## BATTLEGROUND

### JESUS IS THE DELIVERER

May 20, 2007

The below article comes from Pat Holliday at <http://www.patholliday.com>.

Permission is given by the author to copy this article if it is done in its entirety without any changes. Permission is also given post this article in its entirety on Internet web pages with credits.

#### LIFE SEEKERS

God has permitted Satan to maintain a degree of authority to deceive the nations. **But it is man who has given him THE RIGHT to do it.** How is that? Because Satan rules the darkness of this world, his realm (kingdom) of operation, and that darkness is found in the hearts of men who refuse to love the truth.

(Rev. 13:2) reveals that the devil (the dragon) has power: "the dragon gave him his power." Strong's (G1410) says the word "power" means "miraculous power," (Rev 13:2). God's intention was that his POWER, THRONE AND AUTHORITY was given to Adam to rule the earth. He renounced his power when he obeyed Satan, giving him the reigns of his authority.

The Body of Christ is facing the most horrendous, Satanic and demonic greater confrontation than at any other time in history. It will be a time of intensified spiritual warfare where demons will manifest themselves and will fight in direct confrontation with God's people. The Lord Jesus told us in (Matt. 10:22), "And ye shall be hated of all men for My name's sake: but he that endureth to the end shall be saved." And then in (Matt. 6:33), He said, "But seek ye first the kingdom of God and His righteousness . . ."

#### BATTLEGROUND

The Church has the answers through the deliverance ministry and the teaching of Christian character. However, the Church of Jesus Christ must have spiritual eyes to discern the demons involved in a person's life. Ministers must ask the Lord to them see which spirit is operating. Is it a devil? Is the human spirit controlling the person's flesh? Is it an emotional spirit controlling the nervous system? Is it a mental spirit in control? Is the Spirit of the Holy Spirit in control or is it a religious spirit of the Devil?

The Apostle James ties the condition of a double-minded person to his/her thinking that divides his/her mind that switches between two positions. Neither one of these positions holds a firm particular standing in the persons' mind. The Bible brings out that this condition concerns a person that exists in a state of confusion resulting in being unstable in every part of his/her life. This state can cause a person to become variable in character or condition highly or violently reactive. This condition can cause an unsound mind. "But if he asks, he must believe and not doubt, because he who doubts is like a wave of the sea, blown and tossed by the wind. That man should not think he will receive anything from the Lord; he is a double-minded man, unstable in all he does," (Jam. 1:6-8).

The above Scripture says, "*That person is unstable in all his ways.*" Author William Menzies Alexander gives the following characteristic of demon possession. ,". Change of personality, involving complete change of moral character which is evidenced of a knowledge and intellectual power neither possessed by the subject nor explicable on the pathological hypothesis, automatic representation and persistent and consistent acting out a "New Personality". These are but the misapprehensions of an uninstructed mind and may be briefly dismissed. The passage from sanity to insanity implies change of personality. The change follows a recognized pathological order. There is sometimes a morbid exaltation of certain faculties; but never any real augmentation of intellectual power. The *dictum of esquirol* . . . has in view the fact that moral deterioration is an integral part of the morbid process. 1

The devil's battlefield is your mind. He uses his host of demons and people to control you. You control and protect either your mind, or the devil controls a part or your entire

mind. There are many “mind controllers or also known as handlers.” The programmer of the mind is in charge of bringing forth the demonic plan of Satan in the individual life. Inside the intact chosen ones (mind controlled slaves) also known as (MPD/SRA) are many other personalities that have purposely created by coven/military/splitter programmers.

MPD is a mental condition in which the mind becomes split and fragmented into two or more distinct personalities. Each personality may overshadow the real person and exert behavioral control throughout a period of time. During these dominating periods of time, the person will lose time and have no memories of the events that occur. These personalities are called "altar personalities" (often simply "alters"), by the professional secular counselors. Many Christians believe changing personalities are demonic spirits. Each demon maintains its own characteristics and bodily process. Each personality has its own age, name, sex, intelligence, and personal tastes.

People suffering from multiple personality disorder, (MPD), usually were subjected to devastating traumas in childhood. They are survivors to stinging, deep emotional wounds, such as, parental rejection, incest, abuse, and ritual torture. Their minds were shattered by feelings of guilt, shame and terror. Without proper spiritual ministry, these captives will be entrapped by tormenting demons. Deliverance from these sick powers of darkness will release them from the cages in their minds.

Demons block, contain memories but can open the darkness of their minds and use them when it is in the best interest of the demonic cause. These horrifying emotions, along with the need to survive in the presence of dangerous circumstances have caused them to subconsciously divide their minds into various new chambers and the alters to keep their condition hidden. The victim walk in agreement with the altars (demons) to protect themselves from suffering further harm by blanking out terrifying memories. Certain information, memories, and feelings are encapsulated in specific personalities. These people can quickly interchange change personality to personality and confusion rules. They cannot make firm decisions and are very unstable.

## **MPD AND SATANIC RITUAL ABUSE (SRA).**

Multiple personality disorder frequently begins in childhood stemming from Satanic-witchcraft and the occult oriented parents. These parents usually teach diabolical doctrines to their children and they traumatize them through sexual and physical abuse. Unlike adults, children are helpless pawns of perverted maltreatment. I knew one child that would hide in the laundry room in the dryer machine. Another child, under her bed and one boy hid under the house.

As the victim grows older, the separate personalities become even more independent, and each has its own special way of functioning in the everyday world. One young girl was self educated. She could play the seven different musical instruments, speak five different languages, paint, sing and was one of the most intelligent people that I had ever met. She was also the most demonized, oppressed, tormented person that I have ever met.

The various alters (demons) of a multiple system cope internally like pieces of building blocks. Each block has a limited amount of coping power. When the emotional limit is reached, the switch to a different alter (demon) may occur. In this way, many alters (demons) that are part of the system absorb the aroused anguish and physical pain of the trauma.

From time to time one particular alter personality may be take total control of the body and mind. When this happens, the host body and core personality of the victim's original identity may lose track or time.

## **FAMILY (MPD) SATANIC RITUAL ABUSE (SRA)**

Many victims of MPD come from abusive families that were involved in witchcraft or Satanism. The most traumatized of MPD's are victims of Satanic Ritual Abuse (SRA). This abuse stems from the wicked demons of the netherworld of deviant sexual perversion and witchcraft. An estimated 25 to 60% multiples have been subjected to ritual torture, sodomy, and mutilation.

