intensive care in May 1998. His mother was told by a Hindu doctor that all hope was over and advised her that all the machines should be turned off. His mother, Marilyn asked for time to pray. The doctor reinforced his diagnosis but she insisted. God gave Kevin the strength to recover enough to come to Miracle Outreach Ministries. Jesus did the rest. Kevin was instantly delivered from AIDS in June. He received a clear blood test without a trace of the disease and August 2 Kevin returned to work driving a 18-wheeler truck!

Since this marvelous, powerful miracle, Kevin got married and now had a beautiful four-year-old daughter, Carrisa. She is healthy, happy and wonderfully made by the grace of God!

NEW HEART

Pastor Pat was called to the hospital to minister to a woman who needed a heart transplant. Pastor prayed that Jesus would give her a new heart, she has seen Jesus give people a

new heart supernaturally. However, that night, a heart arrived at the hospital. The doctors took her right into operating room. They opened her chest and took her heart out. As the doctor's reached to take the heart from the dead person off the counter, the heart started beating by itself! The woman is alive today telling people of her wonderful miracle!

ARM IS MENDED!

Danny's arm was broken in four places. He had steel from his wrist to his elbow. When pastor prayed, God not only mended him but He also grew that arm out two and half inches! Yes, Jesus still heals today.

PASTOR'S KIDNEY!

That's right! A local pastor was in the intensive care. The doctor said, "We must take the kidney out." Sabrina Sessions stayed by the bedside and prayed for eight hours! Then Pastor Pat came to the hospital and they prayed together. This pastor was out of the hospital within a week. The kidney was saved through the mighty hand of Jesus!

PARKINSON'S DISEASE HEALED

Jesus Heals Parkinson's! Recently David came to our church. He had been a Christian for his lifetime. His poor body had been riddled with Parkinson's Disease. He had given up hope of receiving a miracle. His church didn't believe in them. He discovered at Miracle Outreach Ministries that the "age of miracles" is for those who trust in the living Jesus. When we prayed for him, his thrashing body became very still. We saw the peace of God come over his face and mind. We felt the Holy Spirit's power moving over his entire being. After about one half hour, David began to cry. He said, "I have been feeling in the back of my mind and I have not felt anything there for years because that part of my brain was dead!" After his thrashing body calmed down, he walked out of the building, he was walking normally! Hallelujah! Praise Jesus!

Miracle Outreach Ministries believes that the Lord Jesus must be magnified and glorified through the ministry of the Holy Spirit and with this end in view, that the hearts of believers

should be made more sensitive to and receptive of His blessings. We've seen Jesus heal all manner of illnesses: from frozen knees to cancer, arthritis, AIDS, blind eyes open, deaf ears can hear, the cripple walk, even mute children have received their voice all signs that Jesus Christ is truly Lord!

ECOLI

Kady was healed. She had been a Christian for her lifetime. She was rushed to the hospital with a 106 temperatures. When Pastor Pat arrived and prayed for her, within three minutes the fever came down. The young girl jumped out of the bed, perfectly healed.

HEART ATTACK

Eric had a heart attack. He was in intensive care. His brain had swollen and they had to put him on the machines. There just wasn't any hope. The family prepared for his funeral. They turned off the breathing machine. However, Jesus had other plans. He began to breathe! Then suddenly, he was attacked again. He was again placed into the intensive care. The family planed his funeral. They turned off the machines and he began to breathe and was out of the hospital within a couple of weeks. He's still doing great! Jesus is still in the miracle business. He wants His people walking testimonies to His Glory! Hallelujah! Praise Jesus!

CANCER HEALED

Annette was healed of cancer in July. She shouts it from the rooftops that Jesus Christ is still alive and cares about her.

STRANGE DISEASE

Barry was delivered from Turrets Syndrome. He had been afflicted with this illness since he is was thirteen years old. He is twenty-five now and his face is lit up with God's glory.

SUGAR DIABETES HEALED

Fern was healed from Sugar Diabetes! She was taking shots every day to control this illness. Now the needles are gone and she happily gives Jesus the glory!

HOODOO

Janie told a strange story of an infiltration of her home prayer meeting. She was working for

a Catholic College. She said a nun began coming to her prayer meeting. She didn't think anything about it because she'd seen nuns where she was working. However, this nun began to bring mixtures of oil with other things. She'd rub the mixture on the bodies of Nancy's children. Then the nun would take her veil off and rub the concoction on her head. Soon mushrooms began to grow out of Janie's carpet.

