## HARRY POTTER AND HELL

Please wake up people, there is a real devil and his plan is to capture the heart and mind of your children. Discern the times, these are the last days. Please raise your children in church and according to the Word of God. Please Accept Jesus in your heart today. Your children need you to guide them down the right path, the path of righteousness, **People are being seduced, very cleverly. Help restore families.**

## HARRY POTTER'S INFLUENCE

A former witch writes: "In order to succeed in bringing witchcraft to the world and thus complete satanic control, an entire generation would have to be induced and taught to think like witches, talk like witches, dress like witches, and act like witches. The occult songs of the 1960's launched the Luciferian project of capturing the minds of an entire generation. In the song "Sound Of Silence" by Paul Simon and Art Garfunkel, we were told of seeds that were left while an entire generation was sleeping, and that the "vision that was planted in my brain still remains."

Now it is the year 2005, All of the foundations for occultism and witchcraft are in place. The Illuminists have to move quickly, because time is running out. They are getting ready to receive Antichrist. Jesus is coming soon!

It was the Communist revolutionary Lenin who said, **"Give me one generation of youth, and I will**

**transform the entire world."** Now an entire generation of youth has been given to a woman named J.K. Rowling and her four books on witchcraft, known as the Harry Potter Series.

As a former witch, I can speak with authority when I say that I have examined the works of Rowling and that the Harry Potter books are training manuals for the occult. Untold millions of young people are being taught to think, speak, dress and act like witches by filling their heads with the contents of these books. Children are obsessed with the Harry Potter books that they have left television and video games to read these witchcraft manuals.

**HARRY POTTER AND THE HALF-BLOOD PRINCE** Potter mania remains powerfully received by parents and young children. The witchcraft indoctrination tool of Satan was received by world wide fanfare by unsuspecting parents bringing their children to book stores world wide at the bewitching hour, 12:00 PM. On July 18, at midnight, bookstores world wide were stormed by millions of children to obtain the latest and sixth book of the series known as *"Harry Potter and the Half Blood Prince."* These books were taken into homes everywhere with **a real evil spirit following each copy to curse those homes.**

July 18th day (three sixes in numerology) from the witches' sabbat of midsummer.

In the sixth book title, "Half Blood" terminology means that a child that is born of a wizard parent and a "muggle" (a non witchcraft parent). This is exactly what is happening to your children. You are mixing your bloodline (Muggle) with Harry's witchcraft bloodline by indoctrinating your children to his witchcraft. These witchcraft spirits will follow your family ancestry to the fourth generation. Let us also look at God said sins of the fathers are visited on the children to the third and fourth generation, (Ex. 20:5.) ***"You will not bow to them nor serve them. For I, your God am a jealous God, visiting the iniquity of the fathers on he children to the third and fourth generations of those that hate Me."***

If you are letting your child read these witchcraft books, they will receive antichrist and witchcraft spirits that will guide their entire lives and will become demon possessed ! You must repent and bring the children for deliverance. I have ministered to **children and parents who have become possessed by evil spirits caused from reading Harry Potter**. Satan is boldly capturing the hearts of children while parents assist him with his evil plots to destroy their children's souls with these demonic materials. **When you walk on Satan's highway, you are going to pay a price for it.** Very few are finding relief from their tormenting devils in churches. The word says, my people perish for a lack of knowledge.

The results of delving into this forbidden knowledge is a child's mind and heart will be blocked from being open to Jesus Christ. Rebellion will enter into the heart of the child. They will become hard. Their minds will become confused. They will receive a witchcraft spirit guide that will lead them for their entire life. Satan is easily stealing the souls of the young through the spiritual ignorance of parents and the church. These are truly perilous times.

**There is hope for deliverance.** Pat Holliday has been in the deliverance ministry for thirty years. She has freed children and adults caught in the snare of the Devil. The eternal picture is heaven or hell. Spiritual blindness will cost you the soul of your child. Come to a ministry where you can find answers to your child's rebellion. Satanic rock music, horror tv, movies, occult cartoons. And books teaching witchcraft like Harry Potter. Awaken people, help save the children.