Satanic cult programmers may purposely create alters (demons) in these subjects through the use of triggers, words,

or symbols which evoke a previously implanted response. For example, and SRA survivors may be programmed so that every time he sees the color red, a self-mutilating alter will rise up, take over the mind and cut the body. The victim is absolute helpless during these times. Some victims are subjected to mock communion, spit on Bibles and are told they will die on a certain dates, or in systematically tortured or mutilated. Often, certain alter personalities of those victimized by satanic ritual abuse are programmed to continue attending ceremonies' loyalty to the cult.

### **MIND CONTROL SLAVE**

Mary was a young lady that had been born into a family that was deeply involved in witchcraft. She was abused by both her parents, sexually and physical abuse. She actually suffered from broken bones, had a mal nutrition childlike body and suffered all manners of mental torture. When she was three years old, she was hiding under her bed from her parents. She was weeping when she heard a voice. "Why are you crying little girl?"

"I'm hiding and crying from my parents. No one loves me."

"We love you," the voice replied.

"Who are you?" she asked.

"We are your friends." Then she saw three little pink stuffed animals sitting with her under the bed. "We love you."

The demons became her closest friends. They became her familiar. They led her life. They taught her to use witchcraft and when she grew up, she became a full-fledged witch. When she found our ministry, she was into animal sacrifice and infiltrating Christian churches to work powers against the pastor. She hated pastors and Christians because her father was a Christian pastor.

### **SELF DEVELOPED MULTIPLE**

A person who is schizophrenic has a secret life, or living two lives. One life could show a stable person who lives a normal life, such as, respectable marriage, a good husband, father, worker, pious churchgoer, etc. Another dramatically different side could be one of an extreme, abusive husband, violent out of control father, indulging in extra marital affairs,

secret homosexual affairs, escapes through drug and booze binges and women. A religious fanaticism can cloak a dark, desperate soul capable of great anger and rage. Sometimes these personalities contend for preeminence and one will win over the other and become the dominate personality. When this occurs, friends and family become perplexed, thinking, it just is not the person that I know. The Church is filled with both men and women hiding their secret lives and putting on plastic faces in public.

Jennifer answered an altar call while I was ministering in another church. She placed her drug paraphernalia and cigarettes on the altar. She was weeping and was under the heavy conviction of the Holy Ghost. Jesus saved her.

She told me that her father was a pastor. She had a secret life as a teenager. She would sneak around and smoking cigarettes, using drugs and fornicating. She'd go to church every Sunday and sing in the choir. No one in the church seemed to see her double-minded personality.

At age thirteen, she was arrested for selling drugs. The Judge wanted to send her away. However a local pastor asked the Judge if he and his wife could take her into home and try to work with her. The Judge assigned the girl to him. Shortly afterwards, the pastor began to molest her. He molested her until she was eighteen years old and then he dropped her. He found a younger girl. She had become emotionally involved with him. She developed a perfect hatred for him.

She became more rebellious and ended up with a ship wrecked life of debauchery and witchcraft. She hated all Christians and particularly preachers. One way that the Devil used her, she told me, 'I loved to make preachers fall into sin. I've been successful in destroying five preachers. When she told me their names, I knew every one of them and sure enough, they had public disclosures, falling into disgrace.

### **SATANIC CULT PROGRAMMERS**

Satanic cult programmers sometimes by design create alters in victims through the use of trauma – both physical and emotional triggers are words or symbols that are able to evoke previously implanted responses. For example, a satanic ritual

abuse survivor may be programmed so that every time he sees the color red, a self-mutilating alters will take control of the mind and cut the body. Some victims are subjected to advanced programming and are told they will die on a certain date. In satanic cults certain alter personalities are brainwashed to continue attending ceremonies to assure loyalty to the cult.<sup>1</sup> A victim can also be programmed to commit suicide if they are delivered or de programmed.

Each created personality which consists of demonic groupings that act out certain types of personalities, such as a created "Christian," New Age, sexual pervert, murderers, docile, etc. Inside intact (those not yet free) chosen ones are assassins, sex slaves, ritual priests, etc., etc. . . . And these personalities are programmed and energized by demonizing inserting demons into the minds of the victims. These demonic personalities are created and controlled for the tasks they are created for.

### **DIFFERENT PERSONALITIES**

The mind control handler, also known as a programmer, hypnotizes the person and places demons into the mind. The purpose of the handler is use mind-control programming by inserting different personalities or personality parts called alters (demons) into the subject's mind.

These new personalities can be created through using bewitching spirits of hypnosis and then the controller will layer alters (demons) into newly created places in the mind by splitting the mind through traumas. The programmers describe shattered new spaces in the minds as avenues, boxes, vaults, safes, rooms or other storage units. The alters (demons) are fed into these newly created avenues into the subjects' mind and then amnesia walls are built by fashioning terrorizing traumas. Traumas split the mind through causing panic. The mind blocks out the fear. There can many splits causing numerous shattered fragments of the mind. The spirit of fear opens the doorway for the programmer to insert the altar (demon) to be layered into various fragmented avenues.

### **ALTARS ARE DEMONS**

Deliverance ministers call these alters demons while secular workers call them alter personalities. These

programmed altars (demons) usually do not know each other because the handler will build blackout walls. This altar-demon can take control of the body at different times usually when triggered by the handler. The amnesia walls are built by traumas.

Traumas bring the Spirit of Fear. This demon becomes the gatekeeper of the mind. Fear opens the doorway for the omnifarious altar (demon) to enter into the various new avenues. The trauma forms a protective shield of secrecy that protects the abusers from being found out. It prevents the front personalities that hold the body much of the time to know how their system of alters (demons) are being used.

A demon called the shield of secrecy works to keep the person's spiritual condition to remain hidden and allows cult members to live and work around other people and remain totally undetected. The front alters (demons) can impersonate a wonderful Christian personality, and the deeper alters (demons) can have the quality of being the worst type of Satanic monster imaginable--a Dr. Jekyll/Mr. Hyde effect.

A great deal is at stake in maintaining the secrecy of the intelligence agency or the occult group which is controlling the slave. The success rate of this type of programming is high but when it fails, the failures are discarded through death. <sup>2</sup>

### **TRAUMA**

In recent times, the military and the science of psychology are paying attention to what they call PTSD (post-traumatic stress disorder). PTSD is the psychopathic debilitating effects of trauma and chronic nature of reactions to trauma. Intrusive flashbacks of the trauma will occur if the mind doesn't protect itself from reminders of the trauma.

