He was in intensive care in May 1998. His mother was told by the Hindu doctor that all hope was over and advised her that all the machines should be turned off. Marilyn asked for time to pray. The Hindu doctor reinforced his diagnosis but she insisted. God gave Kevin the strength to recover enough to come to Miracle Outreach Ministries. Jesus did the rest. Kevin was instantly delivered from the infirmity in June. He received a clear blood test without a trace of the disease and August 2 Kevin returned to work driving a 18-wheeler truck! He is doing well, to God be the glory. I have seen five people healed of Aids.

Annette was healed of cancer in July. She shouts it from the rooftops that Jesus Christ is still alive and cares about her.

He had been afflicted with this illness since he was thirteen-years-old. He twenty-five now and his face is lit up with God's glory.

Jesus Delivers

Nancy has been sick with a strange decease called Torticollis Syndrome. This terrible infirmity had affected the muscles in her face and would throw her upper body into uncontrollable spasms. She had been living with this disorder since the seventies. She was instantly delivered. The praise goes to Jesus Christ.

Nancy told a strange story of an infiltration of her home prayer meeting. She was working for a Catholic College. She said a nun began coming to her prayer meeting. She didn't think anything about it because she'd seen nuns where she was working. However, this nun began to bring mixtures of oil with other things. She'd rub the mixture on the bodies of Nancy's children. Then the nun would take her veil off and rub the concoction on her head. Soon mushrooms began to grow out of Nancy's carpet.

Then one day a friend came to Nancy's home and pointed out that all the crucifixes in the house were bound by cords. "Only the eyes were not bound." Nancy's friend told her that the nun was practicing Hoodoo. "The binding of the cross was to keep the family from serving Jesus Christ!"

Nancy's house was destroyed. Divorce, and then the children fell away from Christ. The spirit of Asmodeus took control of her life. Nancy has been able to hang onto Jesus since these strange phenomena began. She was a captive of Torticollis which distorted her face and she was

bound by devils in every area of her life. All her finances were drained by doctors and medications.

Jesus Christ, through the anointing of the miracle-deliverance ministry, set Nancy totally free from the powers of witchcraft. This is glorious, but at the same time, it is very sad that Nancy suffered these ungodly torments .

Another woman, whom I will call Jesse, received deliverance from environmental chemical poisoning was healed. This woman also has walked through many years of violent demonic bondage and torment because the American Church does not want to set the captives free.

Jesse was bound to the point that she could hardly leave her home. She could not even read the Bible because of the allergies of the ink. During her deliverance she was screaming with great pain in her head.

Evil spirits were seen walking around her house. She could see them. They were tormenting her day and night. Jesse was radiant when Jesus delivered her. She was ecstatic when the kingdom of God came upon her.

Another young man came and he was in the choir. He was being tormented by a spirit of homosexuality. After being set free, his face was beaming. 'Only Jesus Christ could do this,' he said. "I'm free!"

Recently we witnessed many healed and delivered from evil spirits in St. Augustine. Jesus can still perform signs and wonders!

Jesus wants to awaken His people spiritually and stretch our faith to walk in the signs that accompany those who believe. Carlos Anaconda says in his book, Listen to Me, Satan "When we assume our rights by faith, we are equipped to exercise authority over all the demonic powers of this world. If Satan is controlling a person or situation, we have the power to cast him out, since we have recovered all the divine power of the cross of Jesus Christ

HARRY POTTERENSNARES CHILDREN'S SOULS

The following article came from www.theharrypottermovie.com on August 16, 2001:

The Harry Potter books describe the experiences of a young boy who is attending a school for witches and wizards. There has been a lot of controversy about these books with the defenders saying that this is innocent children's fantasy and the opponents pointing to the explicit introduction of witchcraft to the young reader. However, few deal with the most basic question - Is there any real power in witchcraft and if so what is the source of that power? If you say there is no power in witchcraft, then you deny both what those involved in witchcraft say and also reject what God declares.

If you recognize that there is real power in witchcraft, then you have to agree with the witches that it is natural or from nature and therefore neutral (at least not evil) or you agree with God that the source of this power is from an evil power, Satanic spirits or demonic beings. If you agree with the latter understanding of where witchcraft power originates then the question is whether or not these books that present a young boy learning how to access and use power from some evil power, Satanic spirits or demonic being could possibly be

acceptable especially when the books present the young boy's activity in a neutral or innocent manner.