Then one day a friend came to Janie's home and pointed out that all the crucifixes in the house were bound by cords. "Only the eyes were not bound." Janie's friend told her that the nun was practicing Hoodoo."The binding of the cross was to keep the family from serving Jesus Christ!" she said.

Janie's house was destroyed. First she went through a divorce then the children fell away from Christ. Janie has been able to hang onto Jesus since these strange phenomenons began. She was a captive of Torticollis which distorted her face and she was bound by devils in every area of her life. All her finances were drained by doctors and medications.

Jesus Christ, through the anointing of the miracle-deliverance ministry, set Janie totally free from the powers of witchcraft. This is glorious, but at the same time, it is very sad that she suffered these ungodly torments.

CHEMICAL POISONING

Jesse received deliverance from environmental chemical poisoning and was healed. This woman also has walked through many years of violent demonic bondage and torment because the American Church does not want to set the captives free.

PHOBIA DELIVERED

Liz was bound to the point that she could hardly leave her home. She could not even read the Bible because of the allergies to the ink. During her deliverance she was screaming with great pain.

Evil spirits were seen walking around her house. She could see them. They were tormenting her day and night. Liz was radiant when Jesus delivered her. She was ecstatic when the kingdom of God came upon her.

DELIVERED --- HOMOSEXUALITY

Bill was in his church choir. He was being tormented by a spirit of homosexuality. After

being set free, his face was beaming. "Only Jesus Christ could do this," he said.

ASMODEUS SPIRITS

Dr. Holliday taught on marriage-breaking spirits. Many marriages were healed and the people were rejoicing because Jesus gave them love and freedom in their homes.

HOLLIDAY EVANGELIZING

As many of you know her husband, Vadim, has gone to be with Jesus. Eighteen years ago, he was stricken with cancer of the stomach. He was told to go home and prepare to die. Well, Jesus Christ stepped in and healed him. The doctors were amazed. Pastor Holliday made the decision to stay at home and take care of her husband for those eighteen years. He was well and happy. It was during those years that she wrote about seventy books and taught for Dr. Paschal Vivoni in Southeastern Theological Seminary. Her life has always been dedicated to Jesus and the Body of Christ and its well-being. She says, "I believe that I am again free to evangelize for such a time as this."

Jesus wants to awaken His people spiritually and stretch our faith to walk in the signs that accompany those who believe. Carlos Anaconda says in his book Listen to me Satan, "When we assume our rights by faith, we are equipped to exercise authority over all the demonic powers of this world. If Satan is controlling a person or situation, we have the power to cast him out, since we have recovered all the divine power of the cross of Jesus Christ."

It is our desire to enlighten those who are born again Christians who want to follow the Lord Jesus Christ and be "peculiar and separated people," I Peter 2:9

RIPE FOR HARVEST

Our ministry outreach has intensified in Africa. We have seen a burning revival while Jesus healed and delivered the masses! Our hearts are infused with a love for souls. Dr. Holliday is ecstatic about what the Lord is doing. Her team always returns with great testimonies concerning the people having deeper experiences with Jesus.

"Our eyes are on the mission fields," Dr. Holliday says. "We are looking at these countries at this time: Africa, Italy, Jamaica, London, Scotland, Guatemala, and Argentina." Many

miracles happened in Ghana West Africa. The blind could see, and the lame could leap! Many miracles, salvation happened instantly. God is in the miracle-healing business Two young men received their minds back when Dr. Holliday and her team prayed. These signs and wonders followed our team. Only Jesus could do it!

Dr. Holliday has been in the ministry for thirty years. Her ministry is with signs and wonders, healing, deliverance, and teaching. Great revivals are occurring in the world because God's people have discovered that by battling territorial spirits, deliverance from the powers of darkness happens and cities are set free! Dr. Holliday has written many books concerning these subjects.

Dr. Holliday and her team interceded for the area that they were staying. They battled the Islam spirit over the city. The Islamic man that was praying over the city every morning, was SILENCED! People began to come to Bishop Kanco's home seeking Jesus! They also came to the church. Revival started! They were saved, delivered, healed and filled with the Holy Spirit.

Dr. Holliday believes that the future revivals in the States will happen. She says, "Because of the depths that people have dropped into through the occult, revival is needed. We want to see the anointing and power of God working here at home as He is moving in foreign countries," she said.

Bishop Vagales Kanco's book is now available. His story concerns the absolute grace of Jesus Christ. His book, The Witch Doctor and the Man is a fascinating story about the power of Jesus Christ to save and deliver.