The mind creates avoidance patterns to protect itself from thinking about the trauma. Panic symptoms occur when the person undergoes physiological arousal to traumatic cues. A trauma will create a "breaking into pieces" within the victim. The victim will develop life assumptions about being vulnerable, about having little personal worth, and that life is not fair. They may develop phobias to constantly check their environment for safety and constantly monitor others to make sure they are not mistreated. For centuries warfare has taken place, and military men have experienced PTSD (post-

traumatic stress disorder). However, a full description and investigation into the disorder have been done only in recent history. <sup>3</sup>

The U.S. military has prevented any serious counseling for their troops suffering from this problem. Peer "counselors" and rap groups were allowed, and misled by the army to believe that they would be adequate. PTSD will often lead to outbursts of rage, chronic depression, or borderline dysfunctions. The PTSD in **Monarch Project** (name for a government mind control program) victims are masked by the MPD/DID and the programming. Then in turn, the programming masks the MPD. <sup>4</sup>

When the programming is complete, front alters (demons are layered into the mind) have been **created which can function with smiles and cheerful attitudes, while underneath, the mind is full of shattered hurting alters.** These demons, who are layered into mind while the slave (victim) is totally unaware that they are there. Self-punishment and social withdrawal are natural symptoms of PTSD, and the programmers have no trouble enhancing and programming these functions into their alter systems.

Certain alters end up holding the anger, the fear, the social withdrawal, the guilt, and the desire for self-punishment. These are held in check by the programming, and take over the body when the slave steps outside of the programmed path. The bad memories in the minds of men who suffer from PTSD have been noted to recycle and self-perpetuate themselves as they lie unresolved in the memory cells. Bad memories for the victims of programming are used to hold the MPD, the programming in place and also to keep the victim in compliance.<sup>5</sup>

In 1954, Maslow published his hierarchy of needs, which when applied to Occult controllers and PTSD victims means that they cannot progress in therapy until their survival and safety needs are met. However, the Programmers/abusers know that it is important to keep the slave away from safety. To this end, the Programmers employ people externally to monitor slaves, and **internal alters** in the victim's mind to be **monitoring alters** and **reporting alters.**

Reporting alters can always reach the Network of abusers via 1-800 telephone numbers which change every 2 weeks.

They can also call their handler. Reporting alters are very unemotional and serve as tape recorders which mechanically report any developments that might threaten the programming to their handler. Alters programmed to commit suicide are also built into the Systems. For instance, for a system hacker-- an outsider-- to work with the alters of an internal Grand Druid Council (aka Executive committee alters, or judge alters) or a System almost insures 99% of the time suicide of the occult slave.<sup>6</sup>

In at least 99% of the cases where Monarchs who have come in for therapy, they still lack safety, which is a higher need than trying to go against their programming. This is why so few people have really gotten free. To undo the programming, the victim needs safety. The programmers know this, and have set up almost fail safe methods where the victim is not even safe from their own system of alters, let alone Big Brother. Therapists call their Monarch victims "survivors" a misnomer, because in reality they are still in the middle of ongoing abuse.

Some therapists may mistakenly think that it is helpful to tell the victim, "These fears you are having are from the past." Deliverance ministries may also try to stop the victim's fears, without understanding the reasons behind the ongoing fear. Other chapters will deal with the extensive back up methodologies. At this point, it is mentioned in the context of this chapter to establish to the reader that the abuse and torture continue nonstop. Some of this would naturally occur anyway, but the Programmers enhance this naturally occurring phenomena many-fold to insure that the slave will continually abuse themselves. This means as time progresses, some Monarch systems are timed to **shatter certain levels & to create new levels.** <sup>7</sup>

If the Programmers want, they can **shatter a front Christian alter level and create a new level of New Age believing alters to replace the original front.** The abuse can be done by the victim themselves to themselves, because programming alters are given the ability to pull up horrific memories **via codes.** Those **traumatic memories, which shattered the mind the first time, are still capable of doing it again when they are abreacted (that is relived by the body & mind).** **More and more people are experiencing working with someone with multiple personalities.**

However, very few multiples ever discover more than the front parts of their systems. Very few people, outside of the programmers, have much idea of what an entire system of alters is like, therefore some of the things that this book will describe will seem foreign to those people who have learned a little about **multiplicity**. **There are several models to describe what happens inside a multiple's brain as it develops multiple personalities.**

**The brain is very complex. Recent brain research confirms that the brain was far more complex than imagined. In an average brain there are 10,000,000,000 individual neuron (nerve cells). Each of these has 10 with 100 zeros following it worth of interconnections. In other words, an average brain has vastly more interconnections than the total number of atoms in the universe! Often about 1/2 million different chemical reactions take place every minute in the average brain, and the number can be several times that during intense activity. A Monarch's brain has been worked on to be even more active than a normal person's brain. The left & the right side of the Monarch's brain both work simultaneously, and the various personalities are all busy working simultaneously on different tracks.**

To describe the complexity of what is happening with someone's mind which has been messed with so dramatically for years, means that at times only an approximate model is presentable. There are several terms which are used in speaking about multiples, which have developed several meanings. Unless these terms are correctly defined, misconceptions about them can cloud an understanding of what happens during Monarch programming. First, researchers have discovered that deep within a person, the brain truly understands in a pure awareness all about itself.

This is true for everyone. This pure awareness has been named various names, including **Hidden Observer**. If a man is obnoxious and seems to have a total lack of awareness that he irritates people; just know that deep down an awareness realizes exactly what he is and what he does. The multiple's brain at some deep awareness knows what has happened to it.

**The term Hidden Observer is fraught with danger though. A demonic entity called the Hidden Observer**

**works hand in glove with the programmer to program the individual. The Hidden Observer is able to see everything the System does. The people who control as slave frequently call up the Hidden Observer to ask questions. In this case, it is a demonic entity, and yet it is this Hidden**

**Observer, which each System has, that some therapists are trying to access to understand the System. This Hidden Observer only tells the truth to its Master, because it is demonic. The next term which is misunderstood is the term "the core." The programmers set up various alter to pretend to be the core, and the core's protector. The real core is quite hidden, and not placed within the regular grid of the alter system's chart. It will take some explaining to convey what happens to the mind, and what the real core is. 8**

### **GAINING ACCESS TO THE MIND**

The programmer can intentionally encase the memory in a box, vault, safe, room or other storage unit; I see them as created avenues in the split mind. Each avenue houses a created personality. Government programmers can actually implant entire files into a person's mind that can be retrieved by another person later. They no longer have to leave information in public places. Cute, huh.