The unprecedented success and adoration these books have elicited means they have almost unquestioned influence. As of April 2001 90 million sold More than 50% of children in the US have read at least one book. On the reading list of almost every school in the US. Defended by a wide variety of "experts".

Although couching many rituals and incantations in whimsical terms, these books are accurate in their presentation of witchcraft. The young reader sees Harry Potter learning how to use the power of witchcraft, seeking and then using it's power. In order to believe that this is harmless, a person must conclude that the seeking of witchcraft power is harmless. See the description of the video.

Fantasy makes this presentation of witchcraft even more destructive. If fantasy was an adequate defense on behalf of the content of a book, then Rowling can put anything she wants in the other three books as well as any fantasy book would be acceptable. By using children's fantasy to introduce the specifics of witchcraft, it makes witchcraft seem innocent.

Wicca (witchcraft) is an IRS recognized religion being promoted in the public schools.

Harry Potter books have been successful mainly because people are uneducated about witchcraft.

Most people will not really understand without visually seeing the problem.

Harry Potter and it's related businesses are a multi-billion dollar industry. Do you need deliverance from reading this demonic book? *Today, witchcraft is everywhere. I receive phone calls all the time from Christian parents, whose children have left their faith and are caught up with all kinds of witchcraft. The young children are out of control. The parents feel hopeless and do not know what to do. The Walking Dead is available for a love offering to help us with the expenses of the evangelistic ministry.*

MENEVERYWHERE SHOULD PRAY (I Tim. 2:5.)

Planet earth seems to be spinning faster and faster with each week with turmoil and the Church must awaken to rise to its greatest days of spiritual power.

Here are some excerpts from Battling Against Territorial Powers for Intercessors, Prayer Warriors, by Dr. Pat Holliday, "The return to the basics of the Bible with Jesus Christ as the center of every message is the answer. The Bible shows the Satan at a great disadvantage

concerning his power over Christians. He is shown as an inferior antagonist in light of what Jesus Christ gave to His church. Satan can only take the place that he is given. The Word of God says in James 4:7, "Submit yourselves to God, resist the devil and he will flee from you." The Scripture makes it clear that the battle is not our personal battle. We are part of the war but the battle is the Lord's. We are led by the unconquerable One. The battle rests upon His ability and He has already won the War! Read John 14:15-27.

Life with Jesus can be exciting and blessed with constant triumph over evil forces but he battles never ends. Always remember that you and Jesus are a majority. The warfare is tacked against Satan, not the Christian. They may have periods of darkness and may encounter times of painful struggle and discouragement. Then the Holy Spirit breaks through the darkness and moments of exultation and glory will be experienced. God is always on our side!"

"Lord Jesus, You have been exalted by God and given a Name which is above every name; that at Your name every knee should bow and every tongue confess that You are Lord, to the glory of God the Father. You are the blessed and only Potentate, the King of kings, and the Lord of lords/ The kingdoms of this world will become Your throne, and You shall reign forever and ever," (See Phil. 2:9-11; 2 Tim. 6:15; Rev. 11:15.)

When we come to Christ, we receive power to become a Son of God. After salvation, we can receive extra power from God."

Battling Territorial Spirits, Intercessors Spiritual Warriors, is a powerful intercessory prayer manual that is a must for serious Christians to have because it is the answer to the problems in their families and churches. It will teach you how to pray for your family, pastor, church, city and nation. I believe God is going to give us the heathen for our inheritance as we pray.

Paul asked the Church of his time to pray for him. If this anointed man of God desired prayer, ministers today need intercessory prayer! Revival will arrive on the wings of prayer.

I have just written a teaching manual entitled, *Battling Against Territorial Powers for Intercessors, Prayer Warriors*. I believe that the only answer for the onslaught that we are witnessing against God's people is the knowledge of prayer intercession. God want's to deliver our children out of the hands of Satan because many of our young people are ensnared by loose sex, alcohol, drugs, atheism, cults, witch crafts and every evil thing imaginable.

I have written another teaching manual entitled, *The Gifts of the Holy Spirit*. This book reveals how the gifts operate under the anointing of the Holy Spirit.

We are meeting at 10:30 AM every Wednesday morning to pray for the Body of Christ and the Government. We believe it is time for God's generals to come forth in this black hour to defeat the powers of darkness and share the Gospel of Jesus Christ to our backslidden nation.

Everyone is welcome to come and pray with us. Your church and pastor need your prayers for revival. You may also send us your prayer request and we will include them in our prayer sessions.

If you are interested in a street ministry to the poor, Miracle Outreach may be what you are looking for. We clothe and feed the poor.