Each newly created personality has a name, a purpose, age, place, trigger code, rules. The mind controller or handler is in charge of each these personalities and can trigger them by the following methods.

### **ACCESSING**

1. Before the support team and the victim can work on accessing issues, they need to understand HOW a mind-control slave can be accessed. Allow us to give a summary of some of the more usual methods of accessing that is making contact with a mind-control slave.
2. **MEDIA:** access codes/colors/story schemes/pictures in the newspapers, television, Christian television, ads, radio, and news events that are broadcast in all fashions.
3. **PERSON TO PERSON:** Eye winks, eye blinks, hand signals, body gestures, clothing, colors, words, karaoke song selections sung, other victims of mind control, taps such as 3 taps, and the arrival of particular persons, one's children, one's boss, one's relatives.
4. **TECHNOLOGICAL:** Sounds in morse code, break lights done in code, head light flashes, gunshots in area such as 3 gunshots, blank telephone calls, recorded messages left on answering machine, telephone tones, late calls from master, airplanes flying certain patterns in area, helicopters flying certain patterns, and lights on helicopters.
5. **ITEMS:** Keys, business cards, certain tokens or certain bills, letters such as chain letters, colors on cars, statues at sites, signs, houses, and colors on houses, buttons.
6. **SPIRITUAL:**  
Astral projection, telepathy. <sup>9</sup> As the casual reader of the above will realize, it is almost impossible for a victim of mind-control to be isolated from being accessed. This is why it is essential to remove the victim from their ordinary environment and get them to a safe place where they are secure and can be worked with, without interference.
6. **SPIRITUAL WARFARE**

These psychological techniques are supernatural. They are men and women working in agreement with the powers of Satan. The demons use the humans as instruments to inject the demons into the minds of the victims through the enchantment of using the powers of hypnosis. Therefore, the treatment for the healing of the mind must be handled spiritually.

Dr. Michael Harmer says, “The burgeoning field of holistic medicine shows a tremendous amount of experimentation involving the reinventing of many techniques long practiced in shamanism, such as visualization altered state of consciousness, aspects of psychoanalysis, hypnotherapy, mediation, positive attitude, stress-reduction and mental and emotional expression of personal will for health and healing.”

These New Age Techniques and, as such, they are being taught in many New Age seminars, personal transformation courses and in numerous New Age books (some of which are sold in Christian bookstores) Television, movies magazines, comic strips, computer games, some churches, cults, witchcraft and Satanic covens, universities and school programs, etc.

This quackery is being used by teachers, college professors, nurses, doctors, businessmen and people from all walks of life. We know what force is working behind the scenes to make shamanic magicians more common than the “Old Age” church Gospel. Therefore, while talking about mind-controllers and handlers, these control systems are attacking at many sources.

### **THE GATES OF HELL**

The Apostle John forewarns, “Beloved, believe not every spirit, but try the spirits, whether they are of God, because many false prophets are gone out into the world. Hereby know we the Spirit of God, every spirit that confesses that Jesus Christ is coming in the flesh is of God, and every spirit that confesses not that Jesus Christ has come in the flesh, is not of God and this is that spirit of antichrist whereof you have heard that it should come and even now, already is in the world,” (1 Jn. 4). Certainly, as we look at this text, we see that Christians should be discerning the times and seasons.

Numerous Believers provide understanding to the involvement of the occult, cults. However they choose ignore

the stunning fact that Satan is busily infiltrating many churches through supernatural New Age methods. These bewitching seeds of seduction have been etching themselves into the landscape of the American Christian Church for many years. The Church has ignored the subtlety of Satan tactics because the discerning of Christian doctrines and ministers has not been at the forefront of Christian teaching and preaching. The sideline of a great deal of preaching consists of teachings concerning materialism, emotionalism and intellectualism. When biblical foundations are weakened, the church loses its purposes and becomes religious instead of being powerful and faithful guardians of the precious blood of Jesus Christ.

### **AT WAR**

This is a war and in any war there are casualties on both sides. However, in this war, Man has a very special protection from his redeemer. An interesting passage of scripture shows how God protects his people and how a great spiritual army rides with those who do God's will. <sup>2</sup>

(Eph. 4:23-24), "And be renewed in the spirit of your mind; 24 and that ye put on the new man, which after God is created in righteousness and true holiness."

(Eph. 4:24), [**Put on the new man**] Get a new nature; for in Christ Jesus—under the Christian dispensation, neither circumcision avails anything, nor uncircumcision, but a new creation. Therefore, ye must be renewed in the spirit of your mind.

While Christians sleep OR play, there is intense suffering from mind control in the entire world. We need to wake up and "stand in the gap" and cry out loud and clear there is only One . . . that is Jesus Christ! Christians should be filling in the void by telling the seeking world the answer is Jesus Christ.

On every side there are leaders of the professing Christian Church who are soft peddling the real issues of our faith. They are standing in tremendous danger. The children of God must now know these dangers for their own safety, especially these Christians who only play games, searching out teachers who will "tickle their ears." Christians are being entertained with showmanship of Broadway. Here is a picture of the evil way to which the organized church has turned during these

perilous times. They have a form of godliness but no power.

Many are ordaining lesbians and homosexuals bring an abomination into God house. They have lost touch with God and no longer hear His voice or preach His Word. Growing numbers of ministers are falling on all sides, to perversions, adulteries, covetousness, pride spiritual blindness. Adulteries, fornicators, people involved in the occult and witchcraft are sitting in church pews without conviction because the Word of God is no longer preached in many quarters.

### **SPIRITUALIST AND THE RELIGIOUS WAR!**

Theosophist, Alice Bailey, said in her books that the next great war would be in the field of world religions. She stated that the goals of the so-called new “Christ” included restructuring Christianity and abolishing orthodox Judaism. The precise nature of this planned conflict may be gleaned from Alice Bailey’s writings: “Years ago I said that the war which may follow this one would be waged in the field of the world religions.”<sup>01</sup>

Bailey said, “this war would not be one of external carnage and blood but it would be fought largely with mental weapons and in the world of thought; it will involve also the emotional realm, according to idealistic fanaticism. This inherent fanaticism (found in every reactionary group) will fight against the appearance of the coming world religion and the spread of esotericism (occult). For this struggle, certain of the well-organized churches through their conservative elements (their most powerful elements), are already girding themselves . . . Fanaticism, entrenched theological positions, and materialistic selfishness will be found actively organized in the churches in all continents and of all denominations. They can be expected to fight for the established ecclesiastical order, their material profit and their temporal rule, and already are making the needed preparation.”<sup>11</sup>

Bailey goes onto say, “The coming struggles will emerge within the churches themselves; it will also be precipitated by”:

1. The enlightened elements that exist in fair numbers already.
2. Rapidly growing in strength through the impact of human necessity. The filth will spread to thinking men and

women everywhere who in a protesting revolt have denied orthodox Christianity and theology.<sup>12</sup>

Notice the battle plans. The field of battle is in the mental and emotional realm. In the same book, Alice Bailey states three planned activities of the “New Age Christ,” one of which concludes: “The reorganization of the world religions if in anyway possible so that their out-of-date theologies, their narrow-minded emphasis and the ridiculous belief that they know what is in the Mind of God may be offset in order that the churches may eventually be the recipients of spiritual inspiration.”<sup>13</sup>

She is talking about a total restructuring of the Christian faith by changing it from God-centered too self-centered! Paul emphasizes this danger to the Church in his farewell talk to the elders of the Ephesians Church (Acts 20: 17-35). The Church today desperately needs to recognize this danger as the crisis we face.

#### **THE MIND AND UNSEEN STRONGHOLDS**

Mind Control which is witchcraft used by New Age change agents that are working in the church use the terminology of REINVENTING THE CHURCH. (I rather like the Church that Jesus Christ invented). The Bible warns, “Beware lest any man spoil you through philosophy and vain deceit, after the tradition of men, after the rudiments of the world, and not after Christ. For in him dwelleth all the fullness of the Godhead bodily. And ye are complete in him, which is the head of all principality and power,” (Col 2:8-10).

#### **DEPARTING FROM THE FAITH**

Christian leaders have led their people to a new faith of materialism and mind science. Paul declares, “For I know this, that after my departing shall grievous wolves enter in among you not sparing the flock. Also, of your own selves shall men arise, speaking perverse things to draw away disciples after them,” (Acts 29, 30).

Church leadership has been unwilling to challenge doctrines of devils and have ignored the power of these teachings. Seminaries have neglected to criticize the significance of the rise of New Age acceptance by Church leaders. Consequently, many are ignorant of New Age theories. We find mixtures of New Age ideologies into the isolated Scriptures twisting them to say things that are not

true.

Religious spirits sweep into numerous churches spawning multitudes of false doctrines and false teachers. Countless are flourishing inasmuch as they offer a nearly perfect counterfeit of Jesus, His salvation, His church and His gospel. The Apostle Paul forewarned the Church to watch out for Satan's infiltrating agent's when he wrote, "For if he that cometh preacheth another Jesus, whom we have not preached, or if ye receive another spirit, which ye have not received, or another gospel, which ye have not accepted, ye might well bear with him," (2 Cor. 11:4).

The Great deception will spring from the tares growing along the side the wheat in the Church. When wheat grows, the tares are indistinguishable until before the harvest. One has to be knowledgeable to discern the difference. The Holy Spirit will lead us into all truth if we are yielded to Him and His Word!

The devil can disguise himself as an angel of light. As Merrill F. Unger has put it, "With the crude savage Satan may best accomplish his purpose as a roaring lion but with the cultured and educated, he can work more effectively as an angel of light."<sup>14</sup> Satan is a past master at being ingenious. His work can look very respectable on the surface. But behind the facade is immense power, vulnerable only to the authority of a Christian who believes in the power of the name of Jesus Christ.<sup>51</sup>

#### **FALSE DELIVERANCE FROM (MPD's) ~ (SRA)**

A national deliverance ministry Bob Larsen, is teaching that "MPD,s alters" should be handled psychologically exactly like the secular hypnotherapist. He teaches the ministers connected to his ministry to "integrate the alter personalities," of the victims of Satanic Ritual Abuse (SRA) to person's original personality." Worse yet, he tells his ministers to talk to the "MPD,s" and ask these "altars" if they want to receive Jesus?"

His associate minister said the "little girl alter," replied, "Yes, I want to receive Jesus." The so-called deliverance minister told me that the MPD was saved! "We have to save that part of the personality," she said. Then she asked the demon, excuse me, "the altar," if it wanted to go and be with

Jesus. “No, I want to stay here because I’ve been here since ‘the victim’ was a child. I help her and she needs me.” Then the minister lets the “alter” stay! Isn’t this incredible?

Larson evidently sees these shattered pieces of the minds as living, able to think, talk, and react. I wonder how these fragmented parts can attach themselves to the vocal cords to be able to talk?

No Way, these are inserted demons that must be cast out and not mollicoddled by the ignorance of poorly trained ministers!

These poorly trained ministers are being taught to save demons, excuse me again, “alters” instead of casting these foul devils out! May God have mercy?

Heresy is a serious thing. It will send people to Hell. Nothing but a humble walk with God by His Word can keep us in His grace and in harmony with our brethren. A new Wind and Fresh light from God’s Holy Spirit is therefore an important necessity. This He gives us daily as new situations arise. “The (forces) demons of the pit have gone forth to deceive the whole world,” (Rev. 12:12). The consequence is that great upheavals are happening in the political and religious world. We must take account of these happenings, as they vitally affect the Church of Christ.

### **WHAT IS SOUL FORCE?**

Author, Jesse Penn-Lewis, tells of meeting a man in North India who had access to the highest circles of society in Simla, the summer seat of the Government of India. He told her of his connections with the Mahatmas in India and other countries of Asia. He said that he knew of great political events weeks and months before they came to pass. ‘I do not depend for news on telegrams and newspapers. They only record past events, we know events before they happen,’ he said. <sup>61</sup>

How can a man in London know the events happening in India, and vice versa? It was explained to Mrs. Penn-Lewis that it was a thing called ‘soul force’! “Soul force is being projected by men who know the secret of the Mahatmas. To the Believer, taught of the Spirit of God, in the light of the Word of God, it is the power of the pit projected upon the nation of the world to deceive them to cause catastrophic changes.” <sup>17</sup>

She says that “‘soul-force’ is a word whose charm and magic are only known in the East.” It is the power exercised by holy men, known as Mahatmas. The Mahatmas were the spiritual leaders in India in centuries gone by, and are credited with supernatural powers as much today as in ages past. Soul-force is said to have power, not only to energize, but also to control the will of another.”<sup>18</sup>

Penn-Lewis writes this ‘soul-force’ is believed to be cultivated by prayer, fasting, and religious meditation . . . Prayer is seen as an exercise of devotion uniting Hinduism and Mohammedanism in one common action, to generate ‘soul-force’ in order that it may be projected upon Western nations to undermine their power and prestige. “It is the greatest revolt known in history! ...”<sup>19</sup>

### **OCCULT AVENUES OF INNER HEALING**

C. H. Spurgeon, tells us: “The Church has never had worse enemies than false teachers; infidels and persecutors do but mild injury to her, but her heretical preachers have been as ravening wolves.”

Christians have not escaped the deceptive influence of the New Age Movement . . . The recruiting of unsuspecting “self-improvers” continues. People who are encouraged to study one of the dozens of “psycho-technologies” visualization, autosuggestion, hypnotherapy, guided imagery-techniques all almost guaranteed to bring one in contact with “spirit guides” or what Christians call demons.”<sup>02</sup>

### **SPIRITUAL BLINDNESS**

The church has lost its influence in the secular world because it has joined hands with the world. Many Christians are occupied by worldly materialism while many strange new doctrines are being held up as having the power of God. This is the case of a Christian church in Texas, which promotes Lucy Rael, a woman whose hands bleed while her healing powers work. This bleeding is called the “stigmata” in Catholic mysticism. Biblically based Christianity has always discerned the “stigmata” manifestation as occult phenomena. Another well-known ministry joined in with its support of this unnatural ministry, calling it “the anointing of God.” This writer chooses to be satisfied with the blood of Jesus!

### **STRANGE DOCTRINES**

The Antichrist spirit is defiling the hearts of many apostates Christians even now. They are blinded by the desires of living in a materialistic world. John writes: “Love not the world, neither the things that are in the world. If any man loves the world, the love of the Father is not in him. For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world . . . Little children, it is the last time: and as we have heard that Antichrist shall come, even now are there many Antichrists; whereby we know that is the last time,” (I Jn .2:15-18). John is admonishing Christians that those who continue to extremely regard the things of this world above their love of Jesus have opened themselves to the spirit of Antichrist.

The Bible testifies to Jesus Christ, who alone grants eternal life. (Jn. 5:39) says, “You diligently study the Scriptures because you think that by them you possess eternal life. These are the Scriptures that testify about me, yet you refuse to come to me to have life.”

### **SPIRITUAL REALM IS REAL**

Christianity is not a religion of the mind. It is spiritual relationship with Jesus Christ our Savior. He is sitting at the right hand of our Father giving His power to usward who believe.. Read the entire first chapter of Ephesians. (Look at Eph 1:18-23).

The Old Testament gives many references of the supernatural power of Jehovah. “And Elisha prayed, and said, LORD, I pray thee, open his eyes, that he may see. And the LORD opened the eyes of the young man; and he saw: and, behold, the mountain [was] full of horses and chariots of fire round about Elisha. And when they came down to him, Elisha prayed unto the LORD, and said, Smite this people, I pray thee, with blindness. And he smote them with blindness according to the word of Elisha,” (2Kin. 6:17-18).

This is a fascinating piece of scripture God had an army of spiritual ‘military hardware’ around Elisha and he could not be harmed. The angel of the LORD encampeth round about them that fear him, and delivereth them. (Psa. 34:7).

My prayer is that the church will open her spiritual eyes to see the times and seasons in which she finds herself. The modern man-made doctrines have its eyes fixed on the world,

the flesh and emotions of its people. See what Jesus says is the goal of His Church. (Acts 1:7-8), “And he said unto them, It is not for you to know the times or the seasons, which the Father hath put in his own power. 8 But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth.”

### **BEWARE OF FALSE PROPHETS**

(Matt. 7:15-20), “Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves. Ye shall know them by their fruits. Do men gather grapes of thorns, or figs of thistles? Even so every good tree bringeth forth good fruit; but a corrupt tree bringeth forth evil fruit. A good tree cannot bring forth evil fruit; neither can a corrupt tree bring forth good fruit. Every tree that bringeth not forth good fruit is hewn down, and cast into the fire. Wherefore by their fruits ye shall know them.”

Not long ago, the author heard about an image of “Christ” mysteriously appeared on a church wall in Texas and very soon after, the thing “appeared” on the wall of a church in Florida. These two demonic manifestations were received as the power of God! When thousands came to see the images, it was called “revival.” While we play at Christianity, the New Age plays its roll in the unfolding of an end-time prophecy. The church should beware of putting its faith in strange idols and images! Another group supports motivational speakers while still another seeks to entertain through a thing they call “Christian Karate!” (Karate’s roots come from Buddhism and ancestral worship!)

How absurd.

One ministry travels the country with a panel of chiropractors who “help” in the ministry with various on the spot diagnosis and then the person is prayed for by the team and the “Drs.” Affirm the miracle. This error is being received by many leaders. It’s like snake-oil religion. It is interesting that when one goes to the chiropractor, he always must have an x-ray to make a proper diagnoses. X-rays usually add \$50.00 to \$150.00 to the bill. At one meeting the “Drs.” had a big disagreement on the stage about whether a participant

should be prayed for starting at the neck or the feet! The people continued to sit entranced as though they were seeing the wisdom of the ages being done.

The writer wondered whatever happened to the wonder anointed “Word of Knowledge” gift of the Holy Spirit! Why do we need the knowledge of men to help diagnose or confirm God’s work in our day? Some Christians want to be entertained!

Several years ago another heresy began to attack the Body of Christ with a heretical teaching known as “Jesus Christ’s Spiritual Death.” All importance of their departure from the Biblical doctrine of the blood atonement and the sinlessness of the Son of God can be seen in this ungodly teaching. Under a teaching known as “What Happened From the Cross to The Throne?” it is taught by many “Faith” teachers that upon His physical death, Jesus died a spiritual death and went into hell where he was gleefully beaten and scourged by demons! Jesus supposedly suffered these agonies in the pit for three days as all the hosts of Hell were upon Him. Because of His spiritual death, they taught, we do not have to go to Hell! What blasphemy! Is that what happened from the Cross to the Throne? It was not the demons who accused, pierced, mocked, insulted, spat, hated Him without cause and crucified Him. It was sinful Man! Despite that, Jesus loved us so much that he suffered these indignities so that we could be saved!

God planned redemption, (Gen. 22) and provided the Savior, (Jn. 3:16,17), He came to give His life as ransom; Matt. 20:28 and He died for sinners, (1 Pet. 1:18, 19). And He did the reconciling (2 Cor. 5:19). Jesus came to seek and save the lost, (Lk. 29:10).

The scriptures plainly tell us that the work of redemption was completed on the cross. The triumph of Christ over Satan is clearly said to be on the cross and Calvary resulted in the “Blotting out the handwriting of ordinances that was against us, which was contrary to us, and took it out of the way, nailing it to his cross; having spoiled principalities and powers, he made a shew of them openly, triumphing over them IN IT” (Col. 2:14-15).

Although there are many scriptures about the Lord’s victory on the Cross, another corresponding one is found in (1 Pet. 1:18-19), “Forasmuch as ye know that ye were not

redeemed with corruptible things . . . but with the precious blood of Christ, as lamb without blemish a without spot.” In fact, the scripture supports that Jesus arrived triumphantly into Hell after His death to preach to the captives and take the keys of life and death from Satan.

Moreover, the Second Chapter of Peter’s Epistle addresses itself to the current type of heresy regarding the perversion of the Doctrine of Christ. The Apostle warned: “But, there were false prophets also among the people, even as there shall be false teachers among you, who privily (craftily) shall bring in damnable heresies, even denying the Lord that bought them, and bring upon them themselves swift destruction. And many shall follow their pernicious ways; by reason of whom the way of truth shall be evil spoken of,” (2 Pet. 2:1-1).

This warning is very clear. False teachers will arise who craftily teach heresies which will deny the Biblical view of Jesus. Furthermore, according to prophecies, many will believe these errors and follow them just as we see happening in our day! The charm and inspiration of pantheism have begun to exert its influence on the Church through unorthodox religious teachers. It has happened so subtly that few people have noticed. Many Christian teachers sincerely believe that they have found a new advanced stage of Christian thought. Really, they have drifted far from the very foundations of the Faith and have joined the great plot of Satan, the master strategist, to capture: (1) men of science; (2) men of business; (3) men of religion.

Tremendous numbers of people are caught up in this great deception, pleading that they are merely” researching” “natural mind sciences.”

While these “new philosophies” should be considered dangerous, many Christian leaders have received them with open arms as the answer to life’s complex problems. They have been weakening the gospel message and worse yet, causing great confusion among the brethren. This is a call for the Church to resist these strange forces capturing the hearts of its people and for the Church to spring to action to defeat these enemies of religious truth.

During the end-time apostasy, it is prophesied that many church leaders will be led astray, those who follow false

teachings will suffer an unhappy fate (Matt. 7:22,23). We must be certain to follow Jesus, not man in these perilous days. We who would escape the great apostasy and the falling away that was prophesied for our time must get back to the Bible. We must check the scriptures for ourselves comparing today's issues against God's Word. For instance, have we ever seen anyone bleed in the Bible for the people except Jesus? Have we ever seen God's image appear on the walls anywhere in the Bible? Have we ever seen Jesus or any of His disciples take anyone back to the womb or even beyond the womb to heal their memories? Do you believe the Bible ever shows the Devil with the authority to beat Jesus? Of course, the answer to these questions remains forever - No!

### **BEWITCHING MINDS IN THE PEWS**

Recently the author had a conversation with a man that used to attend our church. He said, "You told me about this certain pastor that you said had been caught practicing homosexuality. Well, I've never heard that any place. I was sitting in his meeting. He was teaching under such a heavy anointing but I could not enjoy it because of what you had accused him of doing."

I replied, "You know Bob, I didn't make it up. This man's associate pastor confessed this sin in front of the congregation. It also appeared in the news and Christian magazines and is all over the internet. Just Google his name and you will see."

"Well," he replied, "There are many lies and slander on the internet."

He left and we never saw him again. He chose to believe the lie. This man, like millions refuse to see that there is truly a truth, real ministers and there is the lie carried by many false ministers. Real ministers will live what they preach and will live for Jesus Christ. The false will preach but when you investigate their lifestyles, you'll find more than the little foxes that will spoil vine. You will find a double life that billows forth the deep things of Satan.

### **POWER OF MIND CONTROL IN THE CHURCHES**

Several other mind "science" courses, are guaranteed to convert participants into New Agers.<sup>21</sup> Churches across the nation are into The Holistic Movement, Human Potential, meditation, transpersonal psychology, biofeedback (which

encourages use of Zen and meditation to maintain alpha waves).” These psycho-technological-techniques are nearly guaranteed to either bring one under a state of possession or at least cause a loss of control through demon oppression and could even enhance the chance of becoming possessed.”<sup>2</sup>

Some researchers recognize that claims to a healing power from the unconscious, a universal fields of energy, or a higher self, are really just the same spirits as healing. Parapsychologist and physician, Hans Naegeli-Osjord, states: “The healer attains the spiritual union, the “union mystic” (i.e., possession) with a spirit-protector, who is a saint of the church, or the creative cosmic field of force, the “higher self” of the Kahuna philosophy.”<sup>17</sup>

John Weldon and Zola Levitt in their expose’ of occult phenomenon’s, “*Psychic Healing*,” write: “Similarly, those who claim their healing power come from psychic abilities or some other source, sense the presence of spirit entities while healing.”<sup>18</sup> Therefore, it is not coming from some latent power within a psychic’s own abilities but from a spiritual source working through the individual. This power is then transferred to the subject who is seeking the healing.

If the Biblical view that man is not a supernatural being is correct, then all genuinely supernatural healing must come form one of two sources: God or Satan. What most people do not appreciate is that Satan rarely shows his true face, and he effectively operates under the guise of “true spirituality” (2 Cor. 11:14). Hence the clear majority of occult healers claim their gift of “spiritual healing” comes from God.”<sup>19</sup>

Agnes Sanford’s books and ministry have been hailed for decades throughout Christian circles. Although Sanford’s writings are consistently occult in nature, she is the chief guru of the inner healers in the Christian Church today.

Rita Bennett, Author/Inner Healer, writes, “If you are dealing with a severely depressed person who is unable to cooperate with you or to visualize Jesus, you may need to use the “healing of memories” type of prayer. Agnes Sanford, that great lady who has helped so many understand healing, both physical and psychological, originated this type of praying back in the 1950’s. (Many leaders in the healing movement today owe their start to Agnes Sanford’s inspiration and teaching.) In healing of memories, you do not ask the person to participate. You just ask Jesus to go back into the person’s

past memories and heal them, trusting God's gifts to guide in the prayer. It is usually helpful to lay your hands on the person's head while you do this. This way of praying can be very effective.

If Christians were to take Christian Science books and study them, then pattern their ministries based upon the information in those books, they would be practicing Christian Science. Christian ministries must be Bible based and God called.

We have already cited Sanford's Jungian psychological and metaphysical influences in her writings in another chapter. We can also clearly see from her writings the influence of Eastern Religious influence. For instance, Sanford writes: "Wise men of India for many centuries have trod the lofty peaks of spiritual power and given birth to their over souls."<sup>20</sup>

Webster's International Dictionary defines "over soul": "The absolute reality conceived as a spiritual being in which the ideal nature imperfectly manifested in human beings is perfectly realized and in which our finite and separate existence are grounded."

America's most famous occultist "*The Sleeping Prophet*," Edgar Cayce, for forty-three years, routinely entered self-induced trance states where he would clairvoyantly diagnose and recommend treatment for a wide range of ailments, sometimes thousands of miles removed from his patient. He could "see" the individual and would prescribe medicines and herbs to cure his illness. During his lifetime he produced more than 14,000 "readings" as they were called.

He said these over souls were: "bodies of the dead waiting to re-enter a body."<sup>21</sup> Cayce was well aware of the fact that "spiritual beings" were assisting his ministry and even feared that some evil power might have been involved.

Mrs. Sanford is not ignorant of the occult nature of what she has written about the terminology of "over soul" because she continues to explain: "Spirits of those (dead) for whom we have prayed on earth are working through us. One conveys that healing force, (Jesus is not a force) to the inner being (of the sick) through the law of suggestion . . . (hypnosis).

He (the person doing the healing) has made a thought-track (ESP.) between his spirit, subconscious mind and body; and the body, the subconscious mind and the spirit of the patient. <sup>22</sup> (emphases mine).

The Bible forbids “talking to the dead” (Deut. 18:18).

The psychic- spiritist connection of Ms. Sanford’s “newly devised technique” is really an arcane mystical formula in use since the beginning of pagan religions. Her beliefs are clearly those of a pantheists. Spirit-filled Christians believe the power of the Holy Spirit, the authority of the name of Jesus and His living Word is the only instruments of healing. The minister is only a vessel that God’s power flows through to effect the healing. The question of “self” simply never enters into the picture of Christian Healing. It all depends upon Faith in God!

### **THE SOUL AND SPIRIT**

Christians must now know for their own safety, the difference between ‘soul and spirit.’ They must recognize the danger of ignorantly using “psycho analysis” when dealing with the personal problems of others. They should lead such souls to the Cross for deliverance, relying upon the indwelling power of the Holy Spirit. In “warfare” against the Devil himself there can be an actual development of Soul-force unless there is a deep work of the Cross continually applied to the old Adam life. There must be a real life-union with the Risen Lord by the Holy Ghost. <sup>23</sup>

“Soul-force” versus “Spirit-force” is the battleground today. The Body of Christ should be filled with the energy of the Holy Spirit always, advancing heavenward. The atmosphere of the world is thickening with psychic currents behind which are massed the aerial (spiritual) foes. The only safety for the child of God is in an experiential knowledge of life in union with Christ. We need to dwell with Christ in God, above the poisonous air where the Prince of the power of the air carries on his work. The blood of Christ cleanses us while the cross of Christ leads us to die to self. The Power of the Risen Lord, continually declared, laid hold of and wielded, will alone bring the members of the Body through in victory to join Him in the Heavens! <sup>24</sup>

## **CHRIST & THE CHURCH IS IMPORTANT**

Christ loves the true church sacrificially, giving His life for it, (Eph. 5:25). He gave all that He had for His true church, (Matt. 13:44). He wants you to be aware of the gravity of assuming your responsibility, commitment and care for His church. Jesus asked, “how much do you love me?” Then He said, “I love you this much,” and lifted up his arms and died!

Jesus instituted a unique church. It is a church that is totally committed to Him as God and the spreading and teaching His Word. The star in His church is Jesus Christ, crucified, died for the sins of mankind, rose from the dead, victoriously ascended into heaven and is sitting at the right hand of God the Father, ruling and reigning. It is different from every other institution or organization in the world because the church belongs to Christ and is mystically alive. His church is powerful.

The relevance of the church is not based primarily on what it does, but upon what it is. Jesus Christ must be the foundation of the church, (I Cor. 3:11.) “For other foundation can no man lay than that is laid, which is Jesus Christ.” The Apostle Paul discloses in (Eph. 2:19), that the true church is the household of God.

A right understanding of the nature of the church will give an honest Christian good reason to support the local Bible believing Bible teaching church. It is a divine foundation and Jesus Christ is the cornerstone. Martin Luther said it well in the great hymn, “The Church’s One Foundation is Jesus Christ her Lord.” It is extremely vital that you keep Jesus at the center of your life and find a Word balanced church that teaches sound Doctrine.

Do not stay in a church that teaches about worldly things like self help programs or sidelines to the Bible. Find a church that is spiritually anchored in God’s Word and lifting up the Name of Jesus. Look for a pastor who lives holy according the Word of God and teaches foundations and doctrines of the Bible. Seek a pastor that reveals Jesus at the heart of the Word. Your church should be important to you since it is important to Christ, however, it is only important if Jesus Christ is the center of the Church.

Jesus is calling you to separate yourselves from the phony religious system of everyone will go to heaven without Jesus Christ as the only way back to the Father. All religious pathways do not lead back to God. These made-made doctrines with you down the pathway to Hell. Jesus is calling you to separate yourself from the world and worldly oriented Christian leaders who are forming a New Age religious system, pleasing to the god of this world, Satan.

Jesus is calling you to separate yourself from this ugly man-made system of New Age religious unity and let Jesus prepare you as His Bride of Christ!

(Jn. 4:23-24), “But the hour cometh, and now is, **when the true worshipers shall worship the Father in spirit and in truth: for the Father seeketh such to worship him.** 24 God is a Spirit: and they that worship him must worship him in spirit and in truth.”

Be Blessed and awake for Jesus.
